## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

The mission of Lakeview Elementary is to inspire all students to be passionate, continuous learners and to prepare them with the skills to achieve their goals and flourish as responsible, caring citizens in a global community.

Lakeview Elementary School received the California Distinguished School Award in 2018. Our beautiful school sits atop a hill in the midst of a newly developed subdivision overlooking views of the surrounding hills, attractive neighborhoods, and Folsom Reservoir. The campus was opened in August 2005 and is one of seven schools in Rescue Union School District. Located 28 miles east of Sacramento in the foothills of the Sierra Mountains, Lakeview serves a student body of approximately 560 students in TK through fifth grade. The enrollment continues to grow as our reputation for offering excellence in education travels throughout the community, prompting new families to relocate to nearby neighborhoods. Lakeview is a place where our school motto, "Soaring to Success," is a true reflection of what is taking place each and every day.

Lakeview Elementary School prides itself on a positive school climate and a commitment to ensuring success for all students. Social Emotional Learning is a priority for our school and our District. The curriculum is challenging and encompasses varied teaching strategies to best meet the needs of all learners. The curriculum and instruction are differentiated for both gifted students and those students with special needs. Under the guidance of dedicated staff members, students acquire high levels of knowledge, skills, and understanding that will open doors of opportunity and prepare them for thought and action in the wider world. Each student is known as a person and a learner who experiences the joys and challenges education brings. Further, we strive to ensure all children develop the skills, attitudes, and behaviors necessary to become principled, ethical citizens who are contributing members of society.

Twenty-seven teachers work to support our wonderful Lakeview student body, alongside two secretaries, one librarian, three custodians, two nurses, two part-time counselors, one school psychologist, one Special Education teacher, 13 instructional aides, one speech/language pathologist and one principal. Our librarian is available eight hours a day, each school day. A District nurse is on campus one day each week, while our site nurse assists with medical and health related issues daily. Our psychologist is on site two days each week. Our counselors serve Lakeview students four days each week. Our speech/language pathologist offers services to students five days per week. Our Special Education teachers are on site daily with seven full-time aides to serve those students with identified learning disabilities. Our support program serves students, using both the pull-out and push-in models to meet their individual needs in the least restrictive environment. Our all-day kindergarten program offers one two hour aide for each class. Our Learning Intervention Program provides three specialized

## 2021-22 School Overview

instructional aides to support those in need of intervention, as well as an Academic Recovery Teacher who assists with intervention and works to cover staffing, as needed.

Leadership opportunities are provided to all 4th and 5th grade students through our IMPACT student government program. Typically, 70 students learn and practice leadership skills while working on interest-based service teams. Our school is engaged in year two of the Positive Behavior Support Intervention (PBIS) training and planning. This process of refining procedures and expectations will further enhance our positive learning environment. We emphasize the acronym, SOAR, which stands for Solving Problems, Owning Good Decisions, Achieving Leadership, and Radiating Respect! The Student Success Team (SST) approach is utilized to evaluate assistance to children needing additional support. The Student Success Team, which consists of the parents, teachers, counselor, psychologist, nurse, teachers, and administrator, meets as needed to develop educational assistance plans for children who have been referred by their teacher or parents.

Differentiated opportunities for gifted students are provided as an integrated part of the school day. When COVID guidelines allow, enrichment classes are offered to provide extensions and enrichment for all students before/after school. Most Lakeview classroom teachers are certified in GLAD (Guided Language Assessment & Development) to allow all students access to even more research based language-rich instructional strategies. K-3 teachers have been trained in SIPPS phonics and sight words research-based instruction. Through SIPPS, all K-3 students receive strong, leveled instruction in reading foundation skills. All 4th and 5th grade students are assessed through REWARDS, a foundational reading program, to ensure their foundational reading skills are in fact. Grade levels meet each trimester to analyze grade level data. Every student's data is analyzed and compared within the students' needs of the grade level. Teachers also meet regularly to plan and analyze data/continuous improvement.

The School Plan for Student Achievement will continue to support three reading intervention aides, additional curriculum materials (including, SIPPS - Systematic Instruction in Phonological Awareness, Phonics and Sight Words), in grades K-3, to offer students strong, leveled, research-based phonics, and educational opportunities to support and enhance student achievement. Lakeview Elementary School community is proud of the accomplishments achieved at our school.

### A. Conditions of Learning

#### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## School Facility Conditions and Planned Improvements

School building and grounds at Lakeview provide a clean, positive environment that is conducive to teaching and learning. All facilities are clean and well maintained. Floors, walls, roofs, and plumbing are maintained on a regular schedule. The Lead Custodian and Principal work to inspect concerns, request support from the District when needed, and ensure the facility is in excellent working order.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

<b>Mathematics</b> (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

## 2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

## 2020-21 Local Assessment Test Results in ELA by Student Group

This table displays Local Assessment test results in ELA by student group for students grades three through eight and grade eleven. LEAs/schools will populate this table for schools in cases where the school administered a local assessment. In cases where the school administered the CAASPP assessment, LEAs/schools will populate this table with “N/A” values in all cells, meaning this table is Not Applicable for this school.

## 2020-21 Local Assessment Test Results in Math by Student Group

This table displays Local Assessment test results in Math by student group for students grades three through eight and grade eleven. LEAs/schools will populate this table for schools in cases where the school administered a local assessment. In cases where the school administered the CAASPP assessment, LEAs/schools will populate this table with "N/A" values in all cells, meaning this table is Not Applicable for this school.

\*At or above the grade-level standard in the context of the local assessment administered.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative testing suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

For any 2020-2021 data cells with N/T values indicate that this school did not test students using the CAASPP Science.

**B. Pupil Outcomes****State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

**2020-21 California Physical Fitness Test Results**

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

**C. Engagement****State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

**2021-22 Opportunities for Parental Involvement**

Parents are viewed as valued partners in their children's education. At Lakeview, this partnership is strongly advocated! Pre-COVID, parent volunteers were both encouraged and welcomed on a regular basis. Parent input and contributions to our learning community are an integral part of our decision-making process. The Lakeview School Site Council (SSC) and Parent Teacher Organization (PTO) are two groups that encourage community involvement. Typically, our PTO organizes wonderful events and fundraisers, designed to offer financial support and bring families together in a positive, child-centered, social setting. Math, science, physical education, technology, language arts, and after school enrichment opportunities have been the focus of our PTO during past and future school years. This year, our PTO has supported our school with COVID-appropriate support. The SSC develops Lakeview's School Plan for Student Achievement and works with the school staff, PTO, and community to set yearly goals and objectives in reading/language arts, math/science and health, wellness, citizenship, and fitness. The PTO supports our annual goals by donating funds to help supplement the cost of programs and resources.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

<b>Expulsions</b>	0.00	0.00	0.05	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

Important to each staff member at Lakeview School, is the climate we create through warm, positive, and uplifting interactions on a daily basis. We have established operating principles that serve as foundation for our attitudes and behavior. We believe happy teachers (and staff) foster happy children. Programs are in place to recognize positive choices and reinforce our expectations for appropriate behavior. A discipline program is in place that emphasizes the importance of learning from our mistakes and taking responsibility for our actions.

Lakeview's Safe School Plan includes goals and objectives relative to school climate and the safety of the physical environment. Our Safety Committee (a sub-committee of School Site Council) meets to offer input for our annual Safe School Plan updates. Safety information is shared and input is requested from our parent community, SSC and PTO.

For the safety of our students, monthly drills are conducted to practice safe evacuations, duck and cover procedures and lockdown procedures. The El Dorado Hills Fire Department assists with some drills. An emergency preparedness plan is in effect. Campus supervision is provided according to policies established by the District Board of Trustees. All efforts to ensure building safety, cleanliness, and adequacy have been successful.

Pre/Post COVID, students in fifth grade serve as Safety Patrol Officers. They accompany adult staff members in monitoring the campus for safety before and after school.

We currently have two full-time custodians and one part-time custodian who work diligently to keep the school in "tip top" shape. To maintain the beauty of our facilities and grounds, custodians work to ensure cleanliness, both inside our rooms and throughout our campus.

Our school-wide character program promotes positive character traits such as respect, caring, responsibility, trustworthiness, fairness, and good citizenship. Teachers work to promote the monthly character trait and teach students how to exhibit positive behavior.

The three personal standards, Show Respect, Make Good Decisions and Solve Problems are taught to all students. Eagle Manners are taught and encouraged, as well. A school-wide quiet signal is practiced daily and used for safety and procedures. Grade level expectations assemblies (SOAR assemblies) are held throughout the year, where students are also recognized for positive behavior. Anti-bullying lessons, as well as social-emotional lessons are delivered to all classes by our counselors.

Year 2-3 of Positive Behavioral Intervention Support (PBIS) is being implemented this year (in whatever manner is possible, while experiencing COVID) to further enhance student understanding and staff consistency of our school procedures and expectations.

Pre/Post COVID, our 4th and 5th grade student leadership group, IMPACT, works to provide school service and community service, while learning and practicing leadership skills.

## 2020-21 Types of Services Funded

All Rescue schools receive equal allocations, per student, of LCFF Base Funding. This funding helps support students by providing instructional materials, supplies and other needs. Funding for support services, such as maintenance of buildings and grounds, utilities, and student transportation, is budgeted for at the district level and provided to each school site based on the varying needs of the individual school.

In addition to the Base Funding described above, schools in the Rescue Union School District receive Supplemental funding roughly proportional to the number of unduplicated pupils (English Learners, Socioeconomically Disadvantaged, and Foster/Homeless Youth) they serve. Furthermore, school sites receive allocations from other state and federal categorical programs, including Title I and Title II. The purpose of these categorical programs range from improving the quality of the total instructional program for all students to addressing the unique needs of special groups of students.

## Professional Development

Early Release Professional Development/Teacher Collaboration days are scheduled every Wednesday throughout the school year. During these meetings, teachers work to analyze assessment data and target key standards. In addition, they plan, develop and improve effective instructional strategies. Staff development related to instructional practices, adopted curriculum, technology, and other educationally related matters are provided for all teachers.

Teachers receive professional development and will work collaboratively on a regular, ongoing basis to target key standards, analyze formative assessment data and develop effective instructional practices.

Most Lakeview teachers are certified in GLAD (Guided Language Acquisition Design) and have received follow-up coaching/training for four years.

K-3 teachers were trained in SIPPS (Systematic Instruction of Phonological Awareness, Phonics and Sight Words) this fall, by trainers from the El Dorado County Office of Education, allowing all K-3 Lakeview students to receive critical phonics/sight word instruction at their assessed level.

All 3-5 grade teachers are released one half day, yearly, to meet and plan with the principal. The intent of this time is to analyze their quality instruction, consistency, pacing for SBAC, differentiation of instruction and parent communication strategies.

Five minimum days are scheduled for parent conferences and three minimum days are scheduled for report card preparation.

This table displays the number of school days dedicated to staff development and continuous improvement.

## 2020-21 Local Accountability Report Card (LARC) Addendum

### Local Accountability Report Card (LARC) Addendum

#### 2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
