Green Valley Elementary School
2021-2022 School Accountability Report Card
(Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC. For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/ For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/ For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Overview

Green Valley School, home of the Gators, is a TK-5 school which serves a student body of approximately 350 students. We are located in the beautiful foothills on the western slope of the Sierra Nevada Mountains in Rescue, CA. We opened our doors in 1978 and continue to provide a safe, clean and well-maintained facility for our students. We offer a balanced, rigorous instructional program which includes academic challenge as well as intervention and includes a full day kindergarten program. Due to the number of socioeconomically disadvantaged students, Green Valley is a Title I School. We are a high performing Title I school and were recognized as a Gold Ribbon School in 2016. Our teachers are highly qualified and dedicated to holding both our students and themselves to high standards. Green Valley School also houses a Charter Extended Day program and a State Pre-School from the El Dorado County Office of Education.

The educational program is supported by a staff of 16 classroom teachers, a resource specialist, PE teacher, part-time music teacher and two full time counselors. All 1st-5th grade students receive weekly PE instruction from the PE teacher. Students in grades 4 and 5 receive weekly music instruction and 3rd grade receives weekly music instruction beginning in the Spring. 5th grade students also have the opportunity for instrumental instruction.Our district-adopted curricular materials include Benchmark Reading, GO Math, Step-Up to Writing, Scott Foresman Science and Social Studies, Handwriting Without Tears (K-2), and D'Nealian Handwriting (3-5). ELA instruction is supplemented with SIPPS, Read Live (Naturally), Accelerated Reader, core literature, guided reading and Sonday. Math instruction is supplemented with ST Math, Reflex Math and IXL. Science instruction is supplemented with Stemscopes and Mystery Science. Academic differentiation is provided through a variety of methods. Strategic and intensive intervention and leveled grouping is provided during our results-driven Intervention Program, which runs 32 weeks out of the school year. During Intervention time, the Learning Center is also used to support students with intervention needs. Students are grouped according to need. Students who are not in need of intervention receive accelerated instruction during this time. Teachers continue to receive staff development and collaboration time to work on Content Standards. Most of our teachers have been certified in Guided Language Acquisition Development (GLAD) instructional strategies.

Our students are offered many enrichment opportunities which are supported by fundraisers, school donations and our PTO. We offer competitive sports teams for cross country (3-5), volleyball (4-5) and basketball (4-5). Choir is available before school for students (2-5). Dance (TK-5) is offered in the spring, and the Arts Attack program is provided for every class at Green Valley School. Students have the opportunity to audition and perform in a school-wide talent show. Students can also participate in Student Council/IMPACT (4-5). We also participate in the County wide Spelling Bee. Students in grades 4 and 5

also have the opportunity to participate in Oral Interpretation or be part of our school yearbook club. All grade levels attend field trips, which offer rich opportunities for hands-on, standards-based learning.

All classrooms have projectors and document cameras. Nine classrooms have Smart Boards and our library is equipped with a big screen TV.   Internet based instructional programs, such as Read Live, ST Math, Reflex Math, IXL and Star Fall More, provide a balance for supplemental instructional support.

Social Emotional Learning continues to be a priority at Green Valley where we model a positive, proactive philosophy. We have two full time counselors. Our school counselors teach weekly guidance lessons to all classes using the Second Step curriculum. Lessons are grade level specific and focus on body language, social skills and cues, communication skills, building friendships and self-esteem. Our counselors also work with groups of students on specific strategies or areas of need (ie: friendship groups, divorce groups, grief etc. Care-Solace is offered to families and staff to support the process of matching families with mental health providers and additional resources.

We continue to implement PBIS (Positive Behavior Interventions and Supports) at Green Valley.   PBIS is an evidence-based approach for developing positive behavior in students and a positive climate for learning. Students are taught and practice "The Gator Way" which is to Be Respectful, Be Responsible and Be Safe. We have student videos that demonstrate "The Gator Way" in all areas of our school (ie: lunchroom, library, office, field etc.) Students are explicitly taught the expectations for all areas of the school. Students earn Gator Way Tickets for positive behavior. Teaching behavior expectations and rewarding students for following them is a more positive approach than waiting for misbehavior to occur before responding.   PBIS establishes a climate in which appropriate behavior is the norm.   Character traits are featured each month and students from each grade level are honored during awards assemblies for demonstrating strong citizenship.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

School buildings and grounds at Green Valley provide a clean, positive environment that is conducive to teaching, instruction and learning. Staff and student restrooms are clean but in need of new flooring. Floors, walls, roofs, and plumbing are maintained on a regular schedule. All efforts to ensure building safety, cleanliness, and adequacy have been successful.

At Green Valley Elementary School we are continually committed to the improvement of the school's facilities. We strive to make the facility as great as it can be. Over the last few years we have improved our facility in many different and important ways. The covering over the large play structured has been repaired. Our parent teacher organization has completed a seating area around our outdoor stage area. We have an ADA handicapped accessible outdoor lunch table. We were recently able to update our sound system in the Plumb Center. We are currently reviving our school garden. We are proud of our school facilities at Green Valley, and it is our desire to continue to improve the campus for our students. We look forward to our upper field being resurfaced and replanted sometime in the near future. The lower campus E wing portables are in very poor condition and need to be replaced or removed including the E wing restroom.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
   The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only
Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options
Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	62	N/A	70	N/A	47
Mathematics (grades 3-8 and 11)	N/A	49	N/A	60	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Green Valley Elementary School has an active parent community. We utilize parent volunteers in the classroom on a regular basis. They help with group rotations or classroom events. Parents are actively involved and interested in every aspect of their children's education. Our staff is very grateful for the support we receive from our volunteers.

Parents are an integral part of School Site Council, English Language Advisory Committee and Safety Committee. The members of these committees are committed to making informed decisions that affect student learning.   Green Valley Elementary School's Parent Teacher Organization sponsors a variety of activities throughout the school year. These events are well attended. PTO is an integral part of our school, sponsoring a variety of activities throughout the year. The PTO organizes parent and community volunteers to plan events for our community such as Gators on the Green, the Harvest Festival, Fun Runs, and the Penguin Patch as well as family activity nights. Membership is open to all who are interested in Green Valley School.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.49	1.30	2.45
Expulsions	0.00	0.11	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

2022-23 School Safety Plan

A positive learning environment is fundamental to an effective school. All students are encouraged to be respectful, be responsible and to be safe. Gator Manners are modeled and promoted by all staff. Staff members work to teach our students how to "fill buckets," by treating others with kindness. Measures to deal with discipline, tardiness and truancy are an important part of our program. There are many encouraging and motivating activities taking place in the school. School-wide positive incentives include awards assemblies and honor roll. Gator Way Tickets are given to students who demonstrate the Gator Way (Respectful, Responsible, Safe) both in and out of the classroom. Gator Way Tickets are used by students to "purchase" rewards of their choice such as reading a story to another class, games with the principal etc. Recess activities are provided (ex. Drawing Club, Game Day, Music Mania, Intermural Games and School Community Service) to allow our students more choices for free time and peer interaction. IMPACT, our student leadership organization, offers leadership skill building and opportunities to provide service.

Green Valley School's awards assemblies are used throughout the school to recognize children for a variety of achievements, including academic achievement and citizenship.

We currently have two full-time custodians. Policies are in place regarding campus safety so that during recess and lunch periods adequate supervision is provided to protect the students. Fire drills are conducted monthly as part of our disaster preparedness plan; lockdown and duck and cover drills are also held at least twice each year. All efforts to ensure building safety, cleanliness, and adequacy have been successful. Green Valley School Site Council has implemented a Site Safety Plan whose two major goals this year are to provide a positive school climate modeled by staff and students and provide a physically safe environment. The plan is reviewed annually and updated as needed.

2021-22 Types of Services Funded

All Rescue schools receive equal allocations, per student, of LCFF Base Funding. This funding helps support students by providing supplemental instructional materials, supplies, and other needs. Funding for support services, such as maintenance of buildings and grounds, utilities, and student transportation, is budgeted for at the district level and provided to each school site based on the varying needs of the individual school.

In addition to the Base Funding described above, schools in the Rescue Union School District receive Supplemental funding roughly proportional to the number of unduplicated pupils (English Learners, Socioeconomically Disadvantaged, and Foster/Homeless Youth) they serve. Furthermore, school sites receive allocations from other state and federal categorical programs, including Title I and Title II. The purpose of these categorical programs range from improving the quality of the total instructional program for all students to addressing the unique needs of special groups of students. Title III funds are budgeted for at the district level, but provide direct support to the school sites. Title III funds are used to employ bilingual instructional assistants and an EL Coordinator who provides professional development and instructional support as well as monitors the progress of our English learners.

Professional Development

Early Release days and District Days are used for professional development and teacher collaboration. Early Release Professional Development/Teacher Collaboration days are scheduled every Wednesday throughout the school year. During these meetings, teachers work to analyze assessment data and target key standards. In addition, they plan, develop and improve effective instructional strategies. Staff development related to instructional practices, adopted curriculum, technology, Social Emotional Learning, and other educationally related matters are provided for all teachers. In addition, five minimum days are scheduled for parent conferences and three days for report card preparation.

This table displays the number of school days dedicated to staff development and continuous improvement.
