DISTRICT MISSION

Rescue Union School District, in partnership with families and the community, is dedicated to the success of every student by providing a challenging, comprehensive, and quality education in a safe environment in which all individuals are respected, valued, connected, and supported.

The trustees' study session format provides Board members the time and opportunity to 1) hear reports on topics and projects that have been completed, 2) discuss on-going progress of programs and projects currently being implemented, 3) discuss long-range planning for projects and district issues, and 4) discuss and improve Board/staff communication and relationships. Agenda items are for information and discussion purposes. Board action will only be taken on items presented as a "Consideration for Action" item on the agenda. Times listed on the agenda are approximate. The agenda packet for this public meeting, as well as agenda documents distributed less than 72 hours prior to this meeting, are available for review in the Rescue Union School District Office at the above address.
