Rescue Union School District

AGENDA ITEM: Lakeview Elementary Mural

BACKGROUND:

The Lakeview Elementary Parent Teacher Organization (PTO) is requesting consent from the Board for a mural of the California Distinguished School logo to be painted on the exterior wall of the library.

STATUS/DISCUSSION:

Lakeview was the recipient of the California Distinguished School Award in 2018. California Distinguished Schools Awardees are encouraged to publicize their status by using the logo and by identifying themselves as a recipient of the award. The logo would be 4 feet in diameter and will be painted by artist Laura Bermudez who recently completed a mural for Lake Forest Elementary School.

FISCAL IMPACT:

The cost is anticipated to be \$845.00 for the project.

BOARD GOALS:

Board Focus Goal 1 – STUDENT NEEDS

- A. Student Safety and Well Being: Enhance and encourage social, emotional, ethical and civic learning by providing a safe, supportive and diverse environment.

Board Focus Goal V- FACILITY/HOUSING:

- Build, improve and maintain school facilities to meet current and future education needs while integrating the most effective and efficient use of resources.

RECOMMENDATION:

The Board approve the request from Lakeview for the PTO sponsored mural.

RESCUE UNION SCHOOL DISTRICT

AGENDA ITEM: **Retirement Incentive for Non-Management Classified/Confidential Employees**

BACKGROUND:

The California School Employees Association (CSEA) Rescue Chapter #737 requested a retirement incentive during negotiations.

The District reviewed many factors including cost savings, past retirement incentives, enrollment and staffing projections, and determined that a certificated retirement incentive would be appropriate.

STATUS:

CSEA and the District have signed a TA for the 2018-19 school year. The District has created the attached retirement incentive for classified (non-management) and confidential staff. The qualification, assumptions, payout, timeline are summarized in the attachment.

FISCAL IMPACT:

Any incentive offered must show a cost savings to the district. Cost and savings varies depending on retirees, but under the most conservative scenario, the district would create a net savings.

BOARD GOAL:

Board Focus Goal II – FISCAL ACCOUNTABILITY

Keep the district fiscally solvent through prudent LCAP aligned budget processes in order to meet the needs of our students.

Board Focus Goal IV - STAFF NEEDS

Attract and retain diverse, knowledgeable, dedicated employees who are skilled and supported in their commitment to provide quality education for our students.

Board Focus Goal VI – CULTURE OF EXCELLENCE

Create and promote programs that support, reward and incentivize employees to perform at exceptional levels for the benefit of our students.

RECOMMENDATION:

District staff recommends the Board of Trustees approve the 2018-19 retirement incentive for Non-Management Classified/Confidential Employees of the Rescue Union School District.

Rescue Union School District

Classified (Non-Management) Retirement Incentive

2018-19 School Year

Qualifications for Incentive

- Active Rescue Union School District (RUSD) employee as of board approval date* of incentive offer
- Permanent represented or confidential classified employee (Non-Management)
- At least ten (10) years of full-time equivalent service in RUSD as of 6/30/19
- Age fifty (55) or older by 6/30/19
- Acceptance of retiree incentive assumes participant will enter into PERS. If participant chooses not to retire with pension system, they may not be re-employed with RUSD at any time in the future and may only short term-substitute in RUSD
- Interested parties must sign irrevocable retirement letter by April 1 stating retirement from district no later than 6/30/2019
- Letter of resignation is irrevocable if there are 10 participants, or at the Board's discretion at the April Board Meeting they approve the incentive with less than 10 applicants due to a savings being generated by makeup of participants
- If Board does not approve incentive at April 9 board meeting all letters of resignation are revocable

** RUSD Board may approve the incentive on February 12 with the requirement that 10 applicants accept. Please note that if there are less than 10 retirements received, the incentive would be voided. However, the Board may take action at the April 9 board meeting to approve the incentive for less than 10 applicants, if the incentive can show a savings to the District, which would change the approval date.*

Assumptions for Incentive

- District has averaged four retirees per year over the last five years (assumes first four retirees with no savings and highest cost to district)
- Assumes six retirees at the lowest savings (worst case scenario)
- Assumes replacement staff on Step B of salary schedule
- Need 10 retirees to recoup sufficient savings (over three years) for incentive to show a cost savings
- 28 employees qualify for incentive as of 06/30/2019

Incentive Payout

- All qualified retirees receive \$5k
- Plus \$500 for each full year (1.0 FTE) of paid service in RUSD, less than 1.0 will be prorated and rounded ($<.50 = 0$) to the nearest whole year. (*Example is employee is .50 FTE for 20 years - $0.5 \text{ FTE} \times 20 \text{ Years} = 10 \text{ FTE} \times \$1,000 = \$10,000$)*)
- Plus \$175 for each year up to age 65 (*example if age is 56 as of 6/30/19, employee will receive $9 \text{ years} \times \$175 = \$1,575$*)
- Retiree incentive payout ranges from \$10,675 to \$18,700
- Payout will be by prior to end of the fiscal year
- Incentive is not STRS/PERS creditable
- Employees must open a 403(b) or 457 plan that accepts employer directed contributions
- Funds are to be deposited in the tax deferred account

Estimated Timeline/Other Details (Dates may change)

- All employees who qualified must sign an incentive sheet confirming/declining participation
- February 12th - Board takes action to approve offer of incentive
- February to April 1 – Interested participants meet with financial advisor, CalPERS, other parties to determine ability to accept incentive
- April 1 at 3:00 PM – Those wishing to participate in incentive sign irrevocable letter of interest and submit to the District Office. If district receives 10 participants or more, incentive is official.
- April 9th – If less than 10 participants for incentive, Board may takes action to accept/approve incentive. If plan is not approved, resignation letters are revocable.
- April – Participants setup 403/457 employer contribution plans
- May – Incentive is paid out to participant's 403b/457 plans

Rescue Union School District

AGENDA ITEM: **Openers for 2019-2020 CSEA Negotiations**

BACKGROUND:

At the January 22, 2019 Regular Board meeting, the Board of Trustees set February 12, 2019 to conduct the required public comment on negotiations re-openers with CSEA bargaining unit. The following topics will be discussed during the upcoming sessions..

STATUS:

The CSEA bargaining unit has presented the District with the following topics to be discussed in the negotiations for 2019-2020:

- | | |
|-------------|-----------------------------------------|
| -Article 2 | Employee/Organizational/District Rights |
| -Article 15 | Health Benefits |
| -Article 16 | Salary |

FISCAL IMPACT:

Unknown at this time.

BOARD GOAL:

Board Focus Goal II – FISCAL ACCOUNTABILITY

Keep the district fiscally solvent through prudent LCAP aligned budget processes in order to meet the needs of our students.

Board Focus Goal IV - STAFF NEEDS

Attract and retain diverse, knowledgeable, dedicated employees who are skilled and supported in their commitment to provide quality education for our students.

Board Focus Goal VI – CULTURE OF EXCELLENCE

Create and promote programs that support, reward and incentivize employees to perform at exceptional levels for the benefit of our students.

RECOMMENDATION:

Board president open the public hearing, receive comments from the public, close the hearing.

RESCUE UNION SCHOOL DISTRICT

AGENDA ITEM: Job Description and Salary Schedule: Occupational Therapist (OT)

BACKGROUND:

Since 2016-17, OT contracted service has increased over 50%, and it is anticipated to continue to increase due to limited options for service and increasing need of students. Rescue USD currently contracts with two outside agencies for occupational therapist service, which is budgeted to exceed \$200,000 for the 2018-19 school year.

To help control cost, and provide a broader level of service and support, the creation of an occupational therapist position has been presented. This position along with a support staff position (Certified Occupational Therapist Assistant - COTA) would allow the District to eliminate the need for contracting out for the majority of OT service.

There is minimal ability to expand services, provide training to staff, and work as a collaborative special education team with the current OT contracted staff unless the District wishes to pay more; however, by having OT professionals that are District employees all of these activities can occur and the cost would be the same.

STATUS:

This position will be under the Classified Management group and salary schedule due to the need to directly supervise the COTA position and direct the District's OT services. The COTA position will be presented to the board for approval once the job description and salary schedule are determined and negotiated with CSEA.

The Board will consider approval of the job description and revised classified management salary schedule for the Occupational Therapist

FISCAL IMPACT:

It is projected that the costs related to the occupational therapist position will be cost neutral and possibly create a savings from the elimination of the outside contract for service.

BOARD GOAL:

Board Focus Goal I - STUDENT NEEDS

- A. Student Safety and Well Being: Enhance and encourage social, emotional, ethical and civic learning by providing a safe, supportive and diverse environment.
- B. Curriculum and Instruction: Provide a meaningful, innovative learning environment using Common Core, and other student content standards and research-based, progressive, effective

instructional methodology, instructional materials, staff development and technology that will ensure student success in career and college.

Board Focus Goal II – FISCAL ACCOUNTABILITY

Keep the district fiscally solvent through prudent LCAP aligned budget processes in order to meet the needs of our students.

Board Focus Goal IV – STAFF NEEDS:

Attract, retain and support diverse staff of knowledgeable, skilled dedicated employees committed to providing and supporting quality education.

RECOMMENDATION:

The District Staff recommends that the Board of Trustees approve the job description and revised classified management salary schedule for the Occupational Therapist position.

RESCUE UNION SCHOOL DISTRICT

JOB TITLE: OCCUPATIONAL THERAPIST

CLASSIFICATION: Classified Management

SUPERVISOR: Director, Student Support Services

BASIC FUNCTION: The Occupational Therapist will participate as a member of the educational team to assess student performance in areas of disability; develop assessment reports; identify student abilities within educational, developmental or functional parameters; develop goals and objective for consideration in the IEP meeting; develop individual occupational therapy intervention plans based on educational needs; maintain appropriate documentation and reports; and provide staff development training and consultative support to education personnel.

REPRESENTATIVE DUTIES:

- Provide occupational therapy services to special needs students enrolled in the educational programs of the Rescue Union School District
- Evaluate student performance in a variety of areas including fine motor tasks, sensory impairments, perceptual motor skills, self-care, posture and movement, and need for adaptive equipment using a variety of evaluation and assessment procedures and methods, including standardized and/or criterion-referenced measures, interviews, questionnaires and rating scales, skilled clinical observations, and review of records
- Write assessment reports identifying the students' needs and proposed treatment strategies
- Write individual student goals and objectives as part of the IEP plan, monitors student response to intervention, modifies strategies as indicated to attain goals, and maintains progress records.
- Participate in IEP meetings
- Identify, evaluate and design adaptive equipment to assist students in self-care and academic activities. Orders specialized equipment for student use, as appropriate
- Monitor therapy programs and educational staff trained to incorporate appropriate occupational therapy treatment strategies into the educational program
- Assist in developing transition plans for students moving to other environments and recommends termination of service when benefit has been achieved
- Responsible for case management for student as it pertains to occupational therapy; maintain appropriate student assessment, evaluation, and education records
- Provide in-service and training, for school district personnel and parents on the role of occupational therapy as an educational service, sensory-motor development as related to learning, identification of sensory-motor deficits, and remediation strategies
- Administer the occupational therapy program as needed in terms of budget recommendations, space and equipment recommendations, staffing recommendations, occupational therapy program development and evaluation, and supervision/direction of any support staff or others (i.e., student interns, certified occupational therapy assistants) assigned to the occupational therapy program
- Act as a liaison between students, families, school personnel, and community agencies
- Complete and submit a variety of forms, evaluations, and program reports

- Maintain an in-depth knowledge of the laws and policies governing Special Education and Early Intervention in California that pertains to the delivery of occupational therapy services
- Attend program-related meetings, trainings, and workshops
- Other related duties as assigned

EDUCATION AND EXPERIENCE: Bachelor's degree in Occupational Therapy from an accredited institution and certification as an Occupational Therapist registered by the American Occupational Therapy Certification Board. One year supervised experience providing occupational therapy services including the construction and use of assistive devices, special toys, and equipment.

KNOWLEDGE AND ABILITIES:

KNOWLEDGE OF:

- Principles and methods of occupation therapeutic techniques
- Theory of physical and mental rehabilitation underlying the practices of occupational therapy
- Objectives of occupational therapy treatment and services
- Skeletal anatomy
- Neuromuscular function or dysfunction
- Kinesiology and occupational therapy modalities
- Principles of consultation, training, and supervision

ABILITY TO:

- Identify and analyze areas of developmental and sensory motor dysfunction
- Develop and implement appropriate treatment plans
- Consult with classroom staff regarding motor, sensory, perceptual, and self-care programs
- Communicate effectively in oral and written form with students, staff, parents, and other agencies regarding technical information
- Establish and maintain cooperative and effective working relationships with others
- Work independently

WORKING CONDITIONS:

ENVIRONMENT: Indoor work environment

PHYSICAL ABILITIES: Sit for extended periods of time; see and read a computer screen and printed matter with or without vision aids; hear and understand speech at normal levels; stand, walk, and bend over; reach overhead; grasp, push, pull, and move, lift and/or carry up to 25 pounds to waist height; operate a vehicle in the course of carrying out assigned duties

LICENSES AND REQUIREMENTS:

- A valid California driver's license and evidence of insurability
- Department of Justice clearance
- TB test clearance

Board Approved:

RESCUE UNION SCHOOL DISTRICT

**AGENDA ITEM: Resolution No: 19-02
Local Teaching Assignments Credential Authorization**

BACKGROUND:

Education Code Sections 44256(b) and 44258.2 allow, by resolution of the Governing Board, the holder of a Multiple Subject/ Standard Teaching Credential (44256(b)) or Single Subject Teaching Credential (44258.2) to teach, with his or her consent, any subject in departmentalized classes below grade 9 if the teacher has completed 12 semester units, or 6 upper division or graduate semester units, in the subject to be taught.

STATUS:

In order to accommodate the needs of the schools, the administration has selected the best-qualified teachers to teach in the following subject areas. Each teacher's college transcripts have been evaluated for this authorization to be valid.

Pleasant Grove Middle School

Name	Credential	Subject	Verification Units
Warren, Katrina	Multiple Subject	Math	Math

FISCAL IMPACT:

N/A

BOARD GOAL:

Board Focus Goal III – STAFF NEEDS:

Attract and retain diverse, knowledgeable, dedicated employees who are skilled and supported in their commitment to providing quality education for our students.

RECOMMENDATION:

The Superintendent recommends the Board approve Resolution No.19-02: Local Teaching Assignments Credential Authorization.

RESCUE UNION SCHOOL DISTRICT
Resolution No. 19-02

LOCAL TEACHING ASSIGNMENTS CREDENTIAL AUTHORIZATION

WHEREAS, the Governing Board of the Rescue Union School District recognizes its responsibility to provide adequate teaching staff to meet the educational needs of its middle school and elementary students; and

WHEREAS, the Board has considered the qualified applicants for teaching positions at all schools in the Rescue Union School District and has determined the need for the limited teaching authorizations hereinafter stated;

NOW, THEREFORE, BE IT RESOLVED that the Governing Board of the Rescue Union School District authorizes and approves the following teaching assignments in accordance with the regulations adopted by the California Commission on Teacher Credentialing, the applicable provisions of the California Education Code Sections 44256(b) and 44258.2:

EDUCATION CODE SECTIONS 44256(b) and 44258.2 allow, by resolution of the Governing Board, the holder of a Multiple Subject/Standard Elementary Teaching Credential (44256(b)) or Single Subject Teaching Credential (44258.2) to teach, with his or her consent, any subject in departmentalized classes below grade 9 if the teacher has completed 12 semester units, or 6 upper division or graduate semester units, in the subject to be taught. The following teachers have met these criteria:

RESCUE UNION SCHOOL DISTRICT

AGENDA ITEM: California Healthy Kids Survey Results

BACKGROUND:

The CalSCHLS system, which includes the California Healthy Kids Survey (CHKS), is the largest statewide survey of resiliency, protective factors, risk behaviors, and school climate in the nation. Across California the CHKS has led to a better understanding of the relationships between students' health behaviors and academic performance. The information gathered from this survey, along with additional climate measures, is incorporated into the Local Control and Accountability Plan regarding school climate and engagement.

The CalSCHLS system was created by the California Department of Education (CDE) in 1997 to efficiently and cost-effectively provide school districts and their partner communities with quality local data which can be used to improve student academic performance and social-emotional, behavioral and physical health of all youth. It assess key indicators linked to success in school and career, and life. The majority of district in California now use CalSCHLS data as Local Control and Accountability Plan (LCAP) indicators.

STATUS:

The Board will receive information regarding Rescue Union School District's results for the California Healthy Kids Survey administered to 5th and 7th grade students. The CHKS core module provides data on nearly all domains of school climate including:

- Perceived school safety
- Violence
- Bullying
- Caring adult relationships
- High expectations
- Opportunities for meaningful participation
- Substance abuse

FISCAL IMPACT:

N/A

BOARD GOAL(S):

Board Focus Goal I - STUDENT NEEDS

- A. Student Safety and Well Being: Enhance and encourage social, emotional, ethical and civic learning by providing a safe supportive and diverse environment.
- B. Curriculum and Instruction: Provide a meaningful, innovative learning environment using Common Core, and other student content standards and research-based, progressive, effective instructional methodology, instructional materials, staff development and technology that will ensure student success in career and college.

RECOMMENDATION:

Information and discussion only.

California Healthy Kids Survey

Presentation of Results

2018-2019

California Healthy Kids Survey (CHKS)

THE SURVEY

The California Department of Education (CDE) has funded the CHKS since 1997 to provide data to assist schools in: (1) fostering safe and supportive school climates, social-emotional competencies, and engagement in learning; (2) preventing youth health-risk behaviors and other barriers to academic achievement; and (3) promoting positive youth development, resilience, and well-being.

California Healthy Kids Survey

THE STUDENTS

Each year, Rescue Union Students in grades 5 and 7 participate in the California Healthy Kids Survey. Students in 5th grade require active consent, while students in 7th grade require passive consent.

California Healthy Kids Survey

THE IMPACT

In order to improve school climate and the overall social, emotional, and physical health of our students, the results of the California Healthy Kids Survey are examined alongside other data including:

- Parent LCAP survey results
- Student listening circle feedback
- Reports from teachers, classified employees, and administrators
- Previous CHKS results
- Discipline referrals and suspension rates
- Behavioral observations
- Attendance rates

What's next?

CHKS results for each individual school will be shared with site administrators.

Site leadership teams, School Site Councils, Safety Teams, Student Councils, and other groups will be planning ways to strategically improve school climate, perceptions of safety, and overall student health and well-being.

Additionally, measures have been put into place to improve school climate, such as:

- Increased counseling services
- PBIS Teams at every site
- Training for all employees on Trauma Informed Practices

What's next?

- Behaviorists supports provided by a licensed behaviorist
- Planned additional behavioral supports from a team of four independence facilitators (IFs).
- Additional training for counselors, psychologists and IFs.
- Site based climate boosting programs such as CORE 3, Where Everybody Belongs (WEB), Student Council Welcome Committees, Impact Leadership and Service Teams, Buddy Classes, etc.

RESCUE UNION SCHOOL DISTRICT

AGENDA ITEM: Low Performing Student Block Grant (LPSBG) Budget Proposal 2018-2021

BACKGROUND:

The Low Performing Student Block Grant (LPSBG) provides funds for local educational agencies (LEAs) serving students identified as low-performing on state English language arts or mathematics assessments, who are not otherwise identified for supplemental grant funding under the Local Control Funding Formula (LCFF), or eligible for special education services.

As a condition of receiving (LPSBG) funds, a school district is required to develop and adopt a plan delineating how the LPSBG funds will be spent. The plan must be approved in a public meeting of the governing board of the school district prior to March 1, 2019.

STATUS:

A three year budget plan has been developed to support students identified as low-performing on state English language arts or mathematics assessments, who are not otherwise identified for supplemental grant funding under the Local Control Funding Formula. Projected revenues (\$292,448) are based on 148 qualifying students at \$1,976.00 per student. Identified needs targeted in the plan include:

- Supports to address social-emotional challenges
- Professional development for teachers, administrators, and support staff, including Guided Language Acquisition Design (GLAD) training and Differentiated Instruction.
- Professional development supports for new teachers participating in the Teacher Induction Program.

FISCAL IMPACT:

Increase of \$292,448 to the District's budget.

BOARD GOAL(S):

Board Focus Goal I – STUDENT NEEDS:

- B. Curriculum and Instruction: Provide a meaningful, innovative learning environment using Common Core, and other student content standards and researched-based, progressive, effective instructional methodology, instructional materials, staff development and technology that will ensure student success in career and college.

Board Focus Goal IV – STAFF NEEDS:

Attract and retain diverse, knowledgeable, dedicated employees who are skilled and supported in their commitment to provide quality education for our students.

Board Focus Goal VI – CULTURE OF EXCELLENCE:

Create and promote practices that support, reward and incentivize employees to perform at exceptional levels for the benefit of our students.

RECOMMENDATION:

Recommended for approval

Low Performing Students Block Grant (LPSBG) Plan

LEA Name: Rescue Union Elementary School District Board Adoption Date: February 12, 2019

Background

The Low Performing Students Block Grant (LPSBG) provides funds for local educational agencies (LEAs) serving students identified as low-performing on state English language arts or mathematics assessments, who are not otherwise identified for supplemental grant funding under the Local Control Funding Formula (LCFF) or eligible for special education services.

These funds are designated to address the persistent achievement gap in California's public schools and to provide resources and evidence-based practices to initiate and sustain authentic, systemic change.

Describe how the funds will increase or improve evidence-based services for the pupils identified in EC Section 41570 (d) to accelerate increases in academic achievement.

Professional development activities for certificated staff: LPSBG funds will be used to provide training to teachers in instructional approaches such as Guided Language Acquisition Design (GLAD) and differentiated instruction. Ensuring that all teachers are well trained and able to provide the most effective first instruction will improve the performance for low performing students who are non-eligible for supplemental funding through the LCFF and who do not receive special education support.

Additionally, targeted professional development will be provided to our beginning teachers through the Teacher Induction Program (TIP). This will ensure that all teachers are well prepared to meet the needs of all students, especially those who are academically low-performing. Research shows that most students achieve higher scores and gains on academic achievement tests when their teachers have participated in an induction program (Ingersoll, 2012). In fact, students in classrooms where the teacher participates in Beginning Teacher Induction Programs achieve results on par with much more experienced teachers (Fletcher et al, 2008).

Instructional materials: LPSBG funds will be used to provide curriculum and materials to improve the Social Emotional Learning (SEL) of students who are not eligible for LCFF funded supplemental supports or special education services.

Additional supports for pupils: LPSBG funds will be used to hire and train classified support personnel to assist students, especially those who are not eligible for LCFF funded supplemental supports or special education services, in developing the Social Emotional

Learning (SEL) necessary to find academic success in our schools. Research has shown a strong correlation between SEL and academics. One meta-analysis study suggests that students receiving SEL support demonstrated an 11 percentile-point gain in achievement compared to those students who did not participate in an SEL program (Durlak, Weissberg, Dymnicki, Taylor, and Schellinger, 2011). The classified support personnel will provide SEL lessons and teach students various strategies and techniques for regulating their emotions. They will also be available to help hyper or hypo aroused students, “reset” and re-engage with the learning that is occurring in the classroom.

Describe how the effectiveness of services will be measured. With the ultimate goal of increasing academic achievement of low performing students who are not eligible for LCFF supplemental support or special education services, we will use the Smarter Balanced Interim and Summative Assessments to measure the effectiveness of our services. Additionally, we will use locally defined benchmark assessments to monitor the academic performance of students and the California Healthy Kids Survey (CHKS) and LCAP Parent Advisory Survey to assess students’ SEL progress.

Describe how the services align with and are described in the school district's Local Control Accountability Plan (LCAP). Our District LCAP prioritizes educational services that lead to academic success for all students. This includes professional development related to instruction as well as social emotional supports that are necessary to ensure that each child reaches his or her fullest potential. Specifically, the Guided Language Acquisition Design (GLAD) and differentiated instruction professional development described above aligns with Goal 7, Action 1 of the LCAP. The classified Social Emotional Learning support aligns with Goal 1, Action 3 and Goal 8, Actions 1 and 2.

The LCAP Goal and Action language are listed below for reference:

Goal 7 The District will provide quality educational services to maximize academic achievement for all individual students and student groups.

- Action 1 Professional development opportunities will be provided for teachers to ensure quality educational opportunities for students
- Action 3 Classified Instructional Staff (Gen Ed aides, SPED aides, library media coordinators) will support students at all sites.

Goal 8 The District will provide safe, clean, student-centered learning environments that are responsive to the social emotional needs of all children and families.

- Action 1 The District will support Social Emotional Learning (SEL) including anti-bullying, character education, PBIS, Trauma Informed Practice, and restorative justice programs at each school site.
- Action 2 The District will provide personnel to ensure safe learning environments that meet the social emotional needs of all students. These positions include counselors, yard duty supervisors, custodians, Maintenance and Operations staff, nurses, health aides, psychologists, and facilitators of trauma support groups.

Low Performing Students Block Grant (LPSBG) Plan

Budget and Planned Activities

Projected revenues are based on 148 qualifying students at \$1,976.00 per student.

Total Projected Revenue:	\$292,448
Total Projected Indirect Costs:	\$ 10,587
Total Available Funds:	\$281,861
Total Budgeted Expenses:	\$297,100
Total Contribution from other sources:	\$ 25,739 (Source not determined at this time)

Identified Needs:

- Students are presenting social emotional challenges that are impeding learning. Additional support personnel would benefit all students. (Classified Support)
- As of the 2018-2019 school year, fifteen teachers are still needing Guided Language Acquisition Design (GLAD) training
- Teachers would benefit from additional training on differentiation and Universal Design for Learning

Actions/Expenditures

Action 1

Planned Activity: RUSD will hire four 6-hour classified paraeducators to provide SEL support and instruction for students with social emotional needs. Services may include trauma informed practices, de-escalation strategies, mindfulness, etc.

District administration, psychologists, and counselors will provide training to ensure that these paraeducators have the requisite skills necessary to intervene appropriately and effectively.

SEL responsive services will directly benefit the students exhibiting social emotional concerns and indirectly benefit all students as classrooms are more regulated and conducive to instruction and learning.

Projected Expenditures: - \$222,600

Object Code	Action	Expense
1000	Extra duty compensation for psychologists and counselors to develop training modules for Classified Social Emotional Response Team (Budget estimated using 15 hours of extra duty @\$40 per hour)	\$600
2000	Salary for 4 paraeducators @ 6 hours for 193 days (Budget estimated using \$17/hr) - 2019-2020	\$79,000
	Salary for 4 paraeducators @ 6 hours for 193 days (Budget estimated using \$18/hr) - 2020-2021	\$83,500
3000	Benefits for certificated (21%) and classified staff (27%)	\$44,000
4000	SEL curriculum and materials	\$5,500
5000	Training opportunities for Psychologists, Counselors, Administrators, and Paraeducators	\$10,000

Action 2

Planned Activity: RUSD will provide training and release time for any teachers still needing to attend Guided Language Acquisition Design (GLAD).

Projected Expenditures: - \$60,500

Object Code	Action	Expense
1000	Substitutes to release teachers for GLAD training (Budget assumes 15 teachers to be released for 7 days each @ \$170 per day)	\$18,000
	Substitutes to release coaches for Jenny Maguire Math Training (10 total [2 per elementary site] for 4 Days)	\$6800
2000		
3000	Benefits related to 1xxx (21%)	\$4,000

4000		
5000	Registration for 15 teachers to participate in GLAD training @ \$1,850 each.	\$28,000
	Consultant Expenses with Jenny Maguire f 4 days @ \$925 day	\$3,700

Action 3

Planned Activity: RUSD will provide support to new teachers through the Teacher Induction Process (TIP) to ensure that they have the skills necessary to meet the needs of all students, especially those who are underperforming academically.

Projected Expenditures: - \$24,500

Object Code	Action	Expense
1000	Teacher Induction Participating Mentor Teacher Stipends (7) @ \$2,600 (2019-2020)	\$18,200
	28 half days of release time (2 per beginning teacher and 2 per mentor) for TIP Teachers and mentors (2019-2020)	\$2,000
2000		
3000	Benefits related to 1xxx (21%)	\$4,300
4000		
5000		

RESCUE UNION SCHOOL DISTRICT

AGENDA ITEM: School Calendars for 2019-2020 and 2020-2021

BACKGROUND:

During the 2018-2019 school year, the District Calendar Committee (including parents, classified staff, confidential employees, teachers, and management) met to develop the school calendars for 2019-20 and 2020-2021. The committee analyzed the impact of scheduled breaks on ADA prior to making this formal recommendation. The recommended calendar for 2019-2020 has been approved by RUFT and CSEA. Additionally, the calendar for 2020-2021 has been tentatively approved by RUFT and CSEA, pending the El Dorado Union High School District's adoption of the draft we reviewed.

STATUS:

Annually, a District Calendar Committee is convened to discuss calendar options. A teacher, a classified representative, and a parent from each site were recommended to be on the District committee and confidential staff also participated. Under the guidance of the Assistant Superintendent of Curriculum and Instruction, the committee has prepared a recommended calendar for 2019--2020. RUFT and CSEA have ratified the recommended calendar. Additionally, the calendar for 2020-2021 has been tentatively approved by RUFT and CSEA, pending the El Dorado Union High School District's adoption of the draft we reviewed.

FISCAL IMPACT:

NA

BOARD GOAL(S):

Board Focus Goal I – STUDENT NEEDS

- A. Student Safety and Well Being: Enhance and encourage social, emotional, ethical and civic learning by providing a safe, supportive and diverse environment
- B. Curriculum and Instruction: Provide a meaningful, innovative learning environment using Common Core and other student content standards and researched-based, progressive, effective instructional methodology, instructional materials, staff development and technology that will ensure student success in career and college.

Board Focus Goal III – COMMUNICATION/COMMUNITY INVOLVEMENT:

Establish and maintain consistent and effective communication that is transparent and timely in an effort to provide and receive information that will engage and educate our District community.

RECOMMENDATION:

The District recommends that the RUSD Board of Trustees approve the 2019-2020 and 2020-2021 school year calendars. In the event that the El Dorado Union High School District does not adopt the draft our team reviewed, the Calendar Committee would reconvene and bring forward a revised 2020-2021 school calendar.

Rescue Union School District

AGENDA ITEM: School Plans for Student Achievement

BACKGROUND:

Under California Education Code (EC) Section 64001(a), each school is required to prepare a school plan, which describes programs and expenditures in alignment with the Local Control Accountability Plan. The School Plan for Student Achievement (SPSA) shall be developed based on analysis of verifiable state data upon which school goals are formed. Furthermore, the plans shall address, at a minimum, how funds provided to the school will be used to improve the academic performance of all students.

STATUS:

Each School Site Council has developed and approved a School Plan for Student Achievement based on individual and specific site needs identified using assessment data from multiple sources, including Smarter Balanced Summative Data, ELPAC Scores, Lexile Measures, DIBELS, the California Healthy Kids Survey, and other locally defined metrics. The SPSAs address the academic achievement of all students and is aligned with the goals and actions contained in the Local Control Accountability Plan (LCAP).

FISCAL IMPACT:

Education Code section 64001 specifies that schools and districts that receive state and federal funding through the Consolidated Application and Reporting System (CARS) consolidate all school plans into the School Plan for Student Achievement.

BOARD GOAL:

Board Focus Goal I – STUDENT NEEDS

- A. Student Safety and Well Being: Enhance and encourage social, emotional, ethical and civic learning by providing a safe, supportive and diverse environment
- B. Curriculum and Instruction: Provide a meaningful, innovative learning environment using Common Core and other student content standards and researched-based, progressive, effective instructional methodology, instructional materials, staff development and technology that will ensure student success in career and college.

RECOMMENDATION:

School Plans for Student Achievement from Green Valley, Jackson, Lake Forest and Lakeview are presented to the Board of Trustees for first reading and possible consideration for action.

School Year: **2018-19**

School Plan for Student Achievement (SPSA) Template

The School Plan for Student Achievement (SPSA) is meant to consolidate all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), pursuant to the California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA).

The purpose of the SPSA is to increase the overall effectiveness of the school program by crafting a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement.

The School Site Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications in the plan to reflect changing needs and priorities, as applicable, pursuant to EC 52853(b) and 52855.

California's ESSA State Plan significantly shifts the state's approach to the utilization of federal resources in support of underserved student groups. The SPSA provides schools with the opportunity to document their approach to maximizing the impact of federal investments in support of underserved students.

The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement.

School Name	Green Valley Elementary School
Address	2380 Bass Lake Rd. Rescue, CA 95672
County-District-School (CDS) Code	09619786098693
Principal	Michelle Winberg
District Name	Rescue Union Elementary School District
SPSA Revision Date	December 2018
Schoolsite Council (SSC) Approval Date	
Local Board Approval Date	

In the pages that follow, please describe the school's plan for making the best use of federal ESEA resources in alignment with other federal, state, and local programs.

School Vision and Mission

At Green Valley School, our students come first. We remain dedicated to the idea that within each child lies a true passion for learning and the ability to develop the academic and social competencies needed for a highly successful future. It is our mission to provide a safe, positive academic environment in which all students will flourish. We want to challenge each student to maximize their learning potential, while guiding them to build connections with one another and our community. We work to enhance and encourage learning by providing a supportive, student-centered environment that emphasizes diversity and global awareness.

School Profile

Green Valley School is located in the beautiful foothills on the western slope of the Sierra Nevada Mountains in Rescue, CA. We opened our doors in 1978 and continue to provide a safe, clean and well-maintained facility for our 402 students in Transitional Kindergarten through 5th grade. We offer a balanced, rigorous instructional program which includes academic challenge as well as intervention. Beginning with the 2017-18 school year, we offer a full day kindergarten program. Green Valley was recognized as a Gold Ribbon School in 2016.

We employ 18 classroom teachers, one full time Special Education teacher and one part time Special Education teacher, two Title I Bilingual Para-educators, a part time Title I Reading Teacher and one part time PE Prep Teacher. We offer band classes to students in grades 4 and 5. Our teachers are highly qualified and dedicated to holding both our students and themselves to high standards. Our support staff includes our principal, two secretaries, a school counselor, librarian, Health Aide, two and a half custodians, 13 para-educators and six yard supervisors. We receive district staffing support for the following positions: Music Teacher, School Nurse and District Psychologist. We offer a 24:1 teacher to student ratio in our classrooms. A speech and language specialist is provided by the El Dorado County Office of Education. Green Valley School also houses a Charter Extended Day program and a State Pre-School from the El Dorado County Office of Education.

Our district-adopted curricular materials include Benchmark Reading, GO Math, Step-Up to Writing, Scott Foresman Science and Social Studies, Handwriting Without Tears (K-2), and D'Nealian Handwriting (3-5). ELA instruction is supplemented with SIPPS, Read Live (Naturally), Reading Counts, core literature and Sonday. Math instruction is supplemented with ST Math, Reflex Math and Timed Math. Science instruction is supplemented with Stemsopes and Mystery Science. Academic differentiation is provided through a variety of methods. Strategic and intensive intervention and leveled grouping is provided during our results-driven Intervention Program, which runs 26 weeks out of the school year. During Intervention time, the Learning Center is also used to support students with intervention needs. Teachers continue to receive staff development and collaboration time to work on Content Standards. Fifteen of our eighteen teachers have been certified in Guided Language Acquisition Development (GLAD) instructional strategies.

Due to Green Valley School's population of socio-economically disadvantaged students, we are a Title I school. As a Title I school, we receive additional funding from the Federal Government. Our cultural demographics include 29.47% Hispanic/Latino, 1.51 Asian, .76% Filipino, 6.30% multi-ethnic, and 61.96% White. 19.5% of our student population are classified as English Learners.

Our students are offered many enrichment opportunities which are supported by fundraisers, school donations and our PTO. We offer competitive sports teams for cross country (3-5), volleyball (4-5) and basketball (4-5). Choir is available before school for students (2-5). Dance (TK-5) is offered in the spring, and the Arts Attack program is offered in every class at Green Valley School. Students have the opportunity to audition and perform in a school-wide talent show. Students can also participate in Student Council/IMPACT (4-5). We also participate in the County wide Spelling Bee. Students in grades 4 and 5 also have the opportunity to participate in Oral Interpretation and Nature Bowl. All grade levels attend field trips, which offer rich opportunities for hands-on, standards-based learning.

Green Valley has a fully equipped computer lab with 31 computers to support students in Grades K-2. All Kindergarten through 2nd grade students receive weekly instruction in the lab from their classroom teacher; they also have a set of 6 devices (laptops and/or chromebooks) in their classroom. In addition there is one full class set of Chromebooks for second grade classrooms to share. Grades 3-5 are equipped with a class set of Chromebooks so each student is assigned a device for use in the classroom. All classrooms have projectors and document cameras. Nine classrooms have Smart Boards. Our District Technology TOSA's offer support to all teachers TK-5 to enhance the use of technology in the classroom. Our library is equipped with a big screen TV. Internet based instructional programs, such as Read Live, ST Math, Reflex Math and Star Fall More, provide a balance for supplemental instructional support.

The SST (Student Success Team) approach is utilized at Green Valley to provide assistance for students who are needing academic, emotional or behavioral assistance. The team consists of the parents, classroom teacher, resource specialist, school psychologist, school counselor and school administrator. When needed, the school nurse and speech teacher are available to join in the meetings. Green Valley School values the input of our parents and community and the SST process is just one example of how we work together for the mutual benefit of the child. We work together with our parent community to provide outstanding educational opportunities for our students. Students are also recognized for accomplishments at awards assemblies throughout the school year.

The 2018-2019 school year is Green Valley Elementary's 40th anniversary. In celebrating this milestone, our theme is "40 years of Excellence". We have woven the theme of excellence into everything we do for both academics and citizenship. At Green Valley, we have a positive, proactive philosophy. We are in our second year of implementing PBIS (Positive Behavior Interventions and Supports) at Green Valley. PBIS is an evidence-based approach for developing positive behavior in students and a positive climate for learning. Students are taught and practice "The Gator Way" which is to Be Respectful, Be Responsible and Be Safe. We have student videos that demonstrate "The Gator Way" in all areas of our school (ie: lunchroom, library, office, field etc.) Students are explicitly taught the expectations for all areas of the school. Students earn Gator Way Tickets for positive behavior. Tickets are entered into a weekly drawing for our Wheel Spin as well as used to purchase rewards from their classroom store. Teaching behavior expectations and rewarding students for following them is a more positive approach than waiting for misbehavior to occur before responding. PBIS establishes a climate in which appropriate behavior is the norm. Our school counselor teaches guidance lessons to all classes using the Second Step curriculum. Lessons are grade level specific and focus on body language, social skills and cues, communication skills, building friendships and self esteem. Character traits are featured each month and students from each grade level are honored during awards assemblies for demonstrating strong citizenship.

Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

The Green Valley School Site Council was the primary group consulted for the planning and preparation of the Single Plan of Student Achievement. Green Valley staff provided analysis towards the development and progress of school goals. This consultation is done throughout the school year during scheduled council meetings and during site collaboration times.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Student		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
American Indian	0.0%	0.0%	0%	0	0	0
African American	0.2%	1.6%	0.24%	1	7	1
Asian	1.2%	1.6%	1.91%	5	7	8
Filipino	0.9%	1.4%	0.48%	4	6	2
Hispanic/Latino	29.4%	29.7%	30.14%	128	132	126
Pacific Islander	0.0%	0.0%	0%	0	0	0
White	64.5%	62.0%	61.72%	281	276	258
Multiple/No Response	3.9%	0.0%	0%	17	0	0
Total Enrollment				436	445	418

Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	2015-16	2016-17	2017-18
Kindergarten		86	80
Grade 1		65	65
Grade 2		75	63
Grade 3		66	78
Grade 4		70	63
Grade 5		83	69
Grade 6			0
Grade 7			0
Grade 8			0
Grade 9			0
Grade 10			0
Grade 11			0
Grade 12			0
Total Enrollment		445	418

Conclusions based on this data:

1. We are currently in declining enrollment. We have fewer Kindergarten students entering than the number of fifth grade students exiting.

2. Our English Learner population is increasing.
3. Our two largest subgroups are White and Hispanic/Latino

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
English Learners	64	79	76	14.7%	17.8%	18.0%
Fluent English Proficient	2	0	2	2.94%	0.0%	2.44%
Reclassified Fluent English Proficient	2	0	4	2.94%	0.0%	4.88%

Conclusions based on this data:

1. The increase in the number of students who were reclassified is one way to measure the success of the EL supports we have in place.

Grade 3	30	21.54	36.84	56	55.38	55.26	14	23.08	7.89
Grade 4	25	23.19	38.33	61	66.67	58.33	14	10.14	3.33
Grade 5	26	22.89	30.43	56	61.45	53.62	18	15.66	15.94
All Grades	27	22.58	35.12	58	61.29	55.61	15	16.13	9.27

Conclusions based on this data:

1. In the area of reading, the percent of students above standard increased by 7.93% and in Research/Inquiry it increased by 12.54%
2. In the area of Writing our scores remained flat indicating a need for additional writing instruction
3. The Overall Achievement increased by 8.15%

All Grades	23	21.66	26.47	51	57.60	57.35	26	20.74	16.18

Conclusions based on this data:

1. The Overall Achievement shows the percentage of students who did Not Meet Standard decreased by 3.5% and the number of students meeting the standard increased by 4.18%
2. One of the largest gains lies in the area of Problem Solving and Modeling/Data Analysis. The percent below standard decreased by 5.8% and students at or near standard increased 3.76% and those above standard increased 2.04%
3. We have a large percentage of students (27.45%) who are at nearly met standard and 15.20 % who did not meet standard. Math Intervention is needed as those two categories total 49.77% of students not meeting the standards.

All Grades	23	32.86	45	64.29	*	*	70

Conclusions based on this data:

1. During 2018 there were 70 students who were administered the ELPAC.
2. 55 students scored at Level 3 or 4 for Overall Language.
3. Written Language was the lowest area for all grade levels.

School and Student Performance Data

Student Population

This section provides information about the school's student population.

2017-18 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
418	40.4%	17.2%	1.2%

This is the total number of students enrolled.

This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.

This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.

This is the percent of students whose well-being is the responsibility of a court.

2017-18 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	72	17.2%
Foster Youth	5	1.2%
Socioeconomically Disadvantaged	169	40.4%
Students with Disabilities	62	14.8%

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	1	0.2%
Asian	8	1.9%
Filipino	2	0.5%
Hispanic	126	30.1%
Two or More Races	23	5.5%
White	258	61.7%

Conclusions based on this data:

1. Students with Disabilities (14.8%), English Learners (17.2%) and Socioeconomically Disadvantaged (40.4) collectively accounted for 72.4% of Green Valley Elementary Enrollment. We will continue to use Title I and Supplemental funds to support these students.
2. Students categorized as White (61.7%) and Hispanic (30.1%) account for 91.8% of Green Valley Elementary Enrollment.

School and Student Performance Data

Overall Performance

2018 Fall Dashboard Overall Performance for All Students

Academic Performance	Academic Engagement	Conditions & Climate
<p>English Language Arts</p>  <p>Blue</p>	<p>Chronic Absenteeism</p>  <p>Yellow</p>	<p>Suspension Rate</p>  <p>Green</p>
<p>Mathematics</p>  <p>Green</p>		
<p>English Learner Progress</p>  <p>No Performance Color</p>		

Conclusions based on this data:

1. Green Valley showed improvement in both English Language Arts and Math on the Smarter Balanced Assessment.
2. The implementation of PBIS appears to have helped decrease the number of suspensions.
3. Green Valley continues to provide support to all families to ensure that all students have good attendance.

School and Student Performance Data

Academic Performance English Language Arts

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2018 Fall Dashboard English Language Arts Performance for All Students/Student Group		
<p>All Students</p>  Blue 25.5 points above standard Increased 20.5 points 198 students	<p>English Learners</p>  No Performance Color 22 points below standard Increased 52.5 points 35 students	<p>Foster Youth</p>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 students
<p>Homeless</p>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 students	<p>Socioeconomically Disadvantaged</p>  Green 4.5 points below standard Increased 22.2 points 80 students	<p>Students with Disabilities</p>  No Performance Color 10.6 points below standard Increased 9.7 points 43 students

2018 Fall Dashboard English Language Arts Performance by Race/Ethnicity

African American	American Indian	Asian	Filipino
 No Performance Color 0 Students	 No Performance Color 0 Students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 3 students	 No Performance Color 0 Students
Hispanic	Two or More Races	Pacific Islander	White
 Green 4.3 points below standard Increased 27.1 points 65 students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 8 students	 No Performance Color 0 Students	 Blue 39.7 points above standard Increased 19.9 points 122 students

This section provides a view of Student Assessment Results and other aspects of this school’s performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2018 Fall Dashboard English Language Arts Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
27.3 points below standard Increased 47.2 points 32 students	Less than 11 Students - Data Not Displayed for Privacy 3 students	35.7 points above standard Increased 18.8 points 163 students

Conclusions based on this data:

- The supports being offered to our English Learners appear to be working as they showed an increase of 47.2 points.
- All of our student groups showed an increase on the Smarter Balanced Assessment in English Language Arts.
- Grades 3-5 continue to utilize the Interim Assessment Blocks and analyze the data received from these assessments as well as classroom assessment data to assess student mastery of standards.

School and Student Performance Data

Academic Performance Mathematics

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2018 Fall Dashboard Mathematics Performance for All Students/Student Group		
<p>All Students</p>  <p>Green</p> <p>6.8 points above standard</p> <p>Increased 8 points</p> <p>197 students</p>	<p>English Learners</p>  <p>No Performance Color</p> <p>27.5 points below standard</p> <p>Increased</p> <p>20.5 points 35 students</p>	<p>Foster Youth</p>  <p>No Performance Color</p> <p>Less than 11 Students - Data Not Displayed for Privacy</p> <p>1 students</p>
<p>Homeless</p>  <p>No Performance Color</p> <p>Less than 11 Students - Data Not Displayed for Privacy</p> <p>1 students</p>	<p>Socioeconomically Disadvantaged</p>  <p>Green</p> <p>11.7 points below standard</p> <p>Increased</p> <p>16 points 80 students</p>	<p>Students with Disabilities</p>  <p>No Performance Color</p> <p>9.1 points below standard</p> <p>Increased 11.3 points</p> <p>43 students</p>

2018 Fall Dashboard Mathematics Performance by Race/Ethnicity

African American	American Indian	Asian	Filipino
 No Performance Color 0 Students	 No Performance Color 0 Students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 3 students	 No Performance Color 0 Students
Hispanic	Two or More Races	Pacific Islander	White
 Green 18.1 points below standard Increased 11.8 points 65 students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 8 students	 No Performance Color 0 Students	 Green 17.7 points above standard Increased 7.8 points 121 students

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2018 Fall Dashboard Mathematics Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
36.2 points below standard Increased 11.7 points 32 students	Less than 11 Students - Data Not Displayed for Privacy 3 students	14.3 points above standard Increased 8.5 points 162 students

Conclusions based on this data:

1. All of our student groups showed an increase on the Math Smarter Balanced Assessment
2. Grades 3-5 continue to administer the Interim Comprehensive Math Assessment as well as classroom assessments. They utilize the data from these assessments to assess student mastery of standards and to provide intervention as needed.

School and Student Performance Data

Academic Performance English Learner Progress

This section provides a view of the percent of students performing at each level on the new English Language Proficiency Assessments for California (ELPAC) assessment. With the transition ELPAC, the 2018 Dashboard is unable to report a performance level (color) for this measure.

2018 Fall Dashboard English Language Proficiency Assessments for California Results				
Number of Students	Level 4 Well Developed	Level 3 Moderately Developed	Level 2 Somewhat Developed	Level 1 Beginning Stage
70	50%	28.6%	15.7%	5.7%

Conclusions based on this data:

1. Our English Learner students continue to make progress in the English Language proficiency.
2. The results of the initial administration of the ELPAC provides us with a good baseline to use in monitoring the progress of our English Learner students.

School and Student Performance Data

Academic Engagement Chronic Absenteeism

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

2018 Fall Dashboard Chronic Absenteeism for All Students/Student Group		
<p>All Students</p>  Yellow 3.4% chronically absent Increased 1.5% 439 students	<p>English Learners</p>  Yellow 2.7% chronically absent Increased 1.5% 73 students	<p>Foster Youth</p>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 7 students
<p>Homeless</p>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 3 students	<p>Socioeconomically Disadvantaged</p>  Orange 6.5% chronically absent Increased 2.2% 186 students	<p>Students with Disabilities</p>  Yellow 4.9% chronically absent Increased 1.3% 81 students

2018 Fall Dashboard Chronic Absenteeism by Race/Ethnicity

African American	American Indian	Asian	Filipino
 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2 students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 0 students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 8 students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2 students
Hispanic	Two or More Races	Pacific Islander	White
 Orange 5.3% chronically absent Increased 2.3% 133 students	 No Performance Color 4.2% chronically absent Declined 0.8% 24 students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 0 students	 Green 1.9% chronically absent Increased 1.2% 270 students

Conclusions based on this data:

1. Green Valley currently has a 3.4% chronic absenteeism rate which is a 1.5% increase from 2017.
2. All students groups showed a slight increase in chronic absenteeism.
3. Green Valley continues to provide support to all our families to ensure that all students have good attendance.

School and Student Performance Data

Conditions & Climate Suspension Rate

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

2018 Fall Dashboard Suspension Rate for All Students/Student Group		
<p>All Students</p>  <p>Green</p> <p>1.3% suspended at least once</p> <p>Declined -1.1%</p> <p>453 students</p>	<p>English Learners</p>  <p>Blue</p> <p>0% suspended at least once</p> <p>Declined -2.4%</p> <p>79 students</p>	<p>Foster Youth</p>  <p>No Performance Color</p> <p>Less than 11 Students - Data Not 10 students</p>
<p>Homeless</p>  <p>No Performance Color</p> <p>Less than 11 Students - Data Not 4 students</p>	<p>Socioeconomically Disadvantaged</p>  <p>Green</p> <p>2.1% suspended at least once</p> <p>Declined -2.5%</p> <p>191 students</p>	<p>Students with Disabilities</p>  <p>Red</p> <p>6.1% suspended at least once</p> <p>Increased 1.4%</p> <p>82 students</p>

2018 Fall Dashboard Suspension Rate by Race/Ethnicity

African American	American Indian	Asian	Filipino
 No Performance Color Less than 11 Students - Data 6 students	 No Performance Color 0 Students	 No Performance Color Less than 11 Students - Data 8 students	 No Performance Color Less than 11 Students - Data 2 students
Hispanic	Two or More Races	Pacific Islander	White
 Green 1.5% suspended at least once Declined -0.6% 136 students	 No Performance Color 4% suspended at least once Declined -1% 25 students	 No Performance Color 0 Students	 Green 1.1% suspended at least once Declined -1.2% 276 students

This section provides a view of the percentage of students who were suspended.

2018 Fall Dashboard Suspension Rate by Year

2016	2017	2018
3.8% suspended at least once	2.4% suspended at least once	1.3% suspended at least once

Conclusions based on this data:

1. Green Valley experienced an overall decline in suspensions school wide.
2. Green Valley Elementary continuously evaluates the effectiveness of our programs and implements supports to ensure the safety of all our students.

Goals, Strategies, & Proposed Expenditures

Goal 1

Subject

Educational Services

Goal Statement

Our school will provide quality educational services to maximize academic achievement for all individual students and student groups.

LCAP Goal

The District will provide quality educational services to maximize academic achievement for all individual students and student groups.

Basis for this Goal

Rescue Union School District provided surveys for all stakeholders, and teacher input was also solicited via professional discussions at staff meetings and collaboration. Parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, were meaningfully engaged in the formation of this goal. Additionally, SBAC Summative Assessment data, Lexile measurements, DIBELS metrics, and site/ district assessment data were used to form this goal.

Expected Annual Measurable Outcomes

Metric/Indicator	Baseline	Expected Outcome
Smarter Balanced Assessment Results	School-wide Smarter Balanced Assessment data revealed that 63.91% of students in grades 3-5 met or exceeded the standards for English Language Arts and 57.35% of students in grades 3-5 met or exceeded the standards in Math	During the 2018-2019 school year 67% of students in grades 3-5 will meet or exceed the standards for English Language Arts and 60% of students in grades 3-5 will meet or exceed the standards in Math
District Benchmark Assessment Results	<p>Kindergarten- Dibels data showed that 57% of our Kindergarten students met the benchmark for NWF (Nonsense Word Fluency) and 60% of our English Learner students met the benchmark. In the area of Phoneme Segmentation 58.75% of students met the benchmark and 30% of our English Learners met the benchmark.</p> <p>First Grade- In 1st grade, 67% of the students met the benchmark for Nonsense Word Fluency, 71% met the benchmark for Whole Words Read and 68% met the Oral Reading Fluency Benchmark and 86% of students met the accuracy benchmark. 50 % of our English Learners met the above benchmarks. On the end of year Go Math</p>	<p>By the end of the 2018-2019 school year, 60% of our Kindergarten students will meet the end of year benchmark for Nonsense Word Fluency and 62% of our students will meet the benchmark for Phoneme Segmentation.</p> <p>By the end of the 2018-2019 school year, 62% of 1st grade students will meet the benchmark for Nonsense Word Fluency, Whole Words Read and the Oral Reading Fluency benchmark. 80% of the students will score 80% or higher on the end of year math Go Math assessment.</p>

Metric/Indicator**Baseline****Expected Outcome**

Planned Strategies/Activities

Strategy/Activity 1

Alignment of Instruction with Content Standards:

Green Valley Elementary School will utilize district adopted, standards-aligned language arts and math curriculum, and California Standards instruction will be supplemented with a variety of resources as needed. Students will continue to participate in literature-based and informational text instructional activities emphasizing literal and inferential comprehension through guided reading techniques. Students will participate in Step Up to Writing Common Core Edition activities designed to address all stages of the writing process. Students will improve their writing skills through this program. Teachers will begin to implement the Next Generation Science Standards (NGSS) into their instruction using STEM Scopes, Mystery Science, Amplify, or other NGSS aligned bridge programs.

Strategy/Activity 2

Improvement of instructional strategies and materials:

Green Valley Elementary School will utilize proven instructional methods including, but not limited to, Guided Language Acquisition Design (GLAD), Daily 5, Universal Design for Learning (UDL), Multi-tiered Systems of Support (MTSS), Designated and Intergrated English Language Development, and Kate Kinsella Language Strategies. Frequent formative assessment will be used to identify students in need of academic intervention, and such supports will be provided using materials shown to be effective in addressing academic deficits and providing differentiated support for students performing at an advanced level. Paraeducator support is provided to all classes. Limited before and after school tutoring is provided for students that need support in ELA and Math. The ELPAC assessment will be administered annually to English Learners to determine mastery of English Language skills and what instructional support is needed. Technology, including Chromebooks and iPads, will be used to further engage students and extend students' ability to access content and demonstrate understanding.

Strategy/Activity 3

Extended Learning Time, Opportunities and Support Services

Green Valley Elementary School will provide extended learning time and increased educational opportunities for students. Such opportunities will include access to online programs including Typing Agent, Reflex Math, ST Math and Reading Counts. Field trips, coinciding with areas of study and aligned to the California State Standards, will be provided to further enhance students’ learning. Second thru fifth grade students have the opportunity to be part of our school choir, 3rd grade students will learn to play the recorder and 4th/5th grade students have the opportunity to participate in band. All students will receive six weeks of dance instruction with a schoolwide dance performance in the Spring. Extracurricular learning opportunities include: Nature Bowl, Spelling Bee, Oral Interpretation, the S.A.G.E.Map Contest, and Yearbook club for 5th grade students. We have a part time reading intervention teacher who provides support to struggling readers in K-3. All classes visit the library weekly. Primary students hear a story and upper grade students have mini lessons on research etc. All students have a weekly opportunity to check out library books. Students participate in the Reading Counts program to improve their reading lexiles. The librarian tracks the number of words read by students. We celebrate words read each trimester with grade level assemblies. We also set a school wide word goal and celebrate with a Reading Carnival at the end of the year when we meet our goal. In February, the school celebrates “I Love Reading Week” to promote literacy. Green Valley also participates in the Six Flags Read to Succeed Reading Challenge.

Strategy/Activity 4

Staff Development and Professional Collaboration

Green Valley Elementary School will ensure that staff members responsible for providing and overseeing instruction, including certificated teachers, classified support specialists, and site administrators, are afforded opportunities to receive up to date training on best instructional practices (see Goal 1, Strategy 2). Partnerships with the El Dorado County Office of Education and Sacramento County Office of Education will provide increased opportunities for professional development and communities of practice. "Early Release Wednesdays" will enable professional collaboration among grade levels and ensure that staff has the time needed to engage in professional growth, conduct analysis of student performance, and develop instructional strategies to best meet students' needs. We will continue training and implementation of PBIS Tiers 1 and 2.

Strategy/Activity 5**Involvement of Staff, Parents and Community**

Green Valley Elementary School will involve staff, parents, students, and community members in school activities and planning sessions. Parents, students, and staff will have the opportunity to participate on the School Site Council and be part of the decision making process. Additionally, all teachers, classified employees, parents, and a diverse group of students will have the opportunity to represent our school and provide input on the school district's Local Control Accountability Plan. Parents of English learners will be invited to participate in our site English Language Advisory Committee (ELAC) as well as the District English Language Advisory Committee (DELAC). Stakeholders will be informed about opportunities to participate through our school's website, newsletters, weekly email blasts, social media, and other forms of communication. The school will work closely with the Parent Teacher Club (PTO) to improve opportunities for students and to enhance the campus. We will continue to offer the Raising Reader Program in partnership with the Community Hub for children ages 0-5 and their families.

Goals, Strategies, & Proposed Expenditures

Goal 2

Subject

Safe, clean, student-centered learning environments.

Goal Statement

Our school will provide safe, clean, student-centered learning environments that are responsive to the social-emotional needs of all children and families.

LCAP Goal

The District will provide safe, clean, student-centered learning environments that are responsive to the social-emotional needs of all children and families.

Basis for this Goal

Rescue Union School District provided surveys for all stakeholders, and teacher input was also solicited via professional discussions at staff meetings and collaboration. Parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, were meaningfully engaged in the formation of this goal. Additionally, SBAC assessment data, Lexile measurements, and DIBELS metrics were used to form this goal.

Expected Annual Measurable Outcomes

Metric/Indicator	Baseline	Expected Outcome
California Healthy Kids Survey	The California Healthy Kids Survey was administered to 5th grade students during the 2017-18 school year. The survey indicated that 85% of students feel safe at school most or all of the time. No students responded they never feel safe. Eighty two percent of the students surveyed reported they feel proud most or all of the time to belong to our school. Eighty seven percent of the students surveyed felt teachers treat students fairly all or most of the time. Twelve percent responded some of the time and zero responded with never. Fifty seven percent of students reported that most or all of the time teachers or other grown ups make an effort to get to know them. Thirty six percent responded some of the time and six percent responded never.	For the 2018-2019 school year, the goal is for the following: Students feeling safe will increase by 5% to 90% most or all of the time. Students feel proud to be part of Green Valley Elementary School will increase by 5% to 87% responding most or all of the time. Students feeling they are treated fairly by teachers will increase by 5% to 92% of students responding most or all of the time. Students feeling that adults make an effort to get to know them will increase by 5% to 62% and no students will respond never.
LCAP Survey	The 2018 Parent LCAP Survey Results indicate the families feel their is a strong climate and positive culture at Green Valley. There is a common desire to provide information	Communicating to parents and our community via newsletters, social media and text messages that safety is our priority. All decisions are made with student safety being a top

Metric/Indicator	Baseline	Expected Outcome
	regarding the school's safety plan and assurance of emergency preparedness drills that are implemented for students to they know what to do in the event of an emergency. Green Valley Elementary has assured our community that emergency preparedness drills are conducted and emergency procedures are in place for staff and students.	priority. We expect that parents will feel more comfortable regarding the safety of their child while at school.
Aeries Discipline and Attendance Report	According to Aeries reports, Green Valley Elementary's average suspension rate for the 2017-2018 school year was 1.3%. The average attendance rate for 2017-2018 was 96.78%	The suspension rate will decrease to 1% and the average attendance rate will increase to 97% for the 2018-2019 school year.

Planned Strategies/Activities

Strategy/Activity 1

School Safety:

Green Valley Elementary School will work to ensure that all students and staff are safe on campus. All employees and students will regularly participate in emergency preparedness drills and the staff will be proficient with the use of the Catapult Emergency Response System. Students will be provided with lessons on digital citizenship and online safety. All students will participate in Red Ribbon activities designed to educate children about the dangers of drug and alcohol abuse, and students in grade 5 will receive sexual health education as prescribed by law. All staff will be appropriately trained in Child Abuse Mandated Reporter requirements, and processes will be in place to ensure that visitors to the campus are appropriately supervised, and volunteers are fingerprinted and have background checks conducted. Facility inspection reports will be used to determine additional areas to improve safety and the School Site Safety Team will work with stakeholders to develop an annual Comprehensive Safety Plan..

Strategy/Activity 2

School Climate and Community Building:

Green Valley Elementary School will work to ensure that all students feel connected to school and that their social, emotional, and behavioral needs are met. The Positive Behavior Interventions and Supports (PBIS) framework is being used to create systems that explicitly teach students expected and appropriate behaviors for all locations of our school. The school's PBIS team has developed a positive reinforcement system to encourage and support appropriate behavior. Trauma Informed Practices will be used to help calm and re-set students who are overwhelmed or over stimulated. Calm Zones and other areas will be established on campus as de-escalation zones where children can go to feel safe. Monthly assemblies will be held to recognize students with outstanding citizenship. Our school counselor will be available to assist students with mental health needs. Individual counseling, small group sessions, and whole class instruction will be provided. School assemblies will be provided to celebrate student achievement and character development. The California Healthy Kids Survey will be administered to students in 5th grade, and the results will be analyzed by the site leadership team to determine additional areas for growth.

Strategy/Activity 3

Staff Collaboration and Professional Development:

Green Valley Elementary School will provide teachers and classified support staff with professional development to continually improve school climate. Topics will include Social Emotional Learning (SEL), Trauma Informed Practices (TIPS), Positive Behavioral Interventions and Supports (PBIS), Mindfulness, Bridges out of Poverty, Alternative

Discipline, Restorative Practices, and Growth Mindset. Time will be provided to teachers on Early Release Wednesdays, as well as at other times, to collaborate around school climate and to develop and/or refine systems that improve school culture. Teachers will attend Verbal Deescalation Training provided by El Dorado County Office of Education.

Goals, Strategies, & Proposed Expenditures

Goal 3

Subject

Technical Infrastructure and Support Systems

Goal Statement

Our school will provide technical infrastructure and systems of support that allow quality education and effective learning environments to flourish.

LCAP Goal

The District will provide technical infrastructure and systems of support that allow quality education and effective learning environments to flourish.

Basis for this Goal

Rescue Union School District provided surveys for all stakeholders, and teacher input was also solicited via professional discussions at staff meetings and collaboration. Parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, were meaningfully engaged in the formation of this goal.

CAASPP data, District and site assessment data, CELDT data as well as staff and parent feedback from meetings were also used to form this goal.

Expected Annual Measurable Outcomes

Metric/Indicator	Baseline	Expected Outcome
FIT Report (Facilities Inspection Tool)	The overall rating from the FIT report was poor.	Our rating will increase to fair.
Williams Act/Uniform Complaints	No Williams Act/Uniform Complaints were received during the 2017-2018 school year.	If received during the 2018-2019 school year, 100% of Williams Act/Uniform Complaints will be promptly addressed and necessary deficits will be corrected.
Green Valley Staff Survey	The staff report high feelings of support from administration, and each other but have concerns regarding the changing needs of our students.	As we continue to implement PBIS and professional development surrounding SEL and Trauma Informed Practices, staff will feel more comfortable meeting student needs.

Planned Strategies/Activities

Strategy/Activity 1

Staff Collaboration and Professional Development:

Green Valley Elementary School will provide non-instructional staff including secretaries and custodians with support and opportunities for job related professional growth to improve overall school operations and efficacy. Recognizing the important role that everyone has when it comes to school culture and safety, non instructional personnel will also be

included in trainings pertaining to Social Emotional Learning, Trauma Informed Practices, Positive Behavior Interventions and Supports, and elements of Restorative Justice.

Strategy/Activity 2

Facilities and Technology Infrastructure:

Green Valley Elementary School will provide facilities, technology, furniture and supplies that maximize the effectiveness of school operations. The school, working in conjunction with the RUSD Maintenance and Operations Department, will use the Facilities Inspection Tool (FIT) to determine areas for facility improvement. Improvements deemed necessary will be communicated to RUSD Maintenance Personnel. We will engage in school beautification projects with the support of our PTO and our student leadership team.

Annual Review and Update

SPSA Year Reviewed: 2017-18

Goal 1

All students, regardless of gender, ethnicity, language or economics will demonstrate an increase in learning outcomes. Innovative, engaging, and student-centered instruction, aligned to the California Standards, will be employed in all classrooms and throughout the learning environment.

Annual Measurable Outcomes

Metric/Indicator	Expected Outcomes	Actual Outcomes
<p>Smarter Balanced Assessment, Lexile Measurements, Dibels and District assessment metrics were used to evaluate this goal</p>	<p>Expected outcomes are formally established in the Fall of 2018 for the 2018-2019 school year. The actual outcome section reflects the metric data from the 2017-2018 school year.</p>	<p>Metric Results for 2017-2018:</p> <p>Smarter Balanced Assessment: School-wide Smarter Balanced Assessment data revealed that 63.91% of students in grades 3-5 met or exceeded the standards for English Language Arts and 57.35% of students in grades 3-5 met or exceeded the standards in Math.</p> <p>Dibels & District Assessments: Kindergarten- Dibels data showed that 57% of our Kindergarten students met the benchmark for NWF (Nonsense Word Fluency) and 60% of our English Learner students met the benchmark. In the area of Phoneme Segmentation 58.75% of students met the benchmark and 30% of our English Learners met the benchmark.</p> <p>First Grade- In 1st grade, 67% of the students met the benchmark for Nonsense Word Fluency, 71% met the benchmark for Whole Words Read and 68% met the Oral Reading Fluency Benchmark and 86% of students met the accuracy benchmark. 50 % of our English Learners met the above benchmarks. On the end of year Go Math assessment, 77% of the students scored 80% or higher.</p> <p>Second Grade- 68% of our second grade students met the Dibels Oral Reading Fluency Benchmark and 50% of our English Learners met the fluency benchmark. 71% of students met the accuracy benchmark and 73% of our English Learners met the accuracy benchmark. In Math, 74.6% of second grade students scored 80% or higher on the Go Math End of Year Assessment and 53% of</p>

Metric/Indicator

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

Academic and Intervention programs and strategies were implemented well at Green Valley Elementary. In each grade level, standards were taught and supports were provided to offer differentiation strategies to students that needed to be challenged and those that needed support. Staff received professional development and collaboration planning time to continue developing instructional practices for their classes and meet student needs. Communication was provided frequently amongst staff and families regarding student achievement, academic timelines, and school activities and events.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

The increase in our SBAC scores is one measure that demonstrates our academic processes are working. Many Student Success Team (SST'S) meetings were held to provide accommodations for struggling students. We will continue to provide additional support and monitor progress of all students.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

There will be a shift in the development of goals in the single school plan to further align with the Rescue Union School District's LCAP Plan. The format will change in accordance with this shift for the 2018-2019 school year and beyond.

Goals will be consolidated from 6 goals to 3 goals. Please see the Planned Improvement sections to see the 2018-2019 goals and their format.

Annual Review and Update

SPSA Year Reviewed: 2017-18

Goal 2

Provide an innovative environment that integrates technology into the teaching and learning process, to ensure that our students are engaged and well-prepared for success in high school, career and college.

Annual Measurable Outcomes

Metric/Indicator	Expected Outcomes	Actual Outcomes
Smarter Balance Summative Assessment, Parent Survey Results, and Digital Literacy Compliance Reports were used to evaluate this goal.	Expected outcomes are formally established in Fall 2018 for the 2018-2019 school year. The actual outcome section reflects the metric data from the 2017-2018 school year.	<p>Metric Results for 2017-2018:</p> <p>School-wide Smarter Balanced Assessment data revealed that 63.91% of students in grades 3-5 met or exceeded the standards for English Language Arts and 57.35% of students in grades 3-5 met or exceeded the standards in Math</p> <p>According to the school survey, 78% of those participating felt that Green Valley Elementary's implementation of technology is meeting and enhancing their child's needs.</p> <p>All students participated in Digital Literacy Lessons. The Digital Literacy Program completion certificates are on file at the District Office.</p>

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

The overall implementation of technology has been very successful. All students in grades 3-5 have 1:1 access to Chromebooks and grades K-2 have exclusive access to the computer lab. Each K-2 classroom also has a bank of 6 devices for use in their classroom. Several technology programs and applications have become intricate parts of academic instruction and technology is used on a daily basis in most classrooms. Communication has been enhanced between the school and our families through the use of the Aeries Parent Portal, Jupiter Grades and Parent Link.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

Technology implementation has become an intricate part of students' everyday learning experience. Students utilize hardware and software programs to enhance their learning.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

/

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Technology strategies/activities will be incorporated into Goal 1 under the Planned Improvements section as part of the new format to align with Rescue Union School District LCAP for the 2018-2019 school year.

Annual Review and Update

SPSA Year Reviewed: 2017-18

Goal 3

Support teaching and learning processes to provide a consistent, high quality, challenging, and engaging learning environment for all students.

Annual Measurable Outcomes

Metric/Indicator	Expected Outcomes	Actual Outcomes
Professional development evaluations and staff/community survey results will measure the effectiveness of these strategies.	Expected outcomes are formally established in Fall of 2018 for the 2018-2019 school year. The actual outcome section reflects the metric data from the 2017-2018 school year	<p>Metrics for 2017-2018:</p> <p>According to the Principal Staff Survey, data revealed that 100% of staff said they felt supported when conflicts arise and 93% felt there was strong communication and commitment.</p> <p>Requests were made to provide additional Social Emotional Learning training for the 2018-2019 school year.</p>

Strategies/Activities for Goal 3

Planned Actions/Services	Actual Actions/Services	Proposed Expenditures	Estimated Actual Expenditures
<p>Professional development and collaboration:</p> <p>1.1 Staff will continue the implementation of Tier 1 PBIS.(Positive Behavior Interventions and Supports) The goal is to limit disruptive behavior that distracts from student learning. Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

Green Valley has a strong library program with schoolwide literacy activities throughout the year. The strategies/activities listed above promote a love of reading for our students. Our librarian is our Reading Counts Coordinator. She highlights students' progress weekly and at trimester assemblies. Our library is a popular destination for many of our students.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

The Green Valley School Library program is well run and impacts all students (TK-5). Students who read 1 million or more words receive a t-shirt. The name of the student from each grade level who reads the most words during the school year is added to the Top Gator plaque in the library.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Strategies and Activities from this goal will be incorporated into Goal 1 under the Planned Improvements section for next year as we align our plan to the Rescue Union School District LCAP's new format.

Annual Review and Update

SPSA Year Reviewed: 2017-18

Goal 4

Enhance learning for all subgroups of students including English Language Learners, foster youth, socio-economically disadvantaged, and at-risk students through access to quality instruction, academic intervention and social support programs.

Annual Measurable Outcomes

Metric/Indicator	Expected Outcomes	Actual Outcomes
The California Healthy Kids Survey is used to measure how safe and connected students feel at Green Valley Elementary School.	Expected outcomes are formally established in Fall 2018 for the 2018-2019 school year. The actual outcome section reflects the metric data from the 2017-2018 school year.	The California Healthy Kids Survey was administered to 5th grade students during the 2017-18 school year. The survey indicated that 85% of students feel safe at school most or all of the time. No students responded they never feel safe. Eighty two percent of the students surveyed reported they feel proud most or all of the time to belong to our school. Eighty seven percent of the students surveyed felt teachers treat students fairly all or most of the time. Twelve percent responded some of the time and zero responded with never. Fifty seven percent of students reported that most or all of the time teachers or other grown ups make an effort to get to know them. Thirty six percent responded some of the time and six percent responded never.
The Rescue Union School District LCAP Survey	Expected outcomes are formally established in Fall 2018 for the 2018-2019 school year. The actual outcome section reflects the metric data from the 2017-2018 school year.	The 2018 LCAP Parent Survey Results indicates that most families feel that there is a strong, positive culture and climate at Green Valley. There is a common desire to provide information regarding student safety and emergency preparedness. Green Valley has assured it's parents/community that drills are conducted and emergency procedures are in place for staff and students.
California School Dashboard Results for Suspension/Expulsion and Chronic Absenteeism	Expected outcomes are formally established in Fall 2018 for the 2018-2019 school year. The actual outcome section reflects the metric data from the 2017-2018 school year.	Green Valley's suspension rate was 1.3% for the 2017-2018 school year and our average attendance rate was 96.78%.

Strategies/Activities for Goal 4

Planned Actions/Services	Actual Actions/Services	Proposed Expenditures	Estimated Actual Expenditures
<p>Access to Quality Instructional Intervention:</p> <p>1.1 Teachers will assess students at the beginning of the year. Using specific assessment criteria, students will be identified as Title 1. Parents will be notified of their child's Title 1 status and invited to the Title 1 parent meeting. Intervention will be offered to all Title 1 students.</p> <p>1.2 Teachers will assess students and place in leveled groups for ELA/Math Response to Intervention (Rtl) instruction a minimum of three times each year. Each student will be placed in Rtl groups based on instructional needs. Rtl will run for three hours each day, three days each week, for a total of 23 weeks.</p> <p>1.3 Paraeducators will work in classrooms to support students in need of intervention (in addition to Rtl) throughout the year. Grade level teams will determine intervention needs based on District and classroom assessment data.</p> <p>1.4 Academic intervention will be offered in classrooms through small group and individualized instruction.</p> <p>1.5 Limited before and after school tutoring will be offered to Title I</p>	<p>Access to Quality Instructional Intervention:</p> <p>1.1 Teachers assessed students at the beginning of the year. Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

All Green Valley subgroups received quality instruction including enrichment and intervention to meet their needs. Assemblies and activities were provided to promote social emotional development of all students.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

The metrics above illustrate that students feel safe at school and that their needs are being met. Families are satisfied with the learning experiences and supports that their students receive.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Strategies and Activities for this goal will be added to either Goals 1 or 2 under the 2018-2019 school year Planned Improvement Section in alignment with the Rescue Union School District LCAP plan.

Annual Review and Update

SPSA Year Reviewed: 2017-18

Goal 5

Attract, support, and retain employees who are committed, diverse, knowledgeable, and dedicated to providing quality education for our students.

Annual Measurable Outcomes

Metric/Indicator	Expected Outcomes	Actual Outcomes
Teacher Vacancies	100% of teacher positions will be filled by fully credentialed teachers	100% of teacher positions were filled by fully credentialed teachers.
Teacher Misassignments	All teachers will be appropriately assigned based on their credentials.	All teachers were appropriately assigned based on their credentials.
CSEA Survey Results	Professional development needs for non-instructional classified staff will be addressed.	<p>Professional development needs for non-instructional classified staff were addressed in the following areas:</p> <p>Para educators were given collaboration and training time with the Student Services Department throughout the school year.</p> <p>All classified staff received training in SEL and Trauma Informed Practices.</p> <p>Custodial staff received various trainings through out the year to do with chemical usage and cleaning procedures</p> <p>Secretarial staff received further training with AERIES.</p>

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

The principal met with each teacher throughout the 2017-2018 school year to develop and monitor professional goals. The principal conducted formal and informal observations of teacher instruction and provided evaluation feedback/write ups to those staff members who were on the evaluation cycle for the 2017-2018 school year. Two teachers served as Support Providers for teachers in TIPS.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

The goal meetings were effective and teachers shared evidence of meeting their goals. The principal engaged in professional conversations with teachers during the evaluation process and provided feedback on area of strength and areas for growth. Support Providers provided quality guidance and support to the teachers they mentored.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Strategies for this goal will be added to either Goal1 or Goal 2 under the 2018-2019 school year Planned Improvements section in alignment with the Rescue Union School District LCAP plan.

Annual Review and Update

SPSA Year Reviewed: 2017-18

Goal 6

Create and maintain a safe, clean campus that is conducive to the learning process.

Annual Measurable Outcomes

Metric/Indicator	Expected Outcomes	Actual Outcomes
Facility Inspection Tool	Facilities will be in “good repair” or higher as measured by the Facility Inspection Tool.	The facilities were reported to be in fair repair as measured by the Facility Inspection Tool.
Williams Act/Uniform Complaints	100% of Williams Act/Uniform Complaints will be promptly addressed and necessary deficits will be corrected.	Zero Williams Act/Uniform Complaints were received.

Strategies/Activities for Goal 5

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

The administration communicates regularly with all parties mentioned above to collect feedback and pursue any issues that are a concern. The School Safety plan is developed and shared in accordance with Facilities guidelines.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

There is constant communication between staff and administration with the purpose of continually striving to improve our practices. Meetings are held with yard supervisors regarding events, safety and health concerns.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

N/A

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Items in this goal will be added to Goal 3 under the Planned Improvement section in alignment with the Rescue Union School District LCAP plan.

Budget Summary and Consolidation

The Budget Summary is required for schools funded through the ConApp. The Consolidation of Funds is required for a school receiving funds allocated through the ConApp and consolidating those funds as part of a schoolwide program.

Budget Summary

Description	Amount
Total Funds Provided to the School Through the Consolidated Application	97428.00
Total Funds Budgeted for Strategies to Meet the Goals in the SPSA	157618.00

Allocations by Funding Source

Funding Source	Amount	Balance
----------------	--------	---------

Expenditures by Funding Source

Funding Source	Amount
LCFF - Supplemental	41,089.50
None Specified	4,000.00
Parent Teacher Association/Parent Faculty Club (PTA/PFC/PTSO, PTO, etc.)	6,100.00
Site Formula Funds	6,100.00
Title I	100,865.00
Title I Part A: Allocation	362.50

Expenditures by Budget Reference

Budget Reference	Amount
0000: Unrestricted	250.00
1000-1999: Certificated Personnel Salaries	27,518.00
2000-2999: Classified Personnel Salaries	104,771.00
4000-4999: Books And Supplies	3,050.00
5000-5999: Services And Other Operating Expenditures	22,928.00

Expenditures by Budget Reference and Funding Source

Budget Reference	Funding Source	Amount
2000-2999: Classified Personnel Salaries	LCFF - Supplemental	29,924.00
5000-5999: Services And Other Operating Expenditures	LCFF - Supplemental	11,165.50
5000-5999: Services And Other Operating Expenditures	None Specified	4,000.00
1000-1999: Certificated Personnel Salaries	Parent Teacher Association/Parent Faculty Club (PTA/PFC/PTSO, PTO, etc.)	1,050.00
4000-4999: Books And Supplies	Parent Teacher Association/Parent Faculty Club (PTA/PFC/PTSO, PTO, etc.)	2,550.00
5000-5999: Services And Other Operating Expenditures	Parent Teacher Association/Parent Faculty Club (PTA/PFC/PTSO, PTO, etc.)	2,500.00
0000: Unrestricted	Site Formula Funds	250.00
1000-1999: Certificated Personnel Salaries	Site Formula Funds	4,450.00
4000-4999: Books And Supplies	Site Formula Funds	500.00
5000-5999: Services And Other Operating Expenditures	Site Formula Funds	900.00
1000-1999: Certificated Personnel Salaries	Title I	22,018.00
2000-2999: Classified Personnel Salaries	Title I	74,847.00
5000-5999: Services And Other Operating Expenditures	Title I	4,000.00
5000-5999: Services And Other Operating Expenditures	Title I Part A: Allocation	362.50

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 2 Classroom Teachers
- 1 Other School Staff
- 4 Parent or Community Members

Name of Members	Role
Michelle Winberg	Principal
Karen Genovese	Classroom Teacher
Claudia Ray	Classroom Teacher
Sandra Villalovoz	Other School Staff
Dan Anzini	Parent or Community Member
Jolie Hauck	Parent or Community Member
Rebecca Wood	Parent or Community Member
Colin Scowcroft	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

Other: Note: SSC serves as the representing advisory committee for Special Ed, and ELAC.

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 02/05/19.

Attested:

Principal, Michelle Winberg on 02/05/19

SSC Chairperson, Jolie Hauck on 02/05/19

Addendum

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

Stakeholder Involvement

Goals, Strategies, & Proposed Expenditures

Planned Strategies/Activities

Annual Review and Update

Budget Summary and Consolidation

Appendix A: Plan Requirements for Schools Funded Through the ConApp

Appendix B: Select State and Federal Programs

For additional questions or technical assistance related to completion of the SPSA template, please contact the Local Educational Agency, or the CDE's Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

Stakeholder Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. As such, the SPSA should be shared with, and schools should request input from, school site-level advisory groups, as applicable (e.g., English Learner Advisory Councils, student advisory groups, etc.).

Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

Goals, Strategies, & Proposed Expenditures

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve? A school may number the goals using the "Goal #" for ease of reference.

Basis for this Goal

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, and may include any data voluntarily developed by districts to measure pupil achievement.

Expected Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to be make in the coming year.

Planned Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. Strategies and activities that are implemented to achieve the identified goal may be grouped together. A school may number the strategy/activity using the "Strategy/Activity #" for ease of reference.

A school receiving funds allocated through the ConApp is required to describe in their strategies and activities how they will address specific state and federal requirements. A list of these requirements may be found in Appendix A: Plan Requirements for Schools Funded Through the ConApp. At a minimum a school receiving funds allocated through the ConApp must address these requirements; however, a school may describe additional strategies/activities as well.

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list and describe the proposed expenditures for the school year to implement these strategies/activities, including where those expenditures can be found in the school’s budget. The school should reference all fund sources for each proposed expenditure and should provide budget references as an object code or an object code description.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA.

Annual Review and Update

The planned goals, expected outcomes, planned strategies/activities, and proposed expenditures must be copied verbatim from the previous year’s approved SPSA. Minor typographical errors may be corrected.

Annual Measurable Outcomes

For each goal in the prior year, provide the metric/indicators, the expected outcomes, and the actual outcomes; review the actual outcomes as compared to the expected outcomes identified in the prior year for the goal.

Strategies/Activities

Identify the planned strategies/activities and the proposed expenditures to implement these strategies/activities toward achieving the described goal, then identify the actual strategies/activities implemented to meet the described goal and the estimated actual expenditures to implement the strategies/activities. As applicable, identify any changes to the student groups served.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the strategies/activities to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process.
- Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.
- Explain any material differences between Proposed Expenditures and Estimated Actual Expenditures. Minor variances in expenditures or a dollar-for-dollar accounting is not required.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

Budget Summary and Consolidation

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp. The Consolidation of Funds is required for a school receiving funds allocated through the ConApp and consolidating those funds as part of a schoolwide program.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- **Total Funds Provided to the School Through the Consolidated Application:** This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- **Total Funds Budgeted for Strategies to Meet the Goals in the SPSA:** This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school may include additional information or more detail.

Consolidation of Funds

A school receiving funds allocated through the ConApp and consolidating those funds as part of a schoolwide program is required to include a list of state and local programs and other federal programs that the school will consolidate in the schoolwide program. A list of commonly consolidated state and federal programs is provided in Appendix B: Select State and Federal Programs. List the federal funding source(s) and the amount(s) being consolidated in the schoolwide program, then list the state and/or local funding source(s) and the amount(s). Adjust the table as needed.

Appendix A: Plan Requirements for Schools Funded Through the ConApp

Basic Plan Requirements

A school receiving funds allocated through the ConApp is required to develop a SPSA. The content of a SPSA must be aligned with school goals for improving student achievement. School goals must be based upon an analysis of verifiable state data and may include any data voluntarily developed by districts to measure student achievement.

The SSC is required to develop the SPSA, which must address each of the following, as applicable:

1. A description of curricula, instructional strategies and materials responsive to the individual needs and learning styles of each student (described in the Strategies/Activities).
2. A description of instructional and auxiliary services to meet the special needs of non-English-speaking or limited-English-speaking students, including instruction in a language these students understand; educationally disadvantaged students; gifted and talented students; and students with exceptional needs (described in the Strategies/Activities).
3. A description of a staff development program for teachers, other school personnel, paraprofessionals, and volunteers, including those participating in special programs (described in the Strategies/Activities).
4. An identification of the schools' means of evaluating progress toward accomplishing its goals (described in the Expected Annual Measurable Outcomes) and an ongoing evaluation of the educational program of the school (described in the Annual Review and Update).
5. A description of how funds provided to the school through the ConApp will be used to improve the academic performance of all pupils to the level of state performance goals (described in the Proposed Expenditures for Strategies/Activities).
6. The proposed expenditures of funds available to the school through the programs described in EC Section 52851. For purposes of this subdivision, proposed expenditures of funds available to the school must include, but not be limited to, salaries and staff benefits for persons providing services for those programs (described in the Proposed Expenditures for Strategies/Activities).
7. The proposed expenditure of funds available to the school through the federal Improving America's Schools Act of 1994 and its amendments. If the school operates a state-approved schoolwide program in a manner consistent with the expenditure of funds available to the school pursuant to EC Section 52851, employees of the schoolwide program may be deemed funded by a single cost objective.
8. A description of how state and federal law governing programs identified in EC Section 64000 will be implemented, as applicable (described in the Strategies/Activities).
9. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC.

Authority cited: EC sections 64001(f)-(g) and 52853(a)(1)-(7).

Schoolwide Program Requirements

A school receiving funds allocated through the ConApp and operating a schoolwide program (SWP) must describe how the school will carry out each of the following components:

1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will
 - a. provide opportunities for all students, including socioeconomically disadvantaged students, students from major racial and ethnic groups, students with disabilities, and English learners, to meet the challenging state academic standards.
 - b. use effective methods and instructional strategies based on scientifically based research that
 - i. strengthen the core academic program in the school;
 - ii. provide an enriched and accelerated curriculum;
 - iii. increase the amount and quality of learning time;
 - iv. include strategies for meeting the educational needs of historically underserved populations;
 - v. help provide an enriched and accelerated curriculum; and
 - vi. are consistent with, and are designed to implement, state and local improvement plans, if any.
 - c. address the needs of all students in the school, but particularly the needs of those at risk of not meeting the challenging state academic standards, through activities which may include the following:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
2. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
3. A description of how the school will ensure instruction by highly qualified teachers and provide ongoing professional development, including
 - a. strategies to attract highly qualified teachers;
 - b. providing high-quality and ongoing professional development that is aligned with the state's academic standards for teachers, principals, paraprofessionals and, if appropriate, pupil services personnel, parents, and other staff, to enable all students in the school to meet the state's academic standards;
 - c. the devotion of sufficient resources to effectively carry out professional development activities; and
 - d. the inclusion of teachers in professional development activities regarding the use of academic assessments to enable them to provide information on, and to improve, the achievement of individual students and the overall instructional program.
4. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
5. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - a. Ensure that those students' difficulties are identified on a timely basis; and
 - b. Provide sufficient information on which to base effective assistance to those students.
6. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
7. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).

School Plan for Student Achievement (SPSA) Template

The School Plan for Student Achievement (SPSA) is meant to consolidate all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), pursuant to the California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA).

The purpose of the SPSA is to increase the overall effectiveness of the school program by crafting a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement.

The School Site Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications in the plan to reflect changing needs and priorities, as applicable, pursuant to EC 52853(b) and 52855.

California's ESSA State Plan significantly shifts the state's approach to the utilization of federal resources in support of underserved student groups. The SPSA provides schools with the opportunity to document their approach to maximizing the impact of federal investments in support of underserved students.

The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement.

School Name	Jackson Elementary School
Address	2561 Francisco Dr. El Dorado Hills, CA 95762-8201
County-District-School (CDS) Code	09619786005706
Principal	Michele Williamson
District Name	Rescue Union Elementary District
SPSA Revision Date	10/03/18
Schoolsite Council (SSC) Approval Date	
Local Board Approval Date	

In the pages that follow, please describe the school's plan for making the best use of federal ESEA resources in alignment with other federal, state, and local programs.

School Vision and Mission

“The Jackson Elementary School staff, working in partnership with parents and our community, will strive to provide excellence in academics and the thinking and interpersonal skills necessary for all students to reach their maximum potential. We are committed to providing a safe learning environment where all students are valued and respected.”

Jackson School has a long standing tradition of celebrating each child's unique qualities and valuing the "whole child" in the educational process. The staff strives to build on each child's strengths and talents while reinforcing any areas that may present challenges for the child. Teachers and support staff are dedicated to the children and families that we serve and we continually strive to provide a quality education in a loving environment. We hold high expectations for all children and maximize our resources to help each child be successful.

Jackson Staff Core Values

We will constantly strive to meet the highest standards of honesty and integrity.

We have pride in our students, ourselves, our colleagues, and take ownership of our school.

We treat each other and ourselves with dignity, courtesy, and respect regardless of our position or assignment.

We are responsive to our families and strive to create a caring community as we work to assist each child through support of the family as a whole.

We emphasize the joy in learning by making education a fun, rewarding experience for children.

We continually strive to improve our performance through training, education, and commitment to our profession.

We are sensitive to the emotional and social needs of our students and work to create and encourage a nurturing environment where students are taught strategies to manage their feelings.

School Profile

Jackson School is a TK-5 elementary school which serves a student body of 506 students. Jackson School is located twenty-five miles northeast of Sacramento in the foothills of the Sierra Nevada Mountains. The school campus is surrounded by neighborhood homes and many families walk to school each day. Our campus is home to Rescue Union School District's Special Day Classes, one K-2 classroom and one 3-5 classroom. Jackson also houses three programs for the El Dorado County Office of Education (EDCOE). These programs include a State Preschool program, an Extended Day program, and the Multiple Abilities class which are housed at the center of our campus. Jackson School is a school with a Visual and Performing Arts emphasis. Children have access to a variety of VAPA programs during the course of their school day, as well as before and after school.

Jackson School has received the following awards from the State of California:

- Jackson School was recognized in 1989, 2002, and 2014 as a California Distinguished School.
- Jackson School received a California Distinguished School Honorable Mention in 2006.

The educational program is supported by a staff of 25 classroom teachers, including one music teacher, and one PE teacher. Fourth and fifth graders receive 120 minutes of Physical Education each week from a certificated P.E. teacher. Fourth and fifth graders also have the option to participate in Instrumental Band each week with a certificated music teacher. All students receive music instruction once a week in TK-5 classes with a music teacher within their school day. Upper grade students have elective choices each trimester. Class choices include, but are not limited to: dance, leadership, science exploration, technology, robotics, coding, video production, 3-D printing, and world cultures. Students in grades K-3 have one hour in the computer lab each week to focus on RUSD Technology Standards, Digital Literacy lessons, Keyboarding skills, and Reflex Math. Primary classes have library once a week to build literacy skills and upper grade students have times available to check out books and do research. Students have the opportunity to participate in many enrichment activities which include: Junior Choir, Senior Choir, Junior Jackson Actors Guild, Senior Jackson Actors Guild, Garden Club, Nature Bowl, Drum Club, Spelling Bee, Oral Interpretation, volleyball, basketball, and cross-country. In addition, the Community Services District offers a variety of programs after school for children throughout the year in the Ruppel Center .

Academic rigor is a focus in every classroom. Teachers deliver a differentiated curriculum to students based on the specific needs of each student. Small group instruction through the use of K-3 Intervention Aides and Credentialed Volunteers is delivered several times a week to students based on assessment results. In addition, programs such as Ten Marks are designed and used to support individualized instruction for students, whether it be through acceleration or remediation of grade level concepts. Students use Reading Counts weekly in the Computer Lab and are encouraged to

challenge themselves as they work to increase their lexile scores and complete comprehension assessments. All students participate in the "Reading Raceway" in the library. Students accumulate words read and move their race car along the speedway in the library. The principal presents monthly reading certificates for "words read" benchmarks in every classroom. Students that reach the Millionaires' Winner's Circle are treated to a ride in the JAG-Y Mobile out to lunch at the In and Out restaurant in Folsom. Teachers use district adopted materials including Go Math and the new ELA adoption Benchmark Advance to deliver standards-based instruction. Teachers meet regularly during collaboration time to discuss curriculum implementation, review samples of student work, and to analyze data. Teachers are piloting new Social Science programs this year and are going to SCOE's Materials Fair on January 28th to see potential programs for the science adoption in the 19-20 school year. Teachers are encouraged to attend staff development workshops through EDCOE on topics of interest. Professional Development this year has centered around Trauma Informed Teaching Practices and Social-emotional Learning; teachers have received training both at the district level and site level this year on both topics. In addition, all teachers have created a Comfort Corner in their classes and have received training on how to manage the Comfort Corner with students. The school counselor has used teacher data for the district's SEL Inventory to establish counseling groups and individual counseling sessions for Tier 3 students requiring more intensive support.

Jackson School maintains a strong commitment to increasing access for students to technology. Currently, students receive one hour of computer lab instruction each week in 1st-3rd grades and 30 minutes in each Kindergarten class. K-1 classes also have an iPad center in each classroom. Upper grade teachers are embedding the Technology Standards into their lessons via the use of Chromebooks in the classrooms. We have district TOSA technology teachers assisting teachers with the integration of technology into their instruction. Upper grade classrooms have Promethean and all classrooms have a projection system and a document camera. We currently have a 1:1 ratio of devices to students for third, fourth, and fifth grades. We continue to use a variety of technology-based programs to enhance learning, including: Reflex Math, Typing Agent, Ten Marks, Reading Counts, Jupiter Grades, SBAC Interim and Comprehensive Assessments, and Discovery Learning. We offer technology-based electives including robotics, 3-D Printing, and coding for 4th and 5th graders each trimester and we participate in the "Hour of Code" coding program each year. We offer a Video Production elective to 4th/5th graders which also utilizes state of the art equipment and editing software, including ipads and a 360 degree camera.

School Climate is another area of pride for Jackson School. Each month students are recognized for the Character Counts trait that the school is focusing on in classrooms and on the yard. Approximately 35 students are recognized in a ceremony in the Ruppel Center each month in front of the whole student body. In addition, students are also recognized for behavior by yard supervisors with Positive Behavior Certificates which have a free personal pizza at Mountain Mike's or free frozen yogurt. Our new PBIS program will roll out in February 2019, with new positive expectations signage, new songs/chants, classroom videos, new spirit wear with our umbrella values, and our new "JAG-Y-Gem" positive reinforcement program! Folsom Lake College students come each fall and present a play based on a Character Counts trait. The Special Day Classes have social groups once a week at lunch and students from General Education classes volunteer to help facilitate games and activities with a teacher's aide and the school psychologist. The Multiple Abilities Class has a mentor program available at lunch for students as well. Currently, 125 General Education students in 2nd-5th grade are serving as mentors in this program. All fourth graders participate in the "A Touch of Understanding" program every October (Disability Awareness Month) which sensitizes children to others who may have disabilities and helps them understand what it feels like to live with a disability. The program reinforces the fact that people with disabilities are capable citizens who compensate for their challenges and lead full, productive lives. Our Multiple Abilities teacher, Bev Baker, goes into all classrooms each October to present Disability Awareness lessons to help students understand and empathize with children who have disabilities. Jackson School has a school counselor three days per week. The counselor meets with individual students for support in addition to facilitating social groups at both lunches. Finally, the 4th and 5th graders have the opportunity to participate in the Leadership elective each trimester. In this elective, the students focus on Community Service Projects to help benefit organizations that the students choose through discussions. The students also decide how they will fund the project and carry out their plan of action. At Jackson School, students have many opportunities to SHINE and share their talents including: Recorder Concerts, Band Concerts, Drum Club Performances, Character Counts Assemblies, K-5 Talent Show, Choir performances, JAG musicals, Spring Art Show, Honor Roll, and organized sports teams. Teachers and staff continue to embrace the "We Care" district-wide focus and participate regularly in our gratitude tree program, our Family Science Night, our Fall Festival, our Families in Need donations, our Giving Gala, and our staff Halloween Parade theme. Our staff Sunshine Club collects funds from staff and gives cards and flowers to staff members in need.

This year Jackson School has formed a partnership with the El Dorado Arts Council and has visiting artists at each grade level doing a series of art lessons to inspire creativity in our students and to encouraging creative risk-taking. This year's Spring Art Show in May will acknowledge each of our guest artists and will have all of our students' work from these lessons on display.

Finally, Jackson School has an active PTO which is very visible in welcoming families and helping them to connect with the Jackson School family at large. The PTO sponsors our Kindergarten Orientation with refreshments and activities for our new Jaguars, our Welcome Back Social the second week of school, our Fall Festival every October, Donuts with Dad, Muffins with Mom, the Read-A-Thon, the Science Fair, Family Science Night, and our Giving Gala. In addition, the PTO uses funds that they raise to provide enrichment opportunities for Jackson students.

Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

Jackson Elementary School gathers data throughout the school year from multiple stakeholders through School Site Council meetings, Staff Meetings, PTO Meetings, School Staff Survey, the Healthy Kids survey, the Parent LCAP Survey, Yard Duty Supervisor Meetings, and Student Focus Groups.

Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	2015-16	2016-17	2017-18
Kindergarten		84	88
Grade 1		67	72
Grade 2		79	65
Grade3		76	81
Grade 4		75	79
Grade 5		82	76
Grade 6			0
Grade 7			0
Grade 8			0
Grade 9			0
Grade 10			0
Grade 11			0
Grade 12			0
Total Enrollment		463	461

Conclusions based on this data:

1. Enrollment continues to increase each year and has reached 506 students as of January 2019.

2. Student group data has been fairly consistent over the past three years.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
English Learners	11	20		2.6%	4.3%	
Fluent English Proficient	15	11		3.5%	2.4%	
Reclassified Fluent English Proficient	1		1	25.0%	0.0%	

Conclusions based on this data:

1. Our EL population is relatively small, but their needs remain an important focus area.
2. Our English Learner Coordinator will continue to provide assistance to our EL students and the staff who instructs them.

All Grades	39	33.49	41.13	49	59.53	48.48	12	6.98	10.39

Conclusions based on this data:

1. Last year, our ELA scores decreased slightly at 3rd grade.
2. This year the fourth grade teachers are aware of the learning challenges of these incoming fourth grade students and are working to support them through the Learning Center, parent volunteers, and credentialed volunteers. We will continue to design targeted instruction to be delivered in small group settings to improve student mastery of ELA State Standards.
3. We will work diligently to implement ELA curricular materials this year to enhance our delivery of the State ELA Standards and improve our students' understanding of the grade level concepts.

Grade 5	35	31.17	33.33	47	55.84	52.00	19	12.99	14.67
All Grades	42	41.59	39.39	45	50.00	48.48	13	8.41	12.12

Conclusions based on this data:

1. There was a decrease in our math scores in third and fifth grades. The decrease was largely influenced by two classes.
2. The aforementioned dip was addressed by examining what worked well in other classes and implementing the same curricular enrichment programs. In third grade, high performing teachers provided support to other teachers to ensure high quality programs are present in all classes at each grade level. Math is a continued area of focus for our school this year. We have begun by devoting more time integrating math into the curriculum in other subject areas. We have a devoted math block each day, with fifth grade having a 90 minute block each day. We will continue to give students repeated experiences using technology (Chromebooks and computer lab) to solve math problems and to demonstrate their understanding of the math standards in the classroom as well as the computer lab. We will continue the use of Ten Marks, Reflex Math, and Interim SBAC assessments to help students become comfortable with this format for assessing their learning.
3. We will continue to use multiple measures to assess student learning and provide targeted instruction to ensure that students move from the "Not Met" and "Nearly Met" bands to the "Met" and "Exceeded Standard" bands on the SBAC assessment.

Conclusions based on this data:

1. Our EL population is relatively small, but their needs remain an important focus area.
2. Our English Learner Coordinator will continue to provide assistance to our EL students and the staff who instructs them.

School and Student Performance Data

Student Population

This section provides information about the school's student population.

2017-18 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
461	9.1%	3.7%	0.4%

This is the total number of students enrolled.

This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.

This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.

This is the percent of students whose well-being is the responsibility of a court.

2017-18 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	17	3.7%
Foster Youth	2	0.4%
Socioeconomically Disadvantaged	42	9.1%
Students with Disabilities	70	15.2%

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	8	1.7%
American Indian	1	0.2%
Asian	25	5.4%
Filipino	8	1.7%
Hispanic	71	15.4%
Two or More Races	7	1.5%
Pacific Islander	3	0.7%
White	338	73.3%

Conclusions based on this data:

1. At Jackson School, 9% of the student population is socioeconomically disadvantaged. We make every effort to access community programs, such as Operation School Bell and Coats for Kids, to make sure their needs are met. We make sure that students have access to healthy snacks and the hot lunch and breakfast program for increased learning.

School and Student Performance Data

Overall Performance

2018 Fall Dashboard Overall Performance for All Students

Academic Performance	Academic Engagement	Conditions & Climate
English Language Arts  Blue	Chronic Absenteeism  Green	Suspension Rate  Orange
Mathematics  Green		
English Learner Progress  No Performance Color		

Conclusions based on this data:

1. A drop of one color (blue to green) occurred in math. This was due to the performance identified previously in the Academic Performance section.
2. Our Suspension Rate was in the Orange range this year. Although our overall suspension rate is quite low at 1.6%, suspensions for students with disabilities increased by 3.4%. As such, we are exploring ways to reduce suspensions for all students, especially those students with disabilities.

School and Student Performance Data

Academic Performance English Language Arts

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2018 Fall Dashboard English Language Arts Performance for All Students/Student Group		
<p>All Students</p>  Blue 49.1 points above standard Maintained 1.5 points 220 students	<p>English Learners</p>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 7 students	<p>Foster Youth</p>  No Performance Color 0 Students
<p>Homeless</p>  No Performance Color 0 Students	<p>Socioeconomically Disadvantaged</p>  No Performance Color 15.5 points above standard Declined -9.4 points 28 students	<p>Students with Disabilities</p>  Orange 10.1 points below standard Declined -15.5 points 42 students

2018 Fall Dashboard English Language Arts Performance by Race/Ethnicity

African American	American Indian	Asian	Filipino
 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2 students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 students	 No Performance Color 68 points above standard Increased 4 points 18 students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2 students

Conclusions based on this data:

1. Our largest decline was with our students with disabilities.
2. Efforts are identified in our current SPSA to help address this decline.

School and Student Performance Data

Academic Performance English Learner Progress

This section provides a view of the percent of students performing at each level on the new English Language Proficiency Assessments for California (ELPAC) assessment. With the transition ELPAC, the 2018 Dashboard is unable to report a performance level (color) for this measure.

2018 Fall Dashboard English Language Proficiency Assessments for California Results				
Number of Students	Level 4 Well Developed	Level 3 Moderately Developed	Level 2 Somewhat Developed	Level 1 Beginning Stage
16	62.5%	37.5%		

Conclusions based on this data:

1. Although our EL population is relatively small, they are making good progress as shown on the ELPAC assessment.

School and Student Performance Data

Academic Performance College/Career

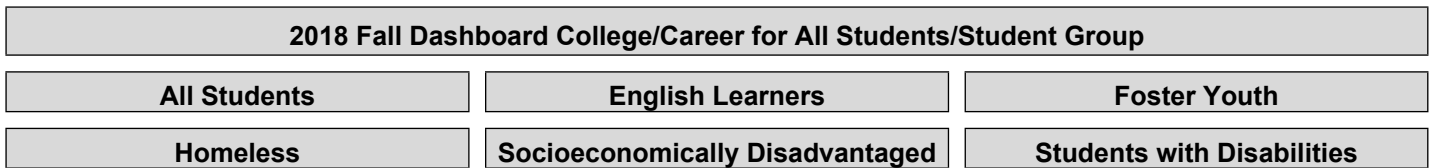

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

Lowest Performance Red Orange Yellow Green Blue Highest Performance

This section provides number of student groups in each color.

This section provides information on the percentage of high school graduates who are placed in the "Prepared" level on the College/Career Indicator.

This section provides a view of the percent of students per year that qualify as Not Prepared, Approaching Prepared, and Prepared.

Conclusions based on this data:

- 1.

School and Student Performance Data

Academic Engagement Chronic Absenteeism

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

2018 Fall Dashboard Chronic Absenteeism for All Students/Student Group		
<p>All Students</p>  <p>Green</p> <p>4.6% chronically absent</p> <p>Maintained 0.2%</p> <p>503 students</p>	<p>English Learners</p>  <p>No Performance Color</p> <p>16.7% chronically absent</p> <p>Increased 6.7%</p> <p>18 students</p>	<p>Foster Youth</p>  <p>No Performance Color</p> <p>Less than 11 Students - Data Not Displayed for Privacy</p> <p>6 students</p>
<p>Homeless</p>  <p>No Performance Color</p> <p>Less than 11 Students - Data Not Displayed for Privacy</p> <p>0 students</p>	<p>Socioeconomically Disadvantaged</p>  <p>Orange</p> <p>13.8% chronically absent</p> <p>Increased 2.3%</p> <p>58 students</p>	<p>Students with Disabilities</p>  <p>Green</p> <p>8.6% chronically absent</p> <p>Declined 2.6%</p> <p>81 students</p>

2018 Fall Dashboard Chronic Absenteeism by Race/Ethnicity

African American	American Indian	Asian	Filipino
 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 9 students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 students	 No Performance Color 6.9% chronically absent Increased 6.9% 29 students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 8 students
Hispanic	Two or More Races	Pacific Islander	White
 Orange 10.1% chronically absent Maintained 0% 79 students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 8 students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 3 students	 Green 3.6% chronically absent Maintained 0% 366 students

Conclusions based on this data:

1. Our biggest area of concern, relative to chronic absenteeism, is with our English Learner population and socioeconomically disadvantaged students.
2. Efforts are identified in our current SPSA to help address this decline. Personal calls from the principal to discuss the impact absences have on academic progress are one such action. Articles in the school newsletter are also used to remind everyone about how important school attendance is.

School and Student Performance Data

Academic Engagement Graduation Rate

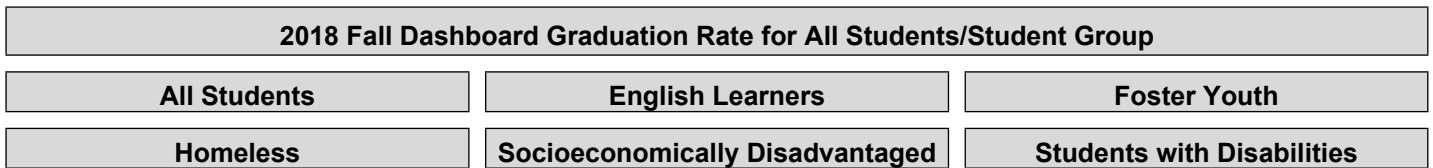

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

Lowest Performance Red Orange Yellow Green Blue Highest Performance

This section provides number of student groups in each color.

This section provides information about students completing high school, which includes students who receive a standard high school diploma or complete their graduation requirements at an alternative school.

This section provides a view of the percentage of students who received a high school diploma within four years of entering ninth grade or complete their graduation requirements at an alternative school.

Conclusions based on this data:

- 1.

School and Student Performance Data

Conditions & Climate Suspension Rate

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

2018 Fall Dashboard Suspension Rate for All Students/Student Group		
<p>All Students</p>  Orange 1.6% suspended at least once Increased 0.6% 506 students	<p>English Learners</p>  No Performance Color 0% suspended at least once Maintained 0% 18 students	<p>Foster Youth</p>  No Performance Color Less than 11 Students - Data Not 6 students

2018 Fall Dashboard Suspension Rate by Race/Ethnicity

African American	American Indian	Asian	Filipino
 No Performance Color Less than 11 Students - Data 9 students	 No Performance Color Less than 11 Students - Data 1 students	 No Performance Color 3.4% suspended at least once Increased 3.4% 29 students	 No Performance Color Less than 11 Students - Data 8 students
Hispanic	Two or More Races	Pacific Islander	White
 Orange 2.5% suspended at least once Increased 1.3% 79 students	 No Performance Color Less than 11 Students - Data 8 students	 No Performance Color Less than 11 Students - Data 4 students	 Yellow 1.1% suspended at least once Maintained 0.2% 368 students

This section provides a view of the percentage of students who were suspended.

2018 Fall Dashboard Suspension Rate by Year

2016	2017	2018
1.5% suspended at least once	1% suspended at least once	1.6% suspended at least once

Conclusions based on this data:

1. Overall, our Suspension Rate was in the Orange range this year.
2. Although our overall suspension rate is quite low at 1.6%, suspensions for students with disabilities increased by 3.4%. As such, we are exploring ways to reduce suspensions for all students, especially those students with disabilities.
3. Although our overall suspension rate is quite low at 1.6%, suspensions for students who are socioeconomically disadvantaged increased by 4.8%. As such, we are exploring ways to reduce suspensions for all students, especially those students with disabilities.

Goals, Strategies, & Proposed Expenditures

Goal 1

Subject

Educational Services

Goal Statement

Our school will provide quality educational services to maximize academic achievement for all individual students and student groups.

LCAP Goal

The District will provide quality educational services to maximize academic achievement for all individual students and student groups.

Basis for this Goal

Rescue Union School District provided surveys for all stakeholders, and teacher input was also solicited via professional discussions at staff meetings and collaboration. Parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, were meaningfully engaged in the formation of this goal. Additionally, SBAC assessment data, Lexile measurements, and DIBELS metrics were used to form this goal.

Expected Annual Measurable Outcomes

Metric/Indicator	Baseline	Expected Outcome
Smarter Balanced Assessment for ELA	3rd Grade - 70% Met or Exceeded 4th Grade - 74% Met or Exceeded 5th Grade - 76% Met or Exceeded	3rd Grade - Increase by 5% 4th Grade - Increase by 5% 5th Grade - Increase by 5%
Smarter Balanced Assessment for Math	3rd Grade - 69% Met or Exceeded 4th Grade - 75% Met or Exceeded 5th Grade - 62% Met or Exceeded	3rd Grade - Increase by 5% 4th Grade - Increase by 5% 5th Grade - Increase by 5%
Lexile Proficiency Growth Report	3rd Grade - 68% Proficient or Advanced 4th Grade - 76% Proficient or Advanced 5th Grade - 73% Proficient or Advanced	3rd Grade - Increase by 5% 4th Grade - Increase by 5% 5th Grade - Increase by 5%
Interim Comprehensive Assessment for Math	Test to be administered in February 2019 to establish baseline data	Test to be administered in February 2019 to establish baseline data
DIBELS	Kindergarten NWF CLS - 78% Kindergarten PSF - 86% 1st Grade NWF CLS - 77% 1st Grade NWF WWR - 91% 1st Grade DORF Fluency - 83% 2nd Grade DORF Fluency- 94% 2nd Grade DORF Accuracy- 97% 3rd Grade DORF Fluency- 77% 3rd Grade DORF Accuracy- 86% 4th Grade DORF Fluency- 84% 4th Grade DORF Accuracy- 80%	Kindergarten - Increase by 5% 1st Grade - Increase by 5% 2nd Grade - Increase by 5% 3rd Grade - Increase by 5% 4th Grade - Increase by 5% 5th Grade - Increase by 5%

Metric/Indicator	Baseline	Expected Outcome
	5th Grade DORF Fluency- 76% 5th Grade DORF Accuracy- 65%	

Planned Strategies/Activities

Strategy/Activity 1

Alignment of Instruction with Content Standards

Jackson Elementary School will utilize district adopted, standards-aligned language arts and math curriculum, and California Standards instruction will be supplemented with a variety of resources as needed. Students will participate in literature-based and informational text instructional activities emphasizing literal and inferential comprehension through guided reading techniques. Students will participate in the Step Up to Writing Common Core Edition activities designed to address all stages of the writing process, and students will improve their writing skills through this program. Teachers will begin to implement the Next Generation Science Standards (NGSS) into their instruction using STEM Scopes, Mystery Science, Amplify, or other NGSS aligned bridge programs.

Strategy/Activity 2

Improvement of instructional strategies and materials:

Jackson Elementary School will utilize proven instructional methods, including but not limited to, Guided Language Acquisition Design (GLAD), Daily 5, Universal Design for Learning (UDL), Response to Intervention (Rtl), and Designated and Integrated English Language Development Strategies. Frequent formative assessments will be used to identify students in need of academic intervention, and such supports will be provided using materials shown to be effective in addressing academic deficits and providing differentiated support for students performing at an advanced level. Paraeducator support is provided to all classes supporting students in areas of academic need. Enrichment opportunities, embedded within the school day and offered before or after school, will be provided to increase student engagement and assist students in advancing their learning. Homework Club will be provided after school for fourth grade students. The ELPAC assessment will be given to English Learners annually to determine the mastery of English Language skills and what instructional support is needed. Technology, including Chromebooks and iPads, will be used to further engage students and extend students' ability to access content and demonstrate understanding.

Strategy/Activity 3

Extended Learning Time, Increased Educational Opportunity & Support Services:

Jackson Elementary School will provide extended learning time and increased educational opportunities for students. Such opportunities will include access to online programs including Ten Marks, Typing Agent, Reflex Math, and Reading Counts. Field trips, coinciding with areas of study and aligned to the California State Standards, will be provided to further enhance students' learning. Students will have the opportunity to participate in our Video Production Lab, work with our 3-D printer and Robotics equipment, and learn to read music and play the recorder. Students have the opportunity to participate in Junior and Senior Choir as well as the Jackson Actors Guild. Students will have the opportunity to participate in our Instrumental Band program and our Drum Club. All students will have a dance experience culminating with a schoolwide dance performance in the fall and in the spring all students will work with professional artists in a series of art lessons culminating with the production of their own piece of art which will be displayed in the spring art show. Extracurricular learning opportunities include: drum club, garden club, Nature Bowl, Spelling Bee, Oral Interpretation, the S.A.G.E. Map Contest, Science Fair, recorder concerts, and band concerts. Electives are offered to all 4th and 5th grade students on a rotating wheel each trimester. Electives include yearbook, leadership, coding, robotics, world travel, visual art, 3-D printing, and Video Production. The K-3 classes visit the library weekly for storytime and to check out library books. The principal has storytime once a month in Kindergarten classes as well. The Reading program in the library celebrates "words read" on a monthly basis and the principal presents certificates in classrooms. Students participate in the Reading Counts program to improve their reading lexiles. In February, the school celebrates "I Love Reading Week" to promote literacy. Jackson School also participates

in the Six Flags Read to Succeed Reading Challenge. In March, the school will partner with the local business "Face in a Book" who provides an author visit/assembly to our school each spring.

Strategy/Activity 4

Staff development and professional collaboration:

Jackson Elementary School will ensure that staff members responsible for providing and overseeing instruction, including certificated teachers, classified support specialists, and site administrators, are afforded opportunities to receive up to date training on best instructional practices (see Goal 1, Strategy 2). Partnerships with the El Dorado County Office of Education and Sacramento County Office of Education will provide increased opportunities for professional development and communities of practice. "Early Release Wednesdays" will enable professional collaboration among grade levels and ensure that staff has the time needed to engage in professional growth, conduct analysis of student performance, and develop instructional strategies to best meet students' needs.

Description

SEL professional development to help increase academic engagement (See Planned Improvement #2 for amount and details)

Strategy/Activity 5

Involvement of staff, parents, and community:

Jackson Elementary School will involve staff, parents, students, and community members in school activities and planning sessions. Parents, students, and staff will have the opportunity to participate on the School Site Council and be part of the decision making process. Additionally, all teachers, classified employees, parents, and a diverse group of students will have the opportunity represent our school and provide input on the school district's Local Control Accountability Plan. Parents of English learners will be invited to participate in the District English Language Advisory Committee (DELAC). Stakeholders will be informed about opportunities to participate through our school's website, newsletters, weekly email blasts, social media, and other forms of communication. The school will work closely with the Parent Teacher Club (PTO) to improve opportunities for students and to enhance the campus.

Goals, Strategies, & Proposed Expenditures

Goal 2

Subject

Safe, clean, student-centered learning environments.

Goal Statement

Our school will provide safe, clean, student-centered learning environments that are responsive to the social-emotional needs of all children and families.

LCAP Goal

The District will provide safe, clean, student-centered learning environments that are responsive to the social-emotional needs of all children and families.

Basis for this Goal

Rescue Union School District provided surveys for all stakeholders, and teacher input was also solicited via professional discussions at staff meetings and collaboration. Parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, were meaningfully engaged in the formation of this goal. Additionally, SBAC assessment data, Lexile measurements, and DIBELS metrics were used to form this goal.

Expected Annual Measurable Outcomes

Metric/Indicator	Baseline	Expected Outcome
California Healthy Kids Survey	The California Healthy Kids Survey was administered to 5th grade students during the 2017-18 school year. The survey indicated that eighty-eight percent of students surveyed feel safe at school most or all of the time. An average of eighty-two percent of all students surveyed feel well connected. An average of eighty-three percent of all students surveyed feel that there are adults that care about them most or all of the time. Eighty-three percent of students surveyed feel that they are treated with respect by school staff most or all of the time.	Increase of 5% in all aforementioned CHKS areas.
LCAP Parent Survey	Parents expressed concerns regarding school safety, cleanliness of restrooms, and the age of our facility.	The district has reroofed several buildings, we have revamped our bathroom cleaning rotations, and purchased hand dryers for the Ruppel Center. We have established a PTO design team to redesign the landscaping for the front of the school - project completion summer of 2019. Principal will include School Safety updates in the school newsletter three times per year.

Metric/Indicator	Baseline	Expected Outcome
CA School Dashboard Chronic Absenteeism Rate	2017-2018 Chronic Absenteeism Rate was 4.6% (Green)	Reduce Chronic Absenteeism Rate by 0.5%
CA School Dashboard Suspension Rate	2017-2018 Suspension Rate was 1.6% (Orange)	Reduce Suspension Rate by 0.5%

Planned Strategies/Activities

Strategy/Activity 1

School Safety:

Jackson Elementary School will work to ensure that all students and staff are safe on campus. All employees and students will regularly participate in emergency preparedness drills and the staff will be proficient with the use of the Catapult Emergency Response System. Students will be provided with lessons on digital citizenship and online safety. All students will participate in Red Ribbon activities designed to educate children about the dangers of drug and alcohol abuse, and students in grade 5 will receive sexual health education as prescribed by law. All staff will be appropriately trained in Child Abuse Mandated Reporter requirements, and processes will be in place to ensure that visitors to the campus are appropriately supervised, and volunteers are fingerprinted and have background checks conducted. Facility inspection reports will be used to determine additional areas to improve safety and the School Site Safety Team will work with stakeholders to develop an annual Comprehensive Safety Plan.

Strategy/Activity 2

School Climate & Community Building:

Jackson Elementary School will work to ensure that all students feel connected to school and that their social, emotional, and behavioral needs are met. The Positive Behavioral Interventions and Supports (PBIS) framework will be used to create systems that teach students appropriate behaviors for locations throughout the school. The school's PBIS team will develop a positive reinforcement system to encourage and support appropriate behavior. Trauma Informed Practices will be used to help calm and re-set students who are overwhelmed or over stimulated. Comfort Corners and other areas will be established on campus as de-escalation zones where children can go to feel safe. A social-emotional book library will be available to students in the Counseling Center. Character Counts traits will be a focus each month culminating in a schoolwide assembly to celebrate positive behavior. A school counselor will be available three days per week to assist students with mental health needs. Individual counseling, small group

sessions, and whole class instruction will be provided based on a tiered system as established by beginning of the year Student SEL Inventories. School assemblies will be provided to celebrate student achievement and character development. The California Healthy Kids Survey will be administered to students in 5th grade, and the results will be analyzed by the site leadership team to determine additional areas for growth.

Strategy/Activity 3

Staff Collaboration & Professional Development:

Jackson Elementary School will provide teachers and classified support staff with professional development to continually improve school climate. Topics will include Social Emotional Learning (SEL), Trauma Informed Practices, Positive Behavioral Interventions and Supports (PBIS), Mindfulness, Restorative Justice, Alternative Discipline, and Growth Mindset. Time will be provided to teachers on Early Release Wednesdays, as well as at other times, to collaborate around school climate and develop and/or refine systems that improve school culture. The staff will participate in the California School Staff Survey (CSSS) to aide in determining topics for future collaboration.

Goals, Strategies, & Proposed Expenditures

Goal 3

Subject

Technical Infrastructure and Support Systems

Goal Statement

Our school will provide technical infrastructure and systems of support that allow quality education and effective learning environments to flourish.

LCAP Goal

The District will provide technical infrastructure and systems of support that allow quality education and effective learning environments to flourish.

Basis for this Goal

Rescue Union School District provided surveys for all stakeholders, and teacher input was also solicited via professional discussions at staff meetings and collaboration. Parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, were meaningfully engaged in the formation of this goal.

Expected Annual Measurable Outcomes

Metric/Indicator	Baseline	Expected Outcome
Williams Act/Uniform Complaints	One Williams Act/Uniform Complaints were received during the 2017-18 school year. It was resolved immediately.	100% of Williams Act/Uniform Complaints will be resolved in a timely manner.
Facility Inspection Tool	The facilities were reported to be in fair repair as measured by the Facility Inspection Tool.	Facilities will be in "good repair" or higher as measured by the 2018-19 Facility Inspection Tool.
Jackson Principal Survey	Staff report high feelings of contentedness and support, but have concerns about aging facilities	As facilities are improved, teachers will report higher levels of satisfaction with respect to facilities and grounds.

Planned Strategies/Activities

Strategy/Activity 1

Staff Collaboration & Professional Development:

Jackson Elementary School will provide non-instructional staff including secretaries and custodians with support and opportunities for job-related professional growth to improve overall school operations and efficacy. Recognizing the important role that everyone has when it comes to school culture and safety, non-instructional personnel will also be included in trainings pertaining to Social Emotional Learning (SEL), Trauma Informed Practices, Positive Behavioral Interventions and Supports (PBIS), and elements of Restorative Justice.

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

Jackson School has implemented a tiered approach for instruction. Whole group and small group instruction is used in every classroom. In addition, one to one instruction delivered by Credentialed Volunteers, retired teachers, and Books and Beyond Volunteers. Intensive small group instruction takes place in the Learning Center and Rtl strategies are used with students in need of remediation. In the 18-19 school year we have expanded the math block to 90 minutes each day at 5th grade and we have added Daily Math Practice Journals for all 3rd graders in response to a dip in math scores at 3rd and 5th grade. We have looked closely at specific classrooms with high scores on the SBAC and have had those teachers share specific strategies and techniques with their grade level teams. We have added test prep sessions for SBAC with 4th/5th teachers and the district EL Coordinator in response to a decrease in ELA/Math scores in upper grades.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

Early metrics from trimester benchmark assessments show a positive impact on math scores. Use of Interim Assessment Blocks and lessons to support the testing format will be used in the spring of 18-19. Additional support is provided for struggling students through the Learning Center as well as through the Student Success Team meetings designed to create support plans for specific students.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

Costs that were budgeted came in as expected with the exception of GLAD training because we added our Learning Center specialist to the training at a later date after the budget was established.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Annual Review and Update

SPSA Year Reviewed: 2017-18

Goal 2

Provide an innovative environment that integrates technology into the teaching and learning process to ensure that our students are engaged and well-prepared for success in high school, career, and college.

Annual Measurable Outcomes

Metric/Indicator	Expected Outcomes	Actual Outcomes
<p>Smarter Balance Summative Assessment, Parent Survey Results, and Digital Literacy Compliance Reports were used to evaluate this goal.</p>	<p>Expected outcomes are formally established in Fall 2018 for the 2018-19 school year. The actual outcome section reflects the metric data from the 2017-18 school year.</p>	<p>Metric Results for 2017-18:</p> <p>Smarter Balance Assessment (SBAC): School-wide SBAC data revealed that 73% of students in grades 3-5 met or exceeded the ELA standards and 69% of students in grades 3-5 met or exceeded the math standards.</p> <p>All students participated in Digital Literacy. The Digital Literacy Program completion certificates are on file at the District Office.</p>

Strategies/Activities for Goal 2

Planned Actions/Services	Actual Actions/Services	Proposed Expenditures	Estimated Actual Expenditures
<p>Alignment of instruction with content standards: 1.1 Students will receive computer lab instruction one hour per week in grades 2nd-5th. Instruction will be based on the district's Technology Skills Scope and Sequence and required Digital Literacy Lessons. 1.2 Students in Kindergarten and first grade will have opportunities to explore technology in the computer lab with introductory lessons each trimester and through iPad stations in the classrooms.</p>	<p>Alignment of instruction with content standards: 1.1 Students will receive computer lab instruction once per week in grades TK-3. Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

We have had a very aggressive plan for implementing a variety of technology tools and programs over the last year. Students have access to iPads in Kindergarten/first grade classes and mini iPads in the Video Production Lab. Students in 4th/5th grade have access to video editing software and CAD design software for the 3-D Printer. Students in 3rd-5th grade have 1 to 1 Chromebooks and have access to a variety of programs from home including Reflex Math, Ten Marks, Typing Agent, etc. Students in K-3 receive instruction in the Computer Lab with their classes. Parents have access to real time grades and assignment completion as well as daily communication with the classroom teacher through the Jupiter Grades program in 4th/5th grade.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

Technology has proven to be a useful tool for students of all ages and they have a great deal of opportunities to experiment with a variety of technological tools each day at school.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

There was an increase in the United Streaming/Discovery Learning License and our iPds came in slightly lower than had been budgeted.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Technology strategies/activities will be incorporated under Goal #1 under the Planned Improvements section for next year as we align our plan to the Rescue Union School District LCAP's new format.

Annual Review and Update

SPSA Year Reviewed: 2017-18

Goal 3

Support teaching and learning processes to provide a consistent, high quality, challenging, and engaging learning environment for all students.

Annual Measurable Outcomes

Metric/Indicator	Expected Outcomes	Actual Outcomes
Professional development evaluations and staff/community survey results will measure the effectiveness of these strategies.	Expected outcomes are formally established in Fall 2018 for the 2018-19 school year. The actual outcome section reflects the metric data from the 2017-18 school year.	<p>Metrics for 2017-18:</p> <p>Principal Staff Survey data revealed that staff felt that the principal had a "Very High" (92%) and "High" (8%) commitment to students, and a "Very High" (88%) and "High" (12%) commitment to staff. Staff Principal Survey data stated the principal's support of families at "Very High" (96%) and "High" (4%). Staff feels safe going to the principal with concerns (100%) and feels that concerns will be addressed (100%).</p> <p>All staff surveyed stated GLAD training was very effective professional development.</p> <p>Requests were made to provide Social Emotional Learning training for the 2018-19 school year.</p>

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

Jackson Elementary School has a strong library program with schoolwide literacy activities throughout the year. Our library collection is very large and current. The library is at the center of our campus and it is a popular destination for students. Students love our new "Reading Raceway" certificate program and enjoy watching their reading race car travel down the track over the course of the school year.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

Jackson students are excited about library programs and contests. Our Reading program celebrates students monthly for words read. Three students from each class with the largest lexile leap at the end of each trimester have a pizza lunch with the principal in the school garden. Students who read over one million words move to the "Millionaires Club" and get to go out to lunch with the principal at a restaurant off of the school campus. Our PTO supports our library with a donation of \$2500 each year in addition to Book Fair funds that are generated each year.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

There was only a slight difference in the price of materials.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Strategies/activities from this goal will be incorporated under Goal #1 under the Planned Improvements section for next year as we align our plan to the Rescue Union School District LCAP's new format.

Annual Review and Update

SPSA Year Reviewed: 2017-18

Goal 4

Enhance learning for all subgroups of students including English Language Learners, foster youth, socio-economically disadvantaged, and at-risk students through access to quality instruction, academic intervention, and social support programs.

Annual Measurable Outcomes

Metric/Indicator	Expected Outcomes	Actual Outcomes
The California Healthy Kids Survey is used to measure how safe and connected students feel at Rescue Elementary School.	Expected outcomes are formally established in Fall 2018 for the 2018-19 school year. The actual outcome section reflects the metric data from the 2017-18 school year.	The California Healthy Kids Survey was administered to 5th grade students during the 2017-18 school year. The survey indicated that eighty-eight percent of students surveyed feel safe at school most or all of the time. An average of eighty-two percent of all students surveyed feel well connected. An average of eighty-three percent of all students surveyed feel that there are adults that care about them most or all of the time. Eighty-three percent of students surveyed feel that they are treated with respect by school staff most or all of the time.
The Rescue Union School District LCAP Survey	Expected outcomes are formally established in Fall 2018 for the 2018-19 school year. The actual outcome section reflects the metric data from the 2017-18 school year.	The 2018 LCAP Parent Survey Results indicate that families feel that there is a strong positive culture and climate at Jackson Elementary. There is a common desire to provide information regarding the school's safety plan and assurance of emergency preparedness drills that are implemented for students so they know what to do in the event of an emergency. Jackson Elementary assured the community that emergency preparedness drills are conducted and emergency procedures are in place for staff and for students.
California School Dashboard Results for Suspension/Expulsion and Chronic Absenteeism.	Expected outcomes are formally established in Fall 2018 for the 2018-19 school year. The actual outcome section reflects the metric data from the 2017-18 school year.	Jackson Elementary's average suspension rate for the 2017-2018 school year was 1.6%. Average attendance rate for 2017-2018 was 97%.

Strategies/Activities for Goal 4

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

Strategies were implemented to support the students' physical health and well-being. Additional new PE equipment was purchased and a new unit on hockey was developed by the Physical Education teacher. In 2018-19 we are adding a golf unit.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

The students were enthusiastic about the new physical education units that were added to the curriculum this year. The variety of materials helps build enthusiasm for physical health and well-being.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

In addition to the hockey equipment we purchased more scooter boards and all the equipment for a badminton unit. Coaching stipends were less than budgeted because several coaches chose to volunteer their time.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

None.

Annual Review and Update

SPSA Year Reviewed: 2017-18

Goal 5

Attract, support, and retain employees who are committed, diverse, knowledgeable, and dedicated to providing quality education for our students.

Annual Measurable Outcomes

Metric/Indicator	Expected Outcomes	Actual Outcomes
Teacher Vacancies	100% of teacher positions will be filled by fully credentialed teachers	100% of teacher positions were filled by fully credentialed teachers. However, at the time of this report, a .31 FTE vacancy in the special education department existed.
Teacher Misassignments	All teachers will be appropriately assigned based on their credentials.	All teachers were appropriately assigned based on their credentials.
CSEA Survey Results	Professional development needs for non-instructional classified staff will be addressed.	Professional development needs for non-instructional classified staff were addressed including SEL and Trauma Informed Practice.

Strategies/Activities for Goal 5

Planned Actions/Services	Actual Actions/Services	Proposed Expenditures	Estimated Actual Expenditures
<p>Professional Goals:</p> <p>1.1 Teachers will develop professional goals with action plans tied to the California Standards of the Teaching Profession in September of 2017.</p> <p>1.2 The administrator will meet with each teacher to discuss staff-wide goals and individual professional goals by October of 2017.</p> <p>1.3 The administrator will meet with teachers in February of 2018 to discuss progress made on their goals and the evidence to support their goals.</p>	<p>Professional Goals:</p> <p>1.1 Teachers will develop professional goals with action plans tied to the California Standards of the Teaching Profession in September of 2017.</p> <p>1.2 The administrator will meet with each teacher to discuss staff-wide goals and individual professional goals by October of 2017.</p> <p>1.3 The administrator will meet with teachers in February of 2018 to discuss progress made on their goals and the evidence to support their goals.</p>

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

Teachers have met every Wednesday throughout the school year for either grade level team collaboration, Site Professional Development, or District Professional Development.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

Teachers submitted Collaboration notes each week outlining their grade level focus/work. Evaluations for Professional Development were given to teachers for feedback.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

None.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Teacher evaluations were positive regarding the Professional Development they had received over the course of the school year.

Annual Review and Update

SPSA Year Reviewed: 2017-18

Goal 6

Create and maintain a safe, clean campus that is conducive to the learning process.

Annual Measurable Outcomes

Metric/Indicator	Expected Outcomes	Actual Outcomes
Facility Inspection Tool	Facilities will be in “good repair” or higher as measured by the Facility Inspection Tool.	The facilities were reported to be in fair repair as measured by the Facility Inspection Tool.
Williams Act/Uniform Complaints	100% of Williams Act/Uniform Complaints will be promptly addressed and necessary deficits will be corrected.	2 Uniform Complaints were received. 100% of necessary deficits identified through the Uniform Complaint process were addressed.

Strategies/Activities for Goal 5

Planned Actions/Services	Actual Actions/Services	Proposed Expenditures	Estimated Actual Expenditures
<p>Maintain Facilities and Grounds:</p> <p>1.1 Each year the Safe School Plan will be updated and concerns/feedback will be solicited from all stakeholders including custodians, yard supervisors, staff, and School Site Council.</p> <p>1.2 The Administrator and Lead Custodian will walk the campus monthly to check the campus for all safety/facility concerns.</p> <p>1.3 Staff will complete Help Desk tickets if there are items needing repair or replacement.</p> <p>1.4 The Administrator will communicate directly on a daily basis with the Lead Custodian regarding facility needs.</p>	<p>Maintain Facilities and Grounds:</p> <p>1.1 Each year the Safe School Plan will be updated and concerns/feedback will be solicited from all stakeholders including custodians, yard supervisors, staff, and School Site Council.</p> <p>1.2 The Administrator and Lead Custodian will walk the campus monthly to check the campus for all safety/facility concerns.</p> <p>1.3 Staff will complete Help Desk tickets if there are items needing repair or replacement.</p> <p>1.4 The Administrator will communicate directly on a daily basis with the Lead Custodian regarding facility needs.</p>		

Planned Actions/Services	Actual Actions/Services	Proposed Expenditures	Estimated Actual Expenditures
<p>1.5 The Administrator will communicate with the Director of Facilities in regards to campus issues or concerns.</p> <p>1.6 The Administrator will conduct the evaluation of the custodial staff and will evaluate the Lead Custodian.</p> <p>1.7 Yard supervisors will communicate regularly with the school administrator regarding any safety issues or concerns on campus.</p> <p>1.8 Teachers will alert the Administrator regarding safety or health concerns on campus.</p> <p>1.9 Teachers will have classes do campus beautification once a month and pick up trash in their assigned zone.</p>	<p>1.5 The Administrator will communicate with the Director of Facilities in regards to campus issues or concerns.</p> <p>1.6 The Administrator will conduct the evaluation of the custodial staff and will evaluate the Lead Custodian.</p> <p>1.7 Yard supervisors will communicate regularly with the school administrator regarding any safety issues or concerns on campus.</p> <p>1.8 Teachers will alert the Administrator regarding safety or health concerns on campus.</p> <p>1.9 Teachers will have classes do campus beautification once a month and pick up trash in their assigned zone.</p>		

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

The administrator communicates regularly with all parties mentioned above to collect feedback and pursue any issues that are a concern. Stakeholders also offer suggestions to improve facilities, schedules, and routines which are enhanced regularly through staff and parent communication. We have a strong custodial team who takes great pride in our school campus.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

The school functions smoothly because the adults take ownership of their roles within the school community and the children have clear expectations which are taught and reinforced inside the classrooms and on the school yard. There is constant communication among staff and administration with the purpose of continually striving to improve our practices. All stakeholders' feedback is valued and respected and acted on with equal attention to their concerns regardless of the role they hold within the organization.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

None.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

None at this time.

Budget Summary and Consolidation

The Budget Summary is required for schools funded through the ConApp. The Consolidation of Funds is required for a school receiving funds allocated through the ConApp and consolidating those funds as part of a schoolwide program.

Budget Summary

Description	Amount
Total Funds Provided to the School Through the Consolidated Application	1119.00
Total Funds Budgeted for Strategies to Meet the Goals in the SPSA	64,518.00

Allocations by Funding Source

Funding Source	Amount	Balance
----------------	--------	---------

Expenditures by Funding Source

Funding Source	Amount
PTO	7,321.00
District Funded	5,279.00
LCFF - Supplemental	21,225.49
Local Categorical	7,000.00
None Specified	0.00
Parent Teacher Association/Parent Faculty Club (PTA/PFC/PTSO, PTO, etc.)	16,675.00
Site Formula Funds	7,018.00

Expenditures by Budget Reference

Budget Reference	Amount
1000-1999: Certificated Personnel Salaries	6,299.00
2000-2999: Classified Personnel Salaries	23,449.32
3000-3999: Employee Benefits	2,276.17
4000-4999: Books And Supplies	9,600.00
5000-5999: Services And Other Operating Expenditures	22,769.00
5700-5799: Transfers Of Direct Costs	125.00
None Specified	0.00

Expenditures by Budget Reference and Funding Source

Budget Reference	Funding Source	Amount
5000-5999: Services And Other Operating Expenditures	PTO	7,321.00
1000-1999: Certificated Personnel Salaries	District Funded	5,279.00
2000-2999: Classified Personnel Salaries	LCFF - Supplemental	19,449.32

5000-5999: Services And Other Operating Expenditures	Local Categorical	7,000.00
None Specified	None Specified	0.00
2000-2999: Classified Personnel Salaries	Parent Teacher Association/Parent Faculty Club (PTA/PFC/PTSO, PTO, etc.)	4,000.00
3000-3999: Employee Benefits	Parent Teacher Association/Parent Faculty Club (PTA/PFC/PTSO, PTO, etc.)	500.00
4000-4999: Books And Supplies	Parent Teacher Association/Parent Faculty Club (PTA/PFC/PTSO, PTO, etc.)	4,000.00
5000-5999: Services And Other Operating Expenditures	Parent Teacher Association/Parent Faculty Club (PTA/PFC/PTSO, PTO, etc.)	8,175.00
1000-1999: Certificated Personnel Salaries	Site Formula Funds	1,020.00
4000-4999: Books And Supplies	Site Formula Funds	5,600.00
5000-5999: Services And Other Operating Expenditures	Site Formula Funds	273.00
5700-5799: Transfers Of Direct Costs	Site Formula Funds	125.00

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 2 Classroom Teachers
- 1 Other School Staff
- 4 Parent or Community Members

Name of Members	Role
Michele Miller	Principal
Marion West	Classroom Teacher
Michele Driscoll	Other School Staff
Kathy Steffano	Classroom Teacher
Aimee Hepler	Parent or Community Member
CC Bensley	Parent or Community Member
David Hoff	Parent or Community Member
Kate Graves-Mercado	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 11/17/16.

Attested:

Principal, Michele Williamson on

SSC Chairperson, David Hoff on

Addendum

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

Stakeholder Involvement

Goals, Strategies, & Proposed Expenditures

Planned Strategies/Activities

Annual Review and Update

Budget Summary and Consolidation

Appendix A: Plan Requirements for Schools Funded Through the ConApp

Appendix B: Select State and Federal Programs

For additional questions or technical assistance related to completion of the SPSA template, please contact the Local Educational Agency, or the CDE's Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

Stakeholder Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. As such, the SPSA should be shared with, and schools should request input from, school site-level advisory groups, as applicable (e.g., English Learner Advisory Councils, student advisory groups, etc.).

Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

Goals, Strategies, & Proposed Expenditures

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve? A school may number the goals using the "Goal #" for ease of reference.

Basis for this Goal

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, and may include any data voluntarily developed by districts to measure pupil achievement.

Expected Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to be make in the coming year.

Planned Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. Strategies and activities that are implemented to achieve the identified goal may be grouped together. A school may number the strategy/activity using the "Strategy/Activity #" for ease of reference.

A school receiving funds allocated through the ConApp is required to describe in their strategies and activities how they will address specific state and federal requirements. A list of these requirements may be found in Appendix A: Plan Requirements for Schools Funded Through the ConApp. At a minimum a school receiving funds allocated through the ConApp must address these requirements; however, a school may describe additional strategies/activities as well.

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list and describe the proposed expenditures for the school year to implement these strategies/activities, including where those expenditures can be found in the school’s budget. The school should reference all fund sources for each proposed expenditure and should provide budget references as an object code or an object code description.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA.

Annual Review and Update

The planned goals, expected outcomes, planned strategies/activities, and proposed expenditures must be copied verbatim from the previous year’s approved SPSA. Minor typographical errors may be corrected.

Annual Measurable Outcomes

For each goal in the prior year, provide the metric/indicators, the expected outcomes, and the actual outcomes; review the actual outcomes as compared to the expected outcomes identified in the prior year for the goal.

Strategies/Activities

Identify the planned strategies/activities and the proposed expenditures to implement these strategies/activities toward achieving the described goal, then identify the actual strategies/activities implemented to meet the described goal and the estimated actual expenditures to implement the strategies/activities. As applicable, identify any changes to the student groups served.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the strategies/activities to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process.
- Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.
- Explain any material differences between Proposed Expenditures and Estimated Actual Expenditures. Minor variances in expenditures or a dollar-for-dollar accounting is not required.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

Budget Summary and Consolidation

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp. The Consolidation of Funds is required for a school receiving funds allocated through the ConApp and consolidating those funds as part of a schoolwide program.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- **Total Funds Provided to the School Through the Consolidated Application:** This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- **Total Funds Budgeted for Strategies to Meet the Goals in the SPSA:** This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school may include additional information or more detail.

Consolidation of Funds

A school receiving funds allocated through the ConApp and consolidating those funds as part of a schoolwide program is required to include a list of state and local programs and other federal programs that the school will consolidate in the schoolwide program. A list of commonly consolidated state and federal programs is provided in Appendix B: Select State and Federal Programs. List the federal funding source(s) and the amount(s) being consolidated in the schoolwide program, then list the state and/or local funding source(s) and the amount(s). Adjust the table as needed.

Appendix A: Plan Requirements for Schools Funded Through the ConApp

Basic Plan Requirements

A school receiving funds allocated through the ConApp is required to develop a SPSA. The content of a SPSA must be aligned with school goals for improving student achievement. School goals must be based upon an analysis of verifiable state data and may include any data voluntarily developed by districts to measure student achievement.

The SSC is required to develop the SPSA, which must address each of the following, as applicable:

1. A description of curricula, instructional strategies and materials responsive to the individual needs and learning styles of each student (described in the Strategies/Activities).
2. A description of instructional and auxiliary services to meet the special needs of non-English-speaking or limited-English-speaking students, including instruction in a language these students understand; educationally disadvantaged students; gifted and talented students; and students with exceptional needs (described in the Strategies/Activities).
3. A description of a staff development program for teachers, other school personnel, paraprofessionals, and volunteers, including those participating in special programs (described in the Strategies/Activities).
4. An identification of the schools' means of evaluating progress toward accomplishing its goals (described in the Expected Annual Measurable Outcomes) and an ongoing evaluation of the educational program of the school (described in the Annual Review and Update).
5. A description of how funds provided to the school through the ConApp will be used to improve the academic performance of all pupils to the level of state performance goals (described in the Proposed Expenditures for Strategies/Activities).
6. The proposed expenditures of funds available to the school through the programs described in EC Section 52851. For purposes of this subdivision, proposed expenditures of funds available to the school must include, but not be limited to, salaries and staff benefits for persons providing services for those programs (described in the Proposed Expenditures for Strategies/Activities).
7. The proposed expenditure of funds available to the school through the federal Improving America's Schools Act of 1994 and its amendments. If the school operates a state-approved schoolwide program in a manner consistent with the expenditure of funds available to the school pursuant to EC Section 52851, employees of the schoolwide program may be deemed funded by a single cost objective.
8. A description of how state and federal law governing programs identified in EC Section 64000 will be implemented, as applicable (described in the Strategies/Activities).
9. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC.

Authority cited: EC sections 64001(f)-(g) and 52853(a)(1)-(7).

Schoolwide Program Requirements

A school receiving funds allocated through the ConApp and operating a schoolwide program (SWP) must describe how the school will carry out each of the following components:

1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will
 - a. provide opportunities for all students, including socioeconomically disadvantaged students, students from major racial and ethnic groups, students with disabilities, and English learners, to meet the challenging state academic standards.
 - b. use effective methods and instructional strategies based on scientifically based research that
 - i. strengthen the core academic program in the school;
 - ii. provide an enriched and accelerated curriculum;
 - iii. increase the amount and quality of learning time;
 - iv. include strategies for meeting the educational needs of historically underserved populations;
 - v. help provide an enriched and accelerated curriculum; and
 - vi. are consistent with, and are designed to implement, state and local improvement plans, if any.
 - c. address the needs of all students in the school, but particularly the needs of those at risk of not meeting the challenging state academic standards, through activities which may include the following:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
2. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
3. A description of how the school will ensure instruction by highly qualified teachers and provide ongoing professional development, including
 - a. strategies to attract highly qualified teachers;
 - b. providing high-quality and ongoing professional development that is aligned with the state's academic standards for teachers, principals, paraprofessionals and, if appropriate, pupil services personnel, parents, and other staff, to enable all students in the school to meet the state's academic standards;
 - c. the devotion of sufficient resources to effectively carry out professional development activities; and
 - d. the inclusion of teachers in professional development activities regarding the use of academic assessments to enable them to provide information on, and to improve, the achievement of individual students and the overall instructional program.
4. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
5. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - a. Ensure that those students' difficulties are identified on a timely basis; and
 - b. Provide sufficient information on which to base effective assistance to those students.
6. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
7. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).

Authority Cited: Title 34 of the Code of Federal Regulations (34 CFR) sections 200.27(a)(3)(i)-(iii) and 200.28 and section 1114(b)(7)(A)(i)-(iii) and 1118(b) of the ESEA.

School Plan for Student Achievement (SPSA) Template

The School Plan for Student Achievement (SPSA) is meant to consolidate all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), pursuant to the California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA).

The purpose of the SPSA is to increase the overall effectiveness of the school program by crafting a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement.

The School Site Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications in the plan to reflect changing needs and priorities, as applicable, pursuant to EC 52853(b) and 52855.

California's ESSA State Plan significantly shifts the state's approach to the utilization of federal resources in support of underserved student groups. The SPSA provides schools with the opportunity to document their approach to maximizing the impact of federal investments in support of underserved students.

The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement.

School Name	Lake Forest Elementary School
Address	2240 Sailsbury Dr. El Dorado Hills, CA 95762-6984
County-District-School (CDS) Code	09619786109441
Principal	Bruce Peters
District Name	Rescue Union School District
SPSA Revision Date	2/06/2019
Schoolsite Council (SSC) Approval Date	2/06/2019
Local Board Approval Date	2/12/2019

In the pages that follow, please describe the school's plan for making the best use of federal ESEA resources in alignment with other federal, state, and local programs.

School Vision and Mission

School Vision

Lake Forest Elementary is an excellent school, providing a well-rounded education in a safe, positive atmosphere that challenges each student to achieve to his or her highest potential.

Parents and staff work together in cooperation to ensure that all students have an equal opportunity to learn and have the resources necessary to support their learning needs. Student academic achievement is supported by the standards-based curriculum, creative input from a highly skilled, diverse teaching staff and community volunteer resources.

All students are challenged to work to their greatest potential and to embody the responsible social skills and positive character traits encouraged in all Lakers.

School Mission

Lake Forest Elementary School, with the strong support and involvement of our parents and community, is committed to providing all our students with the academic, social and technological tools they need to excel both now and in their future endeavors.

Our staff is dedicated to providing a standards-based program, which emphasizes achievement, both academic and social, at the highest levels of excellence to meet the unique needs of all students.

We will provide our students with a broad range of educational experiences, study skills and organizational tools needed to become adaptable, flexible thinkers, who are proud of themselves and their accomplishments, who take responsibility for their actions, and who are ready to contribute to our school and community.

School Profile

School Profile

Lake Forest Elementary was founded in 1990 as a starter school with six classrooms and 130 students. The campus overlooks views of the surrounding hills and attractive neighborhoods, which have grown with the enrollment of the school over the past two decades. At one point in the late 90's our enrollment grew to 35 classes and nearly 840 students. In 2003-2004, Lake Forest Elementary School changed to a traditional calendar after being on a multi-track year round calendar for nine years. Currently, Lake Forest Elementary is a Transitional K-5 school serving approximately 407 students with 17 classrooms.

Student successes at Lake Forest have resulted in state and national recognition. In 2012, our school's Academic Performance Index (API) score was 937. This achievement was the highest score in Rescue Union School District history, ranked in the top 10 for all elementary schools in the Sacramento region and was the highest recorded in El Dorado Hills. In 2004 and 2014, our school was chosen for the California Distinguished School Award as one of the top achieving elementary schools in the state. This trend continued in 2013 and 2014, with academic scores consistently ranking among the highest achieving schools in El Dorado County. Initial scores from the SBAC testing from the spring of 2015 indicated continued success. The overall percentage of students scoring at grade level standard or higher was 73% in ELA and 69% in math. Both of these percentages were among the highest in the region found in elementary schools. Our results from SBAC testing conducted in the spring of 2016 showed continued success and improvement. Lake Forest students achieved an 83% ELA met or exceeded score and a 74% in math. Both scores were among the very highest in the region. In May 2018, ELA and Math SBAC scores were 69% and 64% respectively, but overall Lake Forest remained in the high achieving schools in the region.

Lake Forest Elementary School prides itself on its positive school climate and its commitment to ensuring success for all students. All teachers are credentialed and have high expectations for every student. The curriculum is challenging and encompasses varied teaching and learning approaches. Our staff collaborates regularly to discuss student success, planning, intervention strategies for struggling learners and to improve overall practice.

Currently, Lake Forest teachers and support staff are working together to address students' social and emotional needs through reviews of on-going research, and collaborative discussions to better identify students who need sensitive interventions to encourage academic success and to better develop an encouraging, caring atmosphere in the

classroom for the benefit of all students. A school counselor works directly with staff and families to create groups and administer age-appropriate lessons

Rescue Union School District strictly adheres to the state curricular frameworks and content standards. California Standards are taught in math and language arts in all grades. The core curriculum is enhanced through special learning activities such as our Science Prep Class, an hour and a half weekly program dedicated solely to Science instruction for 4th and 5th grade students; outdoor education; life lab garden science; drama, art and health, dramatic and musical productions by guest artists and student performers; and participation in events such as Nature Bowl, Festival of Oral Interpretation, and Spelling Bees. Field trips include Coloma, Sutter's Fort, Apple Hill, Discovery Museum, Sacramento Zoo, Challenger Space Camp, The Roseville Maidu Center, and various theater productions. Additionally, learning opportunities are brought to the campus through the support of the fundraising efforts of our Parent Teacher Council. Activities include beginning dance, classroom music instruction, visual and performing arts assemblies, living history presentations such as Pioneer Day and America Days, guest speakers in areas of health and fitness, visiting authors, and other curriculum-based presentations within the classroom setting.

A high value is placed on the family, and parental involvement is welcomed and encouraged. Many parents volunteer in classrooms on a regular basis and others support the school in a variety of ways. The Lake Forest School Site Council (SSC) and Parent Teacher Council (PTC) are two organizations that encourage family input and involvement. The SSC is comprised of school staff and parents who work to develop a Single Plan for Student Achievement to enhance the educational program. The PTC organizes parent and community volunteers, plans family-oriented socials, and facilitates school fundraisers to support and enhance the instructional programs. The Lake Forest PTC has been instrumental in purchasing new technology, learning programs, supporting the arts, and providing intervention for struggling students.

The curriculum focus is based on California Standards. Standards are taught at every grade level, and ongoing staff development in Language Arts, Writing, etc. supports dynamic, data-driven classroom instruction. Current district adopted curriculum includes Benchmark Advance for Language Arts instruction, Houghton Mifflin GoMath program, and Step up to Writing. Rescue Union School District is currently piloting two new Social Studies series, and a new curriculum that is aligned to state standards will be adopted in 2019-2020 school year.

Next Generation Science Standards are taught using Stem Scopes and Mystery Science. All instruction is aligned to current standards, and more district adopted programs will be added in 2020. Students participate in science-related field trips and various outreach programs through the American River Conservancy, The Sacramento Zoo, the Discovery Museum, and other sources.

All students, from second to fifth grade have one-to-one access to Chromebooks in their classrooms. Kindergarten and first-grade students use Ipads in small groups when needed. Additionally, a fully equipped technology lab with thirty computer stations is available to all students. Chromebook use is integrated into Math, Reading, Writing, Social Studies, and Science lessons on a daily basis and students also receive instruction at every grade level to meet CA state technology standards.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Student		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
American Indian	0.0%	0.0%	0%	0	0	0
African American	0.2%	0.2%	0.47%	1	1	2
Asian	5.5%	5.3%	4.94%	24	24	21
Filipino	1.4%	1.1%	0.71%	6	5	3
Hispanic/Latino	11.6%	13.8%	15.53%	51	63	66
Pacific Islander	0.0%	0.0%	0%	0	0	0
White	76.1%	74.0%	72.00%	335	338	306
Multiple/No Response	5.0%	0.0%	0%	22	0	0
Total Enrollment				440	457	425

Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	2015-16	2016-17	2017-18
Kindergarten		76	65
Grade 1		56	69
Grade 2		68	57
Grade 3		67	67
Grade 4		96	64
Grade 5		94	103
Grade 6			0
Grade 7			0
Grade 8			0
Grade 9			0
Grade 10			0
Grade 11			0
Grade 12			0
Total Enrollment		457	425

Conclusions based on this data:

- Overall enrollment continues to decrease each school year. In 2018-2019, we currently are at 423 students total, with a much lower number in 5th grades that in years previous.

2. Lake Forest traditionally only one subgroup (white) but over the past 3 years, our Hispanic/Latino population has risen to over 15%, which is the largest non-white identified subgroup we have had in many years.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
English Learners	13	13		3.0%	2.8%	
Fluent English Proficient	15	15		3.4%	3.3%	
Reclassified Fluent English Proficient	1	2		7.7%	15.4%	

Conclusions based on this data:

1. Based on current data, Lake Forest does not currently have a EL subgroup. Regardless, the students who are identified as EL are worked with on an individual bases to ensure learning needs are met.

Research/Inquiry Investigating, analyzing, and presenting information									
Grade Level	% Above Standard			% At or Near Standard			% Below Standard		
	15-16	16-17	17-18	15-16	16-17	17-18	15-16	16-17	17-18
Grade 3	54	35.38	36.92	43	60.00	47.69	3	4.62	15.38
Grade 4	44	40.82	35.48	47	47.96	58.06	9	11.22	6.45
Grade 5	58	38.54	46.94	41	48.96	41.84	1	12.50	11.22
All Grades	52	38.61	40.89	44	51.35	48.00	5	10.04	11.11

Conclusions based on this data:

1. Our scores in ELA show a large contrast in abilities. Over 41% achieved at the Above Standard level. This indicates that the instructional level in Reading is high and allows for higher achieving students to reach their potential. The Standard Nearly Met area is still nearly 20% overall, an area that has increased steadily over the past three years. The Standard Not Met is almost 12%, which is almost identical to scores in 2017.
2. 3rd, 4th and 5th graders continued to struggle in Research/Inquiry (38% Avg. Above Standard) in 2017 which was down as a group compared to the previous two testing cycles. In 2018 the Above Standard group did increase in this area to almost 41%.
3. Reading increased from '17 to '18 in the Above Standard level (40% to 42%) and all students Above, Met or Near Standard was 87% in this area overall.

Communicating Reasoning Demonstrating ability to support mathematical conclusions									
Grade Level	% Above Standard			% At or Near Standard			% Below Standard		
	15-16	16-17	17-18	15-16	16-17	17-18	15-16	16-17	17-18
Grade 3	49	43.08	56.06	45	49.23	33.33	6	7.69	10.61
Grade 4	47	41.84	48.39	42	46.94	35.48	12	11.22	16.13
Grade 5	38	30.21	24.49	50	52.08	55.10	12	17.71	20.41
All Grades	45	37.84	40.27	45	49.42	43.36	10	12.74	16.37

Conclusions based on this data:

- Overall, the number of students in grades 3rd through 5th achieving "Exceeded" or "Met" in math increased slightly from the scores from the previous year by 1% (63% to 64%) and the Standard Exceeded group increased from 32% in 2017 to 35% in 2018. This can be attributed to additional after school lessons being given to 5th graders who were in the advanced math group. Our total number of students who qualified for Marina Village Advanced math track in 6th grade doubled from any year in the past five. This further supports success in addressing advanced student needs in math.
- Concepts & Procedures was again the highest area of success in all grades in 2018 (52% Above Standard). However, it was also the area of greatest need in the below standard band (19%).
- Scores in 3rd grade were much higher than in 4th and 5th. 42% or third graders were Above standard overall and 72% At or Above overall. In each individual area, 3rd grade students scored over 50% Above Standard the highest area being in Concepts and Procedures (65% Above Standard).

Conclusions based on this data:

1. There are no significant subgroup data to report on from 2018.

School and Student Performance Data

Student Population

This section provides information about the school's student population.

2017-18 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
425	11.1%	3.5%	0.2%

This is the total number of students enrolled.

This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.

This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.

This is the percent of students whose well-being is the responsibility of a court.

2017-18 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	15	3.5%
Foster Youth	1	0.2%
Socioeconomically Disadvantaged	47	11.1%
Students with Disabilities	52	12.2%

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	2	0.5%
Asian	21	4.9%
Filipino	3	0.7%
Hispanic	66	15.5%
Two or More Races	27	6.4%
White	306	72.0%

Conclusions based on this data:

1. Socioeconomically Disadvantaged population at Lake Forest reached 11.1% in 17-18. This represents 47 students, which is the highest amount (and population %) in the 28 year history of the school.
2. Students with Disabilities is at 12.2% of the population. This puts a significant strain upon school resources to provide interventions to this group and the SEL groups based on traditional funding.

School and Student Performance Data

Overall Performance

2018 Fall Dashboard Overall Performance for All Students

Academic Performance	Academic Engagement	Conditions & Climate
English Language Arts  Green	Chronic Absenteeism  Yellow	Suspension Rate  Blue
Mathematics  Green		
English Learner Progress  No Performance Color		

Conclusions based on this data:

1. Academic performance is considered above average when compared to California schools, but our goal is to increase to the top level of success as we have in prior years.
2. Absenteeism has increased over the past year. This is mainly due to parent choices regarding vacations, and personal matters despite attendance letters and reminders being sent on a regular basis and Independent Study Contracts being established at every opportunity.
3. School Climate is an area of pride at Lake Forest. Our overall suspension rate was .2% in 2017-2018. Classroom referrals were also at a recent low. This can be attributed to both classroom and school policies, in addition to staff efforts to provide emotional and behavioral guidance throughout the year.

School and Student Performance Data

Academic Performance English Language Arts

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2018 Fall Dashboard English Language Arts Performance for All Students/Student Group		
<p>All Students</p>  <p>Green</p> <p>40.5 points above standard</p> <p>Maintained -2.1 points</p> <p>223 students</p>	<p>English Learners</p>  <p>No Performance Color</p> <p>22.1 points above standard</p> <p>11 students</p>	<p>Foster Youth</p>  <p>No Performance Color</p> <p>0 Students</p>
<p>Homeless</p>  <p>No Performance Color</p> <p>0 Students</p>	<p>Socioeconomically Disadvantaged</p>  <p>No Performance Color</p> <p>8.8 points below standard</p> <p>Declined -39.2 points</p> <p>26 students</p>	<p>Students with Disabilities</p>  <p>Orange</p> <p>14.9 points below standard</p> <p>Maintained 1.2 points</p> <p>36 students</p>

2018 Fall Dashboard English Language Arts Performance by Race/Ethnicity

African American	American Indian	Asian	Filipino
 No Performance Color 0 Students	 No Performance Color 0 Students	 No Performance Color 75.2 points above standard Increased 6.9 points 14 students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 3 students
Hispanic	Two or More Races	Pacific Islander	White
 Green 20 points above standard Maintained -1.9 points 34 students	 No Performance Color 50 points above standard Declined -12.1 points 12 students	 No Performance Color 0 Students	 Green 40.3 points above standard Maintained -1.8 points 160 students

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2018 Fall Dashboard English Language Arts Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
Less than 11 Students - Data Not Displayed for Privacy 4 students	Less than 11 Students - Data Not Displayed for Privacy 7 students	39.5 points above standard Declined -3.4 points 207 students

Conclusions based on this data:

1. Academic growth was generally maintained in 17-18, but is below recent expectations for student success.
2. We have seen a significant rise in the number of Students with Disabilities (12%) and many of those students are working below standard.

School and Student Performance Data

Academic Performance Mathematics

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2018 Fall Dashboard Mathematics Performance for All Students/Student Group		
<p>All Students</p>  <p>Green</p> <p>27.3 points above standard</p> <p>Maintained 1.4 points</p> <p>223 students</p>	<p>English Learners</p>  <p>No Performance Color</p> <p>20 points above standard</p> <p>11 students</p>	<p>Foster Youth</p>  <p>No Performance Color</p> <p>0 Students</p>
<p>Homeless</p>  <p>No Performance Color</p> <p>0 Students</p>	<p>Socioeconomically Disadvantaged</p>  <p>No Performance Color</p> <p>6 points below standard</p> <p>Declined -30 points</p> <p>26 students</p>	<p>Students with Disabilities</p>  <p>Yellow</p> <p>5.6 points below standard</p> <p>Declined -6.1 points</p> <p>36 students</p>

2018 Fall Dashboard Mathematics Performance by Race/Ethnicity

African American	American Indian	Asian	Filipino
 No Performance Color 0 Students	 No Performance Color 0 Students	 No Performance Color 50.7 points above standard Maintained 0.1 points 14 students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 3 students
Hispanic	Two or More Races	Pacific Islander	White
 Green 16.6 points above standard Maintained -2.4 points 34 students	 No Performance Color 15.8 points above standard Declined -27.7 points 12 students	 No Performance Color 0 Students	 Green 28.1 points above standard Increased 4.9 points 160 students

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2018 Fall Dashboard Mathematics Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
Less than 11 Students - Data Not Displayed for Privacy 4 students	Less than 11 Students - Data Not Displayed for Privacy 7 students	26.8 points above standard Maintained 1.4 points 207 students

Conclusions based on this data:

1. Slight gains were made overall in math, but Lake Forest is still striving for higher overall performance in 18-19.
2. Students with Disabilities performed better in math than in ELA, but there was still a decline in performance last year within this group.

School and Student Performance Data

Academic Performance English Learner Progress

This section provides a view of the percent of students performing at each level on the new English Language Proficiency Assessments for California (ELPAC) assessment. With the transition ELPAC, the 2018 Dashboard is unable to report a performance level (color) for this measure.

2018 Fall Dashboard English Language Proficiency Assessments for California Results				
Number of Students	Level 4 Well Developed	Level 3 Moderately Developed	Level 2 Somewhat Developed	Level 1 Beginning Stage
11	36.4%	45.5%	9.1%	9.1%

Conclusions based on this data:

1. The majority of Lake Forest EL students are making progress toward fluency. Over 80% (9 students out of 11) were at least at level 3 on the ELPAC.

School and Student Performance Data

Academic Engagement Chronic Absenteeism

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

2018 Fall Dashboard Chronic Absenteeism for All Students/Student Group		
<p>All Students</p>  Yellow 4.3% chronically absent Increased 0.8% 441 students	<p>English Learners</p>  No Performance Color 6.3% chronically absent Declined 0.9% 16 students	<p>Foster Youth</p>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 1 students
<p>Homeless</p>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 0 students	<p>Socioeconomically Disadvantaged</p>  Yellow 4% chronically absent Increased 0.8% 50 students	<p>Students with Disabilities</p>  Blue 1.6% chronically absent Declined 1.6% 61 students

2018 Fall Dashboard Chronic Absenteeism by Race/Ethnicity

African American	American Indian	Asian	Filipino
 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 2 students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 0 students	 No Performance Color 0% chronically absent Maintained 0% 22 students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 3 students
Hispanic	Two or More Races	Pacific Islander	White
 Yellow 4.2% chronically absent Increased 1.2% 71 students	 No Performance Color 7.1% chronically absent Increased 7.1% 28 students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 0 students	 Green 4.4% chronically absent Maintained 0.2% 315 students

Conclusions based on this data:

1. Absence rates are generally at around 4% in most student groups but did increase slightly in some areas (SED, Hispanic, and overall students).

School and Student Performance Data

Conditions & Climate Suspension Rate

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

2018 Fall Dashboard Suspension Rate for All Students/Student Group		
<p>All Students</p>  Blue 0.2% suspended at least once Declined -0.4% 447 students	<p>English Learners</p>  No Performance Color 0% suspended at least once Maintained 0% 16 students	<p>Foster Youth</p>  No Performance Color Less than 11 Students - Data Not 1 students
<p>Homeless</p>  No Performance Color 0 Students	<p>Socioeconomically Disadvantaged</p>  Blue 0% suspended at least once Maintained 0% 50 students	<p>Students with Disabilities</p>  Blue 0% suspended at least once Declined -3.1% 61 students

2018 Fall Dashboard Suspension Rate by Race/Ethnicity

African American	American Indian	Asian	Filipino
 No Performance Color Less than 11 Students - Data 2 students	 No Performance Color 0 Students	 No Performance Color 0% suspended at least once Maintained 0% 22 students	 No Performance Color Less than 11 Students - Data 3 students
Hispanic	Two or More Races	Pacific Islander	White
 Blue 0% suspended at least once Maintained 0% 71 students	 No Performance Color 0% suspended at least once Maintained 0% 28 students	 No Performance Color 0 Students	 Blue 0.3% suspended at least once Declined -0.5% 321 students

This section provides a view of the percentage of students who were suspended.

2018 Fall Dashboard Suspension Rate by Year

2016	2017	2018
0.4% suspended at least once	0.6% suspended at least once	0.2% suspended at least once

Conclusions based on this data:

1. Suspensions fell to .2% in 17-18, which represented one student for a one day suspension. This supports current practices regarding staff communication, behavioral expectations and positive climate policies presented by both classrooms and the school as a whole.

Goals, Strategies, & Proposed Expenditures

Goal 1

Subject

Educational Services

Goal Statement

Our school will provide quality educational services to maximize academic achievement for all individual students and student groups.

LCAP Goal

The District will provide quality educational services to maximize academic achievement for all individual students and student groups.

Basis for this Goal

Rescue Union School District provided surveys for all stakeholders, and teacher input was also solicited via professional discussions at staff meetings and collaboration. Parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, were meaningfully engaged in the formation of this goal. Additionally, SBAC assessment data, Lexile measurements, and DIBELS metrics were used to form this goal.

Expected Annual Measurable Outcomes

Metric/Indicator	Baseline	Expected Outcome
SBAC Results	Overall school 2018 SBAC results showed achievement of 3rd through 5th grade students at 64% proficient or better in math & 69% proficient or better in ELA	In 2019, we expect students in 3rd through 5th grades to achieve an overall score of 68% proficiency in math and an overall score of 72% in ELA.
Lexile Scores (Reading Comprehension)	<p>In May 2018, the 2nd grade classes averaged a score of 632 on the Lexile. The year end benchmark is a score of 450. 82% of the group achieved this goal. Students receiving intervention averaged 450.</p> <p>3rd grade classes averaged a Lexile score of 785 compared to the benchmark of 620. 77% of the grade level reached this goal. Students receiving intervention averaged 545, and 3 of 11 reached the grade level benchmark.</p> <p>In 4th grade, students averaged a Lexile of 874 compared to the 790 benchmark. 74% of 4th graders reached the grade level standard. Students receiving reading intervention averaged a score of 624. 2 of 9 4th graders reached the benchmark by May.</p>	<p>In 2019, we expect to maintain the high percentage of 2nd graders reaching year end Lexile benchmarks at a rate of 85% proficiency within the whole grade level.</p> <p>In 3rd grade Lexile scores will reach 84% proficiency overall on the Lexile test.</p> <p>4th graders will achieve the year end Lexile benchmark at a rate of 79% overall.</p> <p>Overall, students in 5th grade this year will achieve an overall proficiency of 77% within the grade level as of February 2019.</p>

Metric/Indicator	Baseline	Expected Outcome
	The 5th grade averaged a Lexile score of 975 in February of 2018. The year end benchmark is 875. 67% of 5th graders met this goal in February.	
DIBELS reading fluency (word per minute)	<p>At the end of May 2018, 94% of second graders met the standard for fluency when assessed using the DIBELS Oral Reading Fluency assessment.</p> <p>In grades 3-5, the average percent meeting respective grade level fluency benchmark scores was (3rd) 72%, (4th) 59% and (5th) 72%.</p>	<p>The 2nd grade score is one of the highest recorded fluency numbers at Lake Forest. Reaching 95% or better within the grade level for the incoming 2nd graders and the current 3rd graders would be expected.</p> <p>Current 4th graders would increase from last year's mark of 72% to 75% overall proficiency.</p> <p>Current 5th graders will improve their overall score of 59% reaching fluency benchmarks to 65% or better.</p>
ICA for Math	Baseline will be established for math in grades 3-5 in the winter of 18-19.	TBA

Planned Strategies/Activities

Strategy/Activity 1

Alignment of Instruction with Content Standards:

Lake Forest Elementary will utilize district adopted, standards-aligned language arts and math curriculum, and California Standards instruction will be supplemented with a variety of resources as needed. Students will continue to participate in literature-based and informational text instructional activities emphasizing literal and inferential comprehension through guided reading techniques. Students will participate in Step Up to Writing Common Core Edition activities designed to address all stages of the writing process. Students will improve their writing skills through this program and within the ELA and Social Studies adopted curricula. Teachers will begin to implement the Next Generation Science Standards (NGSS) into their instruction using STEM Scopes, Mystery Science, Amplify, or other NGSS aligned bridge programs.

Students to be Served by this Strategy/Activity

All Students

Timeline

8/9/18-5/24/19

Person(s) Responsible

Administration
Teachers

Proposed Expenditures for this Strategy/Activity

Strategy/Activity 2

Improvement of Instructional Strategies and Materials:

Lake Forest Elementary will utilize proven instructional methods, including but not limited to, Guided Language Acquisition Design (GLAD), Universal Design for Learning (UDL), Response to Intervention (Rtl), and Designated and Integrated English Language Development Strategies. Frequent formative assessment will be used to identify students in need of academic intervention, and such supports will be provided using materials shown to be effective in addressing academic deficits. Enrichment opportunities, embedded within the school day (and offered before or after school), will be provided to increase student engagement and assist students in advancing their learning. Technology, including Chromebooks and iPads, will be used to further engage students and extend students' ability to access content and demonstrate understanding.

Improvement of instructional strategies and materials will continue throughout the year. Teachers will contribute by purchasing new additional materials to support language arts and math instruction through the support of our Parent Teacher Club which dedicates \$500 per classroom each year. Lake Forest will continue to support district wide "I love Reading Week" and other school wide reading incentive programs to increase student comprehension and fluency. Our school library supports a wonderful reading incentive program through use of the online Reading Counts program, which accumulates words read by every student throughout the year. The incentives come in the form of moving your spaceship through space as you reach different words read benchmarks (from 250,000 all the way to 5 million!). New prizes and certificates (handed out at assemblies) are earned when reaching each level to celebrate student achievements.

In classrooms, teachers continue to address reading by creating leveled reading groups in grades K-3, based on current assessment data. They will continue to use small group and differentiated instruction. The LIP Coordinator, teaching staff and Principal will collect and analyze student data (DIBELS fluency scores, Lexile, local assessments) in order to assist the staff in analyzing information and set instructional goals for students. The LIP Coordinator will provide ongoing support for the School Site Council and administration in implementing and monitoring performance targets. Throughout the year, teachers will make explicit reference to the standards as they plan and implement lessons being taught.

Improvement in math and science will be a primary focus. Teachers will continue to use the Sequential Timed Math and Reflex online programs in grades 1-5 to assist students with basic facts and increase proficiency as measured by weekly assessments. We will continue to use Go Math technology components to complement California Standards instruction and stimulate learning in a challenging way. Standards-based assessments, provided with the core textbooks will continue to be used to measure the ongoing progress made by students in both math and science. The school will continue to look for the best possible materials and/or programs so that instruction in math (and all curricular areas) is keeping in step with current best practices statewide. Teachers will meet together to analyze math data from state and local standards-based assessments and use results to make changes to curriculum, instructional materials, and practices.

Strategy/Activity 3

Extended learning time and increased educational opportunity:

The Literacy Intervention program will continue in grades 3rd through 5th (368 instructional hours) and the with the help of the LIP coordinator, teachers and administration will review student data to recommend at risk readers for

interventions. The teachers and LIP coordinator will share fluency and comprehension data at least 4 times a year and reevaluate student needs on an ongoing basis. LIP will be offered during school and scheduled at appropriate times based on conversations with staff to reduce possible issues with missed class time. Students will be grouped appropriately based on learning needs and will those groups will be fluid depending on success of the participants. Before and after school interventions, administered in hour long increments, will be held twice a week in 10-12 week cycles and will coincide with classroom curriculum.

To enhance both general education and special education programs, a part-time (399 hours/year) para educator will assist with both small and large groups to improve instruction in classes 4 days a week for three hours. The aide will target reading and math development through leveled groups in primary grades or as a partner in the 4/5 blend class to provide direct grade level curriculum at key times during the week. Other increased educational opportunities will include participation in the El Dorado County Spelling Bee, Nature Bowl and the Festival of Oral Interpretation will continue as in the past. English Language Learners will receive additional instruction in English Language development by district ELL teacher. Students will have access to online academic supports such as Typing Pal and Reflex Math. To assist struggling learners and consistently monitor and adjust learning needs, we will conduct Student Study Teams on a frequent basis to evaluate identified pupils, create actions plans and support growth on the most immediate basis possible. The SST coordinator will work with staff and families to increase strategies related to individual students who may have difficulty with the regular academic program. Plans will be reviewed as determined by the team and referred to as resources are allocated and placements are made.

Students to be Served by this Strategy/Activity

Students targeted for intervention support based on assessments or advanced based on success in 5th grade math classes.

Strategy/Activity 4

Staff development and professional collaboration:

Staff members will use grade level and cross grade level articulation on early release Wednesdays to analyze achievement data, grade level lessons and alter instruction based on the changing needs of the students. Meetings after school will be used to strategize differentiation, share interventions and instructional techniques, and align formative assessment data to pacing guides and grade level content standards. Teachers will utilize articulation time to revisit the Step Up to Writing Program and Lake Forest’s writing practices to determine needs based on assessment data.

District and site administration, using information gathered from surveys and staff discussions will provide professional development in implementing California State Standards through professional development classes offered through the County Office of Education. Release time for teachers to complete trimester assessments and participate in staff development will also be offered through district funds. The school site will provide release time for teachers to observe in other classrooms on site or within the county and to participate in site based staff development, or release time for blended class teachers on field trips or other assignments that require a substitute.

Students to be Served by this Strategy/Activity

Students identified with learning needs, both at risk and advanced.

Strategy/Activity 5

Involvement of staff, parents and community:

Lake Forest will continue to make every effort to build a strong partnership with our learning community. A description of grade level expectations and California State Standards will be presented to parents during Back-to -School-Night and referenced during yearly conferences. Site Council, with staff and parent representatives, will review data on overall student assessment results and participate in planning school wide improvements. Our Parent Teacher Council will also be informed at monthly meetings of on-going school issues and developments to help guide goals for support throughout the year. Furthermore, Lake Forest staff will work to assist our PTC with social events and activities designed to bring our families together, such as the Fall Festival, Dolphin Dash, Santa Breakfast, Kindergarten Playdate, campus improvement weekends and social gatherings scheduled during the school year.

Parents will receive his/her student’s individual state assessment results in the summer following SBAC testing cycles. K-5 teachers will send home written communications through email, newsletters and webpages describing current areas of curriculum focus and activities taking place in classrooms. The school will email a monthly newsletter, highlighting student success, sharing events and informing families of upcoming ways that they can be involved in their child's education. These newsletters will be connected to the PTC newsletter, so that parents get a complete range of information on all things Lake Forest.

Goals, Strategies, & Proposed Expenditures

Goal 2

Subject

Safe, clean, student-centered learning environments.

Goal Statement

Our school will provide safe, clean, student-centered learning environments that are responsive to the social-emotional needs of all children and families.

LCAP Goal

The District will provide safe, clean, student-centered learning environments that are responsive to the social-emotional needs of all children and families.

Basis for this Goal

Rescue Union School District provided surveys for all stakeholders, and teacher input was also solicited via professional discussions at staff meetings and collaboration. Parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, were meaningfully engaged in the formation of this goal. Additionally, 2017 SBAC assessment data, Math adoption (GO Math) assessments were used to form this goal.

Expected Annual Measurable Outcomes

Metric/Indicator	Baseline	Expected Outcome
California Healthy Kids Survey Results	On the 17-18 CHKS, 55 total respondents in 5th grade stated that they feel safe at school 81% of the time. On the same survey 80% of students said they are happy at school most of the time or more.	In 18-19, we expect that 85% of 5th graders who take the CHKS will state that they feel safe at school, and more than than 84% will mark that they are happy at school most of the time or more.
School Suspension Data	In 2017-2018, Lake Forest had a suspension rate of .2%, which amounted to 1 student suspended for one day.	California school are always looking for alternative ways to reduce suspensions. Despite the very low rate in 17-18, we will expect a rate of 0% in 2018-2019 and work to find other ways to counsel children an support their behavioral and emotional needs.

Planned Strategies/Activities

Strategy/Activity 1

School Safety:

The entire learning community at Lake Forest understands that the safety of our students is of the utmost importance. Staff and students regularly participates in drills designed to train everyone to react in the most efficient and appropriate ways to ensure our children are protected in the event of emergency. Lake Forest schedules these activities, which are in constant flux based on the recommendations of local law enforcement and fire department personnel, to fine tune our practices, improve communication and increase our reaction to changing in our normal schedule. Teachers work

with the Catapult Emergency Response System, and internally will discuss best practices with district personnel and the guidance of stakeholders such as SSC, PTC and other parents. Staff will be trained in mandated reporter procedures, sexual harassment laws for students and adults, and will monitor visitor policies and volunteer requirements as established by RUSD.

Other school safety policies will continue to be promoted. Parking lot safety will be discussed at Kindergarten Orientation and Back-to-School Night; a brochure describing safe arrival and departure practices for vehicles will be given to parents; periodic reminders about safety issues will be put into the site newsletter and issues addressed in the Safe School Plan. All classroom emergency backpacks will be inventoried and restocked with appropriate supplies. School rules will be reviewed and published for recess games and provided to teachers and yard supervisors. Parent and student volunteers will wear identification badges or visitor/volunteer stickers while visiting on campus and all staff will be trained to look for these labels and address people on campus without who are not identified according to our policies.

Strategy/Activity 2

School Climate and Community Building:

Lake Forest School always strives to create the most student-centered environment possible to enrich the education that our children receive and connect them to school. This is done in a multitude of ways to support academic, social emotional and behavioral needs. In addition to constantly looking at our safety procedures, we also evaluate the physical environment and work with our learning community (PTC Beautification) and district to improve grounds and add beautification projects. Social Emotional Learning has been a major focus in recent years. Through the support of our district, Lake Forest received counseling services three days a week. Our school counselor has been instrumental in providing social instruction in classrooms, runs groups targeting social concerns on campus and in general is a fantastic resource for students who struggle emotionally during the year. Furthermore, PBIS (Positive Behavioral Interventions and Supports) is in the process of being developed throughout our district and will be implemented in the Spring of 2019. The aspects of PBIS are developed by stakeholders at our site which develop consistent rules, expectations and reward policies. Lessons will be developed for each grade on a variety of SEL subjects and available for teacher use.

Students have many options for gaining greater connection to their school. We have student Leadership, Safety Patrol, library helpers, buddy classes, enrichment, arts and sports. Students will also receive character education through Character Counts lessons that focus on a monthly trait. Assemblies will also be provided that will focus on tolerance and caring for others. Our annual A Touch Of Understanding presentation for 4th graders has been a benefit to understanding people with disabilities for ten years. Our PTC provides additional assemblies which center of anti-bullying and kindness towards others as well. Lake Forest is also proud to annual host our Veterans Day Assembly honoring local military members. Other student events that build our community and connect our students to school is Pioneer Day, Dance Extravaganza and Talent Show. We also have the great privilege of participating in Project LEAD, which teaches students about making great choices and the legal system. It is provided by the El Dorado County District Attorney's office and is a 20 week program which concludes with a mock trial at the county courthouse which is run exclusively by our 5th grade students.

Goals, Strategies, & Proposed Expenditures

Goal 3

Subject

Technical Infrastructure and Support Systems

Goal Statement

Our school will provide technical infrastructure and systems of support that allow quality education and effective learning environments to flourish.

LCAP Goal

The District will provide technical infrastructure and systems of support that allow quality education and effective learning environments to flourish.

Basis for this Goal

Rescue Union School District provided surveys for all stakeholders, and teacher input was also solicited via professional discussions at staff meetings and collaboration. Parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, were meaningfully engaged in the formation of this goal.

Expected Annual Measurable Outcomes

Metric/Indicator	Baseline	Expected Outcome
Facility Inspection tool	The state of Lake Forest facilities were reported to be "Fair" in 2017-2018 on the School Accountability Report Card	In 2018-19 we will continue to report concerns to our Facilities Department and upgrade through Beautification projects to earn a higher rating.

Planned Strategies/Activities

Strategy/Activity 1

Staff Development and Professional Development:

As stated in previous goals, Lake Forest will provide training in academic strategies, SEL practices and safety. Non-instructional staff including secretaries and custodians will be provided with support and opportunities for job-related professional growth to improve overall school operations and efficacy. Recognizing the important role that everyone has when it comes to school culture and safety, non-instructional personnel will also be included in trainings pertaining to SEL, Trauma-Informed Practices, PBIS, Mindfulness and Growth Mindset. Non-instructional support staff will also participate in the California School Staff Survey to aide in determining areas where we can offer additional support.

Strategy/Activity 2

Facilities and Technology Infrastructure:

Lake Forest Elementary School will provide facilities, technology, furniture, and supplies that maximize the effectiveness of school operations. The school, working in conjunction with the RUSD Maintenance and Operations Department, will use the Facilities Inspections Tool (FIT) to determine areas for facility improvement. Improvements deemed necessary will be communication to RUSD Maintenance personnel. We will engage in school beautification projects the support of our PTC. Our Garden Coordinator will connect with PTC Beautification to provide guidance on projects and structure science based lessons in our school garden. A strong connection to the local scout troops will be maintained by continuing to support Eagle Scout Projects that will enhance Lake Forest beauty and provide a better experience for our students.

Annual Review and Update

SPSA Year Reviewed: 2017-18

Goal 1

All students, regardless of gender, ethnicity, language or economics will demonstrate an increase in learning outcomes in English Language Arts and Writing. Innovative, engaging, and student-centered instruction, aligned to the California Standards, will be employed in all classrooms and throughout the learning environment.

Annual Measurable Outcomes

Metric/Indicator	Expected Outcomes	Actual Outcomes
<p>SBAC scores, Lexile measurements and fluency scores were used to evaluate this goal.</p>	<p>Overall ELA scores on the SBAC assessment showed that students in grades 3rd through 5th scored 71% proficient or advanced in 16-17. We expected an outcome of 76% in 17-18.</p> <p>At the end of May 2017, 84% of second graders met the standard for fluency and 82% when assessed using the DIBELS Oral Reading Fluency assessment. Additionally, those receiving intervention averaged above the benchmark for the grade level. In grades 3-5, the average percent meeting respective grade level fluency benchmark score was 58%, 70% and 88%, respectively.</p> <p>Our ongoing goal for improvement in fluency was 5% growth in all grade levels. Lexile growth was not a measurement on last years SPSA for Lake Forest. It will be used this year.</p>	<p>Overall school 2018 SBAC results showed achievement of 3rd through 5th grade students at 64% proficient or better in math & 69% proficient or better in ELA.</p> <p>In May 2018, the 2nd grade classes averaged a score of 632 on the the Lexile. The year end benchmark is a score of 450. 82% of the group achieved this goal. Students receiving intervention averaged 450.</p> <p>3rd grade classes averaged a Lexile score of 785 compared to the benchmark of 620. 77% of the grade level reached this goal. Students receiving intervention averaged 545, and 3 of 11 reached the grade level benchmark.</p> <p>In 4th grade, students averaged a Lexile of 874 compared to the 790 benchmark. 74% of 4th graders reached the grade level standard. Students receiving reading intervention averaged a score of 624. 2 of 9 4th graders reached the benchmark by May.</p> <p>The 5th grade averaged a Lexile score of 975 in February of 2018. The year end benchmark is 875. 67% of 5th graders met this goal in February.</p> <p>At the end of May 2018, 94% of second graders met the standard for fluency when assessed using the DIBELS Oral Reading Fluency assessment.</p> <p>In grades 3-5, the average percent meeting respective grade level fluency benchmark scores was (3rd) 72%, (4th) 59% and (5th) 72%.</p>

Strategies/Activities for Goal 1

Planned Actions/Services	Actual Actions/Services	Proposed Expenditures	Estimated Actual Expenditures
<p>Alignment of instruction with content standards:</p> <p>1.1 Staff and students will use the district adopted, standards-based Benchmark Language Arts program, but will supplement with additional lessons designed to address the new California State Standards that do not align with that program.</p> <p>1.2 Classroom Assessments and district assessment data will be used to plan instruction, and develop flexible groupings based on student needs.</p> <p>1.3 Students will have opportunities to use technology tools for individual and collaborative writing, communicating, and publishing activities.</p> <p>1.4 Standards-based report cards will be used to inform students and parents of students' progress towards state standards.</p> <p>1.5 Students will continue to have daily opportunities for sustained silent reading of self-selected literature books.</p> <p>1.6 Students will participate in instructional activities on a regular basis designed to address all stages of the writing process using Step Up To Writing materials as well as the district adopted ELA curricula.</p> <p>1.7 Students will have regular opportunities to assess their own writing using grade level rubrics</p>	<p>1.1 Staff and students will use the district adopted, standards-based Benchmark Language Arts program, but will supplement with additional lessons designed to address the new California State Standards that do not align with that program.</p> <p>1.2 Classroom Assessments and district assessment data will be used to plan instruction, and develop flexible groupings based on student needs.</p> <p>1.3 Students will have opportunities to use technology tools for individual and collaborative writing, communicating, and publishing activities.</p> <p>1.4 Standards-based report cards will be used to inform students and parents of students' progress towards state standards.</p> <p>1.5 Students will continue to have daily opportunities for sustained silent reading of self-selected literature books.</p> <p>1.6 Students will participate in instructional activities on a regular basis designed to address all stages of the writing process using Step Up To Writing materials as well as the district adopted ELA curricula.</p> <p>1.7 Students will have regular opportunities to assess their own writing using grade level rubrics while learning to identify</p>

trimester and as needed throughout the year. 8.3 Effectiveness of school programs will be monitored by the Administration through discussions with Lake Forest staff, PTC and the School Site Council.	monitored by the Administration through discussions with Lake Forest staff, PTC and the School Site Council.		

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

Lake Forest has been successful in supporting reading and math needs through in school and before school intervention. We are fortunate to have many teachers and aides who have been a part of this program for many years and the consistency has been a benefit when establishing schedules, evaluating students and ultimately delivering instruction.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

As was stated in the analysis section of this plan, SBAC scores in ELA and Math were maintained and only grew slightly from the previous year. ELA specifically dropped from 71% overall to 69% in 2018. The reading comprehension and fluency scores in students receiving intervention did show growth, and in some grade levels even met benchmark standards for the year. There is still work to be done, especially in the current 5th grade, which has a higher number of students to support based on last year's measurements.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

An increase in amount of intervention funds for before school remediation was due to the higher number of students falling below standard on SBAC assessments in 16-17. The Literacy Intervention Aide amount was estimated at 8000. the number listed shows the actual amount for salary benefits and vacation pay.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

The changes are listed in Goals 1-3 of this plan and are created to better align with the RUSD LCAP.

Annual Review and Update

SPSA Year Reviewed: 2017-18

Goal 2

Provide an innovative environment that integrates technology into the learning process, and supports success in math and science to ensure that our students are engaged and well-prepared for success in high school, career and college.

Annual Measurable Outcomes

Metric/Indicator	Expected Outcomes	Actual Outcomes
<p>Smarter Balanced Summative Assessments in grades 3-5 as well as local curriculum assessments taken by staff were used to create this goal.</p>	<p>The school will measure the progress of this goal using assessment data from the Smarter Balanced Summative Assessment. Our school goal is 10%, an increase to 74% overall, in the total number of students meeting or exceeding grade level math standards as measured by the SBAC Summative Assessment.</p>	<p>Overall school 2018 SBAC results showed achievement of 3rd through 5th grade students at 64% proficient or better in math & 69% proficient or better in ELA.</p>

Strategies/Activities for Goal 2

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

Math was a major focus for Lake Forest in 16-17 and continues to be a high priority this year. Teachers level math groups in grades 4 and 5. An uninterrupted block of 75 minutes is set aside each day for math instruction that coincides with the Learning Center schedule to create more groups of students with similar skills so that instruction is more focused on student needs. Intervention in math increased in 17-18, but the school also introduced math enrichment courses for the first time after school to recommended high achieving 5th graders. This enrichment was highly successful and well attended. Many students who attended these courses earned entry into the Marina Village Middle School advanced math pathway in 6th grade.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

Math scores on the SBAC assessment did slightly improve (1%) from the previous testing period. There remained a high number of students who scored in the Above Standard band in math (35%-41%) in grades 3rd through 5th, which indicates quality instruction despite modest overall growth.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

The intervention funds number is the same as in Goal 1. These before school intervention amounts are the same funds (\$6500) and not two different funds for ELA and math.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Math strategies and activities will be addressed for the current year in Goal 1 Planned Improvements and will be in accordance with goals in the RUSD LCAP.

Annual Review and Update

SPSA Year Reviewed: 2017-18

Goal 3

Support teaching and learning processes to provide a consistent, high quality, challenging, and engaging learning environment for all students, particularly in physical education, safety, and health.

Annual Measurable Outcomes

Metric/Indicator	Expected Outcomes	Actual Outcomes
<p>The school will measure the progress of this goal using information from trimester fitness testing and the 5th grade Fitnessgram results to effectively evaluate health and wellness programs.</p>	<p>Last years results for 5th grade performance on the Fitnessgram are currently used for data analysis. Traditionally student goals for achieving competency in at least 5 of 6 tested areas ranges near 80% or more. In 2017, the scores were consistent with that trend. Over 95% or more were in the Healthy Fitness Zone on 3 of 6 tested areas, which were primarily focused on strength activities. Aerobic capacity was 83% HFZ, and body composition (79% HFZ). Flexibility scores were 76% HFZ and were the lowest of all tested areas.</p> <p>Our fitness goal for 5th graders in 2018 is 85% (average) or higher HFZ in all 6 areas of the Fitnessgram and/or 90% of all 5 areas on the Spring Fitnessgram assessment.</p>	<p>On the California Fitness Report for Lake Forest School, the results were as follows:</p> <p>Aerobic Capacity: 80% in Healthy Zone Body Composition: 77% in Healthy Zone Abdominal Strength: 95 in Healthy Zone Trunk Extension: 100% in Healthy Zone Upper Body Strength: 83% in Healthy Zone Flexibility: 79% in Healthy Zone</p> <p>Overall, 77% scored in the HFZ in all 6 areas. 79% scored in the HFZ in 5 of 6 areas.</p>

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

Lake Forest continues to promote an active lifestyle in our students. All classes participate in 200 minutes of PE minimum over each two week period. Sports, dance, fitness evaluations and lessons continue as they have in the past.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

Our scores on the CA Fitness Test largely remained the same as in the previous year. The number of students who achieve the highest ranking on the Fitness Tests was 77%, which was below the goal of 85% for the past year. We did improve in some areas such as flexibility and trunk extension.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

The cost of our dance program exceeded the original budget because we added two weeks of instruction. Our generous PTC was able to cover the additional amount.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Changes will be listed in Goal 1 of the Planned Improvements for 18-19 section of this plan and will be based on RUSD LCAP.

Annual Review and Update

SPSA Year Reviewed: 2017-18

Goal 4

Enhance learning for all subgroups of students including English Language Learners, foster youth, socio-economically disadvantaged, and at-risk students through access to quality instruction, literary materials, academic intervention and social support programs.

Annual Measurable Outcomes

Metric/Indicator	Expected Outcomes	Actual Outcomes
The school will measure the progress of this goal using assessment data from the California Healthy Kids Survey, Smarter Balanced Summative and Interim Assessments, CELDT Scores, suspension/expulsion rates, and attendance rates.	Our school goal is a 10% increase in the number of EL students meeting or exceeding the grade level standard as measured by the SBAC Summative Assessment and DIBELS measures and that all students reach grade level fluency benchmarks by the end of their current school year.	We currently do not have a significant subgroup in EL learners, However, the majority of Lake Forest EL students are making progress toward fluency. Over 80% (9 students out of 11) were at least at level 3 on the ELPAC. Our school suspension rate fell from .6% to .2% in 2017-18.

Strategies/Activities for Goal 4

Planned Actions/Services	Actual Actions/Services	Proposed Expenditures	Estimated Actual Expenditures
<p>Collection: Alignment of instruction with content standards</p> <p>1.1 Staff will complete and analyze annual school collection history and determine priorities for purchase.</p> <p>1.2 Through fundraising efforts (such as annual Book Fairs), staff and parent community members will continue to support the goal of 25+ books per student.</p> <p>1.3 Library staff will complete annual CDE Online School Library Survey.</p> <p>1.4 The library collection will support the linguistic and cultural diversity of the student population and meet the needs of all students.</p>	<p>1.1 Staff will complete and analyze annual school collection history and determine priorities for purchase.</p> <p>1.2 Through fundraising efforts (such as annual Book Fairs), staff and parent community members will continue to support the goal of 25+ books per student.</p> <p>1.3 Library staff will complete annual CDE Online School Library Survey.</p> <p>1.4 The library collection will support the linguistic and cultural diversity of the student population and meet the needs of all students.</p> <p>1.5 The library collection will support the state standards and</p>	<p>Purchase Books for the Library 4000-4999: Books And Supplies Donations 5000</p>	<p>Purchase Books for the Library 4000-4999: Books And Supplies Donations 4650</p>

Providing support for disadvantaged students 6.1 Staff will be educated and surveyed on programs available to both foster youth and economically disadvantaged students. EDCOE programs will be offered to families who are identified as eligible, such as McKinney-Vento funds for the homeless and Kinship Care services.	6.1 Staff will be educated and surveyed on programs available to both foster youth and economically disadvantaged students. EDCOE programs will be offered to families who are identified as eligible, such as McKinney-Vento funds for the homeless and Kinship Care services.		

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

Despite an insignificant number of students to form a subgroup in EL students, SEL, or foster youth last year, Lake Forest continued to look for ways to enhance students with the highest needs. Individually, we address student needs and develop learning plans, if needed through the Student Study Team or IEP process. EL student needs are discussed with the RUSD EL Coordinator, who provides insight to possible strategies that can help these learners. We currently only have 4 such students, but attention is still paid to the needs of this group.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

The success of EL learners at Lake Forest have been encouraging. We have had the majority of our 11 students make progress this year on the ELPAC assessment. Many of our previously identified learners were promoted out of EL Designation last year.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

N/A

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Changes will be listed in Goal 1 of the Planned Improvements for 18-19 section of this plan and will be based on RUSD LCAP.

Annual Review and Update

SPSA Year Reviewed: 2017-18

Goal 5

Attract, support, and retain employees who are committed, diverse, knowledgeable, and dedicated to providing quality education for our students.

Annual Measurable Outcomes

Metric/Indicator	Expected Outcomes	Actual Outcomes
Teacher Vacancies	100% of teacher positions will be filled by fully credentialed teachers	100% of teacher positions were filled by fully credentialed teachers
Teacher Misassignments	All teachers will be appropriately assigned based on their credentials.	All teachers were appropriately assigned based on their credentials.
CSEA Survey Results	Professional development needs for non-instructional classified staff will be addressed.	Professional development needs for non-instructional classified staff were addressed if brought to the attention of administration (none in 17-18).

Strategies/Activities for Goal 5

Planned Actions/Services	Actual Actions/Services	Proposed Expenditures	Estimated Actual Expenditures
<p>Professional Goals:</p> <p>1.1 Teachers will develop professional goals with action plans tied to the California Standards of the Teaching Profession in September of 2017.</p> <p>1.2 The administrator will meet with each teacher to discuss staff-wide goals and individual professional goals by October of 2017.</p> <p>1.3 The administrator will receive written updates from teachers in February of 2018 to discuss progress made on their goals and the evidence to support their goals.</p> <p>1.4 The administrator will visit classrooms and</p>	<p>Professional Goals:</p> <p>1.1 Teachers will develop professional goals with action plans tied to the California Standards of the Teaching Profession in September of 2017.</p> <p>1.2 The administrator will meet with each teacher to discuss staff-wide goals and individual professional goals by October of 2017.</p> <p>1.3 The administrator will receive written updates from teachers in February of 2018 to discuss progress made on their goals and the evidence to support their goals.</p> <p>1.4 The administrator will visit classrooms and</p>	<p>Release time to conduct conferences to discuss professional goals 1000-1999: Certificated Personnel Salaries Site Formula Funds 250</p>	<p>Release time to conduct conferences to discuss professional goals 1000-1999: Certificated Personnel Salaries Site Formula Funds 1250</p>

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

Lake Forest had no credentialing needs or concerns in 2017-18.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

Lake Forest teachers are surveyed each year to submit topics for Professional Development through the site. Math PD was offered through the district and county in 2017-18. Many teachers took advantage of sub time and conferences to improve practices in math. Scores improved slightly, but math will still be a focus this year.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

Additional funds were added to the staff development budget to address math instruction.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Lake Forest had no credentialing needs or concerns in 2017-18.

Annual Review and Update

SPSA Year Reviewed: 2017-18

Goal 6

Create and maintain a safe, clean campus that is conducive to the learning process.

Annual Measurable Outcomes

Metric/Indicator	Expected Outcomes	Actual Outcomes
Facility Inspection Tool	Facilities will be in “good repair” or higher as measured by the Facility Inspection Tool.	The facilities were reported to be in fair repair as measured by the Facility Inspection Tool.
Williams Act/Uniform Complaints	100% of Williams Act/Uniform Complaints will be promptly addressed and necessary deficits will be corrected.	Zero Williams Act/Uniform Complaints were received.

Strategies/Activities for Goal 5

Planned Actions/Services	Actual Actions/Services	Proposed Expenditures	Estimated Actual Expenditures
<p>Maintain Facilities and Grounds:</p> <p>1.1 Each year the Safe School Plan will be updated and concerns/feedback will be solicited from all stakeholders including custodians, yard supervisors, staff, and School Site Council.</p> <p>1.2 The Administrator and Lead Custodian will walk the campus monthly to check the campus for all safety/facility concerns.</p> <p>1.3 Staff will complete Help Desk tickets if there are items needing repair or replacement.</p> <p>1.4 The administrator will communicate directly on a daily basis with the Lead Custodian regarding facility needs.</p>	<p>Maintain Facilities and Grounds:</p> <p>1.1 Each year the Safe School Plan will be updated and concerns/feedback will be solicited from all stakeholders including custodians, yard supervisors, staff, and School Site Council.</p> <p>1.2 The Administrator and Lead Custodian will walk the campus monthly to check the campus for all safety/facility concerns.</p> <p>1.3 Staff will complete Help Desk tickets if there are items needing repair or replacement.</p> <p>1.4 The administrator will communicate directly on a daily basis with the Lead Custodian regarding facility needs.</p>		

Planned Actions/Services	Actual Actions/Services	Proposed Expenditures	Estimated Actual Expenditures
<p>1.5 The administrator will communicate with the Director of Facilities in regards to campus issues or concerns.</p> <p>1.6 The administrator will provide feedback to custodial staff throughout the year and will evaluate staff as stated in the contract.</p> <p>1.7 Yard supervisors will communicate regularly with the school administrator regarding any safety issues or concerns on campus.</p> <p>1.8 School staff will alert the administrator regarding safety or health concerns on campus.</p> <p>1.9 Teachers and yard duty staff will encourage students to increase beautification by picking up trash on the playground.</p>	<p>1.5 The administrator will communicate with the Director of Facilities in regards to campus issues or concerns.</p> <p>1.6 The administrator will provide feedback to custodial staff throughout the year and will evaluate staff as stated in the contract.</p> <p>1.7 Yard supervisors will communicate regularly with the school administrator regarding any safety issues or concerns on campus.</p> <p>1.8 School staff will alert the administrator regarding safety or health concerns on campus.</p> <p>1.9 Teachers and yard duty staff will encourage students to increase beautification by picking up trash on the playground</p>		

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

Yard duty communication increased last year. The change in Early Release schedules allowed for additional time work on teaching recess games and support staff needs during work hours.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

The district system for alerting the Facilities Department of school needs has been an effective way to communicate and get projects completed in a timely manner.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

N/A

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Lake Forest had no credentialing needs or concerns in 2017-18.

Budget Summary and Consolidation

The Budget Summary is required for schools funded through the ConApp. The Consolidation of Funds is required for a school receiving funds allocated through the ConApp and consolidating those funds as part of a schoolwide program.

Budget Summary

Description	Amount
Total Funds Provided to the School Through the Consolidated Application	
Total Funds Budgeted for Strategies to Meet the Goals in the SPSA	

Allocations by Funding Source

5000-5999: Services And Other Operating Expenditures	LCFF - Supplemental	2,000.00
4000-4999: Books And Supplies	Parent Teacher Association/Parent Faculty Club (PTA/PFC/PTSO, PTO, etc.)	22,500.00
5000-5999: Services And Other Operating Expenditures	Parent Teacher Association/Parent Faculty Club (PTA/PFC/PTSO, PTO, etc.)	14,800.00
5800: Professional/Consulting Services And Operating Expenditures	Parent Teacher Association/Parent Faculty Club (PTA/PFC/PTSO, PTO, etc.)	600.00
1000-1999: Certificated Personnel Salaries	Site Formula Funds	20,900.00
5000-5999: Services And Other Operating Expenditures	Site Formula Funds	1,000.00
5800: Professional/Consulting Services And Operating Expenditures	Site Formula Funds	3,000.00
5000-5999: Services And Other Operating Expenditures	Title II Part A: Improving Teacher Quality	1,750.00

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 1 Other School Staff
- 5 Parent or Community Members

Name of Members	Role
Bruce Peters	Principal
Rebecca Labau	Parent or Community Member
Kurt Oneto	Parent or Community Member
Tami Madera	Parent or Community Member
Lonnie Dickson	Parent or Community Member
Tessa Lopes	Parent or Community Member
Sue Belli	Other School Staff
Ana Mountain	Classroom Teacher
Lisa Doig	Classroom Teacher
Carol Tinney	Classroom Teacher

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 2/5/2019.

Attested:

Principal, Bruce Peters on 2/6/19

SSC Chairperson, Rebecca Labau on 2/6/19

Addendum

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

Stakeholder Involvement

Goals, Strategies, & Proposed Expenditures

Planned Strategies/Activities

Annual Review and Update

Budget Summary and Consolidation

Appendix A: Plan Requirements for Schools Funded Through the ConApp

Appendix B: Select State and Federal Programs

For additional questions or technical assistance related to completion of the SPSA template, please contact the Local Educational Agency, or the CDE's Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

Stakeholder Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. As such, the SPSA should be shared with, and schools should request input from, school site-level advisory groups, as applicable (e.g., English Learner Advisory Councils, student advisory groups, etc.).

Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

Goals, Strategies, & Proposed Expenditures

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve? A school may number the goals using the "Goal #" for ease of reference.

Basis for this Goal

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, and may include any data voluntarily developed by districts to measure pupil achievement.

Expected Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to be make in the coming year.

Planned Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. Strategies and activities that are implemented to achieve the identified goal may be grouped together. A school may number the strategy/activity using the "Strategy/Activity #" for ease of reference.

A school receiving funds allocated through the ConApp is required to describe in their strategies and activities how they will address specific state and federal requirements. A list of these requirements may be found in Appendix A: Plan Requirements for Schools Funded Through the ConApp. At a minimum a school receiving funds allocated through the ConApp must address these requirements; however, a school may describe additional strategies/activities as well.

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list and describe the proposed expenditures for the school year to implement these strategies/activities, including where those expenditures can be found in the school’s budget. The school should reference all fund sources for each proposed expenditure and should provide budget references as an object code or an object code description.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA.

Annual Review and Update

The planned goals, expected outcomes, planned strategies/activities, and proposed expenditures must be copied verbatim from the previous year’s approved SPSA. Minor typographical errors may be corrected.

Annual Measurable Outcomes

For each goal in the prior year, provide the metric/indicators, the expected outcomes, and the actual outcomes; review the actual outcomes as compared to the expected outcomes identified in the prior year for the goal.

Strategies/Activities

Identify the planned strategies/activities and the proposed expenditures to implement these strategies/activities toward achieving the described goal, then identify the actual strategies/activities implemented to meet the described goal and the estimated actual expenditures to implement the strategies/activities. As applicable, identify any changes to the student groups served.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the strategies/activities to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process.
- Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.
- Explain any material differences between Proposed Expenditures and Estimated Actual Expenditures. Minor variances in expenditures or a dollar-for-dollar accounting is not required.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

Budget Summary and Consolidation

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp. The Consolidation of Funds is required for a school receiving funds allocated through the ConApp and consolidating those funds as part of a schoolwide program.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- **Total Funds Provided to the School Through the Consolidated Application:** This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- **Total Funds Budgeted for Strategies to Meet the Goals in the SPSA:** This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school may include additional information or more detail.

Consolidation of Funds

A school receiving funds allocated through the ConApp and consolidating those funds as part of a schoolwide program is required to include a list of state and local programs and other federal programs that the school will consolidate in the schoolwide program. A list of commonly consolidated state and federal programs is provided in Appendix B: Select State and Federal Programs. List the federal funding source(s) and the amount(s) being consolidated in the schoolwide program, then list the state and/or local funding source(s) and the amount(s). Adjust the table as needed.

Appendix A: Plan Requirements for Schools Funded Through the ConApp

Basic Plan Requirements

A school receiving funds allocated through the ConApp is required to develop a SPSA. The content of a SPSA must be aligned with school goals for improving student achievement. School goals must be based upon an analysis of verifiable state data and may include any data voluntarily developed by districts to measure student achievement.

The SSC is required to develop the SPSA, which must address each of the following, as applicable:

1. A description of curricula, instructional strategies and materials responsive to the individual needs and learning styles of each student (described in the Strategies/Activities).
2. A description of instructional and auxiliary services to meet the special needs of non-English-speaking or limited-English-speaking students, including instruction in a language these students understand; educationally disadvantaged students; gifted and talented students; and students with exceptional needs (described in the Strategies/Activities).
3. A description of a staff development program for teachers, other school personnel, paraprofessionals, and volunteers, including those participating in special programs (described in the Strategies/Activities).
4. An identification of the schools' means of evaluating progress toward accomplishing its goals (described in the Expected Annual Measurable Outcomes) and an ongoing evaluation of the educational program of the school (described in the Annual Review and Update).
5. A description of how funds provided to the school through the ConApp will be used to improve the academic performance of all pupils to the level of state performance goals (described in the Proposed Expenditures for Strategies/Activities).
6. The proposed expenditures of funds available to the school through the programs described in EC Section 52851. For purposes of this subdivision, proposed expenditures of funds available to the school must include, but not be limited to, salaries and staff benefits for persons providing services for those programs (described in the Proposed Expenditures for Strategies/Activities).
7. The proposed expenditure of funds available to the school through the federal Improving America's Schools Act of 1994 and its amendments. If the school operates a state-approved schoolwide program in a manner consistent with the expenditure of funds available to the school pursuant to EC Section 52851, employees of the schoolwide program may be deemed funded by a single cost objective.
8. A description of how state and federal law governing programs identified in EC Section 64000 will be implemented, as applicable (described in the Strategies/Activities).
9. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC.

Authority cited: EC sections 64001(f)-(g) and 52853(a)(1)-(7).

Schoolwide Program Requirements

A school receiving funds allocated through the ConApp and operating a schoolwide program (SWP) must describe how the school will carry out each of the following components:

1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will
 - a. provide opportunities for all students, including socioeconomically disadvantaged students, students from major racial and ethnic groups, students with disabilities, and English learners, to meet the challenging state academic standards.
 - b. use effective methods and instructional strategies based on scientifically based research that
 - i. strengthen the core academic program in the school;
 - ii. provide an enriched and accelerated curriculum;
 - iii. increase the amount and quality of learning time;
 - iv. include strategies for meeting the educational needs of historically underserved populations;
 - v. help provide an enriched and accelerated curriculum; and
 - vi. are consistent with, and are designed to implement, state and local improvement plans, if any.
 - c. address the needs of all students in the school, but particularly the needs of those at risk of not meeting the challenging state academic standards, through activities which may include the following:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
2. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
3. A description of how the school will ensure instruction by highly qualified teachers and provide ongoing professional development, including
 - a. strategies to attract highly qualified teachers;
 - b. providing high-quality and ongoing professional development that is aligned with the state's academic standards for teachers, principals, paraprofessionals and, if appropriate, pupil services personnel, parents, and other staff, to enable all students in the school to meet the state's academic standards;
 - c. the devotion of sufficient resources to effectively carry out professional development activities; and
 - d. the inclusion of teachers in professional development activities regarding the use of academic assessments to enable them to provide information on, and to improve, the achievement of individual students and the overall instructional program.
4. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
5. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - a. Ensure that those students' difficulties are identified on a timely basis; and
 - b. Provide sufficient information on which to base effective assistance to those students.
6. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
7. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).

Authority Cited: Title 34 of the Code of Federal Regulations (34 CFR) sections 200.27(a)(3)(i)-(iii) and 200.28 and section 1114(b)(7)(A)(i)-(iii) and 1118(b) of the ESEA.

Appendix B: Select State and Federal Programs

Federal Programs

Title I, Part A: School Allocation
Title I, Part A: School Parent and Family Engagement Allocation
Title I, Part A: Targeted Support and Improvement Allocation
Title I, Part C: Education of Migratory Children
Title II, Part A: Supporting Effective Instruction
Title III, Part A: Language Instruction for English Learners and Immigrate Youth
Title IV Part A: Student Support and Academic Enrichment Grants
Title IV Part B: 21st Century Community Learning Centers
Title V, Part B: Rural Education Initiative
Title VI, Part A: Indian, Native Hawaiian, and Alaska Native Education

State or Local Programs

After School Education and Safety Program
American Indian Education
Child Development Programs
Economic Impact Aid/State Compensatory Education (carryover funds)
Economic Impact Aid/Limited English Proficient (carryover funds)
California Foster Youth Services
California Partnership Academies
California Tobacco-Use Prevention Education Program

School Year: **2018-19**

School Plan for Student Achievement (SPSA) Template

The School Plan for Student Achievement (SPSA) is meant to consolidate all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), pursuant to the California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA).

The purpose of the SPSA is to increase the overall effectiveness of the school program by crafting a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement.

The School Site Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications in the plan to reflect changing needs and priorities, as applicable, pursuant to EC 52853(b) and 52855.

California's ESSA State Plan significantly shifts the state's approach to the utilization of federal resources in support of underserved student groups. The SPSA provides schools with the opportunity to document their approach to maximizing the impact of federal investments in support of underserved students.

The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement.

School Name	Lakeview Elementary School
Address	3371 Brittany Way El Dorado Hills, CA 95762
County-District-School (CDS) Code	09619780108258
Principal	Kathy Miracle
District Name	Rescue Union Elementary School District
SPSA Revision Date	October 2018 - January 2019
Schoolsite Council (SSC) Approval Date	February 6, 2019
Local Board Approval Date	February 12, 2019

In the pages that follow, please describe the school's plan for making the best use of federal ESEA resources in alignment with other federal, state, and local programs.

School Vision and Mission

Lakeview Elementary School's vision is to provide every student optimal learning opportunities through talented educators, rigorous curriculum and a positive, emotionally and physically safe academic environment.

Lakeview's mission is to inspire all students to be passionate, continuous learners and to prepare them with the skills to achieve their goals and flourish as responsible, caring citizens in a global community.

School Profile

Home of the Eagles, Lakeview Elementary School is located in a gorgeous neighborhood, atop a hill overlooking breathtaking views of Folsom Lake. Our site offers a location which provides the benefits of living in the small community of El Dorado Hills, as well as the nearby convenience and bustle of the city of Folsom. As Rescue Union School District's newest campus, Lakeview opened its doors to students in August of 2005. Located 28 miles east of Sacramento in the foothills of the Sierra Mountains, Lakeview serves approximately 550 TK-5th grade students. At Lakeview, students are "Soaring to Success."

Lakeview houses 22 general education classrooms with a class size average of 24:1 student teacher ratio in grades K-3 and 28:1 in grades 4-5. Our teachers ensure rigorous instructional delivery of California State Standards through our District adopted curriculum (Benchmark-ELA, GO Math, Step Up to Writing, Handwriting Without Tears for K-2, Scott Foresman Social Studies and Science), as well as using supplemental curriculum (Mystery Science, ST Math, Newsela, Reflex Math, and IXL) to ensure thorough and individualized learning. The core educational program provided to Lakeview students is based on the California Standards and is differentiated for all students, whether gifted, in need of intervention or specialized learning. Five trained paraeducators assist teachers in supporting our students in ELA and math. All 4th and 5th grade students receive specialized instruction in Science, as well as the opportunity to learn musical instruments in our Band program. All students receive PE instruction through their classroom teachers and experience amazing "arts" sessions in dance (TK-5), music (TK-3) and pottery (TK-5). Under the guidance of dedicated staff members, students acquire high levels of knowledge, skills, and understanding, which will open doors of opportunity and prepare them for critical thinking and hard work in the wider world. We offer a Learning Center to support students with Individualized Educational Plans, as well as experienced paraeducators who work with classroom teachers to provide a strong intervention program, ensuring all students' learning needs are supported. Small group instruction is emphasized in classrooms to offer focused learning in flexible, leveled groups. Our amazing teachers participate in professional development and collaboration throughout the school year. Each class visits our library regularly, where our full-time librarian works to support literacy and advance learning. Each teacher is certified in GLAD (Guided Language Assessment and Development) and receives ongoing coaching from certified trainers.

Technology and STEM opportunities are spectacular at Lakeview. Each classroom is equipped with Promethean Boards, document cameras and projectors to enhance instructional delivery, along with Chromebooks for every student (3rd-5th), a classroom Chromebook set (2nd), iPads for small group instruction (TK-2nd) and desktop computers throughout the site. Our Technology Lab offers computers for whole class lessons and is embarking on a transition to become a 21st Century Learning Lab, complete with cutting edge technology and learning tools. A giant Rigamajig is available for classes to practice engineering while building structures. PTO funds additional STEM opportunities for students through enrichment lessons and exciting learning during STEM week.

Lakeview students receive numerous opportunities for extracurricular activities. Over 70 students serve on IMPACT Leadership, where all 4th and 5th grade students can learn leadership skills while serving on service teams. Cross Country (3rd-5th), volleyball (5th) and basketball (5th) teams run seasonally. After school enrichment opportunities are available throughout the year. Students can learn and practice skills such as, video editing, yoga, golf, physical fitness, musical performance, cooking, sewing and more.

Social Emotional Learning is a priority at Lakeview. Staff have received ongoing training in SEP strategies throughout the year. Each child's need for emotional safety and growth are supported through social skills training and social emotional tools in the classroom. Classrooms are equipped with comfort spaces for children are taught mindfulness to help embrace life's challenges in a positive manner. Positive Behavioral Intervention Support (PBIS) is currently being implemented at Lakeview. Students are expected to SOAR - Solve Problems, Own Good Decisions, Achieve Leadership and Radiate Respect! School counselors, nurses and a school psychologist work directly with students to proactively guide them through healthy lifestyles and support them when needed. Further, we encourage a "growth

mindset" and strive to ensure all children develop the skills, attitudes, and behaviors necessary to become principled, ethical citizens who are contributing members of society.

In recognition of ongoing academic excellence and achievement of positive community, Lakeview was awarded the California Distinguished School Award in spring of 2018.

Stakeholder Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

The Lakeview Elementary School Site Council, staff and PTO were the groups consulted for the planning of the 2018 School Plan for Student Achievement. Planning began in the spring of 2018 and continued through the fall. Feedback, input and Information was obtained through meetings, staff collaboration, as well as analysis of data.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Student		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
American Indian	0.2%	0.0%	0%	1	0	0
African American	1.1%	1.5%	1.64%	6	8	9
Asian	11.6%	11.5%	10.77%	61	63	59
Filipino	1.0%	0.9%	1.28%	5	5	7
Hispanic/Latino	7.8%	7.7%	8.39%	41	42	46
Pacific Islander	0.0%	0.0%	0%	0	0	0
White	70.3%	71.0%	70.80%	369	390	388
Multiple/No Response	8.0%	0.0%	0%	42	0	0
Total Enrollment				525	549	548

Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	2015-16	2016-17	2017-18
Kindergarten		88	91
Grade 1		79	77
Grade 2		76	82
Grade 3		102	84
Grade 4		104	107
Grade 5		100	107
Grade 6			0
Grade 7			0
Grade 8			0
Grade 9			0
Grade 10			0
Grade 11			0
Grade 12			0
Total Enrollment		549	548

Conclusions based on this data:

1. Student Group and enrollment have remained similar over the last two years.

-
2. Our largest Student Group is White, with Asian being second and Hispanic being third.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
English Learners	13	21		2.5%	3.8%	
Fluent English Proficient	38	39		7.2%	7.1%	
Reclassified Fluent English Proficient	2	3		22.2%	23.1%	

Conclusions based on this data:

1. Our EL student population has increased over the last two years. We experienced a 38% increase in 2016-2017. Specialized instructional support is being provided to EL students.

Grade Level	% Above Standard			% At or Near Standard			% Below Standard		
	15-16	16-17	17-18	15-16	16-17	17-18	15-16	16-17	17-18
Grade 3	53	58.42	44.58	41	39.60	48.19	6	1.98	7.23
Grade 4	55	48.08	51.89	35	43.27	43.40	9	8.65	4.72
Grade 5	43	45.00	45.37	45	48.00	49.07	11	7.00	5.56
All Grades	51	50.49	47.47	41	43.61	46.80	9	5.90	5.72

Conclusions based on this data:

1. Overall, Lakeview students maintained similar high percentages of students in the At or Above Standards met in math.
2. In Concepts & Procedures, Problem Solving & Modeling/Data Analysis and Communicating Reasoning, a small percentage of students moved from Above Standard to At or Near.
3. 3/4/5 Math para-educator hours will be funded to further support small group and individualized math instruction.

Conclusions based on this data:

1. Our EL student numbers have increased to 26 students. GLAD and EL resources will be used to advance learning for EL students.

School and Student Performance Data

Student Population

This section provides information about the school's student population.

2017-18 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
548	6.8%	5.7%	
This is the total number of students enrolled.	This is the percent of students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	This is the percent of students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	This is the percent of students whose well-being is the responsibility of a court.

2017-18 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	31	5.7%
Socioeconomically Disadvantaged	37	6.8%
Students with Disabilities	47	8.6%

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	9	1.6%
Asian	59	10.8%
Filipino	7	1.3%
Hispanic	46	8.4%
Two or More Races	39	7.1%
White	388	70.8%

Conclusions based on this data:

1. Our English Learner population has increased. Asian students represent 10.8% of our population.

School and Student Performance Data

Overall Performance

2018 Fall Dashboard Overall Performance for All Students

Academic Performance	Academic Engagement	Conditions & Climate
<p>English Language Arts</p>  <p>Blue</p>	<p>Chronic Absenteeism</p>  <p>Green</p>	<p>Suspension Rate</p>  <p>Blue</p>
<p>Mathematics</p>  <p>Blue</p>		
<p>English Learner Progress</p>  <p>No Performance Color</p>		

Conclusions based on this data:

1. Lakeview Elementary is fortunate to excel in ELA and Math Academic Performance.
2. Chronic Absenteeism is being addressed through school supports (SEL, SST, counseling support, etc).
3. Suspension rates are minimal. This form of consequence is only used when CA Ed. Code requires action.

School and Student Performance Data

Academic Performance English Language Arts

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2018 Fall Dashboard English Language Arts Performance for All Students/Student Group		
<p>All Students</p>  Blue 55.8 points above standard Maintained -2.7 points 293 students	<p>English Learners</p>  No Performance Color Less than 11 Students - Data Not Displayed for Privacy 10 students	<p>Foster Youth</p>  No Performance Color 0 Students
<p>Homeless</p>  No Performance Color 0 Students	<p>Socioeconomically Disadvantaged</p>  No Performance Color 23.3 points above standard Declined -26.4 points 24 students	<p>Students with Disabilities</p>  No Performance Color 15.7 points above standard Declined -9.1 points 44 students

2018 Fall Dashboard English Language Arts Performance by Race/Ethnicity

African American	American Indian	Asian	Filipino
 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 7 students	 No Performance Color 0 Students	 No Performance Color 78.2 points above standard Maintained -1.6 points 24 students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 4 students
Hispanic	Two or More Races	Pacific Islander	White
 No Performance Color 43.1 points above standard Increased 22.2 points 24 students	 No Performance Color 83.1 points above standard Increased 8.4 points 17 students	 No Performance Color 0 Students	 Green 52.6 points above standard Declined -4.7 points 217 students

This section provides a view of Student Assessment Results and other aspects of this school’s performance, specifically how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2018 Fall Dashboard English Language Arts Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
Less than 11 Students - Data Not Displayed for Privacy 1 students	Less than 11 Students - Data Not Displayed for Privacy 9 students	55.8 points above standard Maintained -0.6 points 268 students

Conclusions based on this data:

- Over 79% of Lakeview students met or exceeded ELA standards on the SBSA. A slight decline of less than 1% occurred from the previous year.
- Socioeconomically Disadvantaged Students and Students with Disabilities slightly declined in their achievement of ELA standards. Of the significant student ethnicity groups, Hispanic students increased, Asian students maintained and White students declined slightly.
- Teachers in grades 3-5 engage in ongoing analysis and planning to address student achievement.

School and Student Performance Data

Academic Performance Mathematics

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2018 Fall Dashboard Mathematics Performance for All Students/Student Group		
<p>All Students</p>  <p>Blue</p> <p>48.1 points above standard</p> <p>Maintained -2.6 points</p> <p>293 students</p>	<p>English Learners</p>  <p>No Performance Color</p> <p>Less than 11 Students - Data Not Displayed for Privacy</p> <p>10 students</p>	<p>Foster Youth</p>  <p>No Performance Color</p> <p>0 Students</p>

2018 Fall Dashboard Mathematics Performance by Race/Ethnicity

African American	American Indian	Asian	Filipino
 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 7 students	 No Performance Color 0 Students	 No Performance Color 76.6 points above standard Increased 9.1 points 24 students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 4 students
Hispanic	Two or More Races	Pacific Islander	White
 No Performance Color 42.3 points above standard Increased 13.1 points 24 students	 No Performance Color 71.4 points above standard Maintained -0.9 points 17 students	 No Performance Color 0 Students	 Green 43.8 points above standard Declined -4.5 points 217 students

This section provides a view of Student Assessment Results and other aspects of this school's performance, specifically how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance on the Smarter Balanced Summative Assessment, which is taken annually by students in grades 3–8 and grade 11.

2018 Fall Dashboard Mathematics Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
Less than 11 Students - Data Not Displayed for Privacy 1 students	Less than 11 Students - Data Not Displayed for Privacy 9 students	47.3 points above standard Maintained -1.2 points 268 students

Conclusions based on this data:

1. Over 78% of Lakeview students (3-5) met or exceeded standard in Math.
2. Socioeconomically Disadvantaged and Students with Disabilities maintained their level of progress; Asian and Hispanic students increased slightly, while White students declined slightly.
3. Teachers in grades 3-5 engage in ongoing analysis and planning to address student achievement.

School and Student Performance Data

Academic Performance English Learner Progress

This section provides a view of the percent of students performing at each level on the new English Language Proficiency Assessments for California (ELPAC) assessment. With the transition ELPAC, the 2018 Dashboard is unable to report a performance level (color) for this measure.

2018 Fall Dashboard English Language Proficiency Assessments for California Results				
Number of Students	Level 4 Well Developed	Level 3 Moderately Developed	Level 2 Somewhat Developed	Level 1 Beginning Stage
26	88.5%	%	7.7%	3.8%

Conclusions based on this data:

1. Lakeview Elementary EL students are progressing well.
2. The ELPAC data has been even more helpful for our students as our EL population has grown.
3. Students at all levels of EL Progress are being supported through GLAD instructional strategies and EL curriculum.

School and Student Performance Data

Academic Engagement Chronic Absenteeism

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

2018 Fall Dashboard Chronic Absenteeism for All Students/Student Group		
<p>All Students</p>  <p>Green</p> <p>2.6% chronically absent</p> <p>Maintained 0.4%</p> <p>568 students</p>	<p>English Learners</p>  <p>No Performance Color</p> <p>0% chronically absent</p> <p>Declined 3.7%</p> <p>33 students</p>	<p>Foster Youth</p>  <p>No Performance Color</p> <p>Less than 11 Students - Data Not Displayed for Privacy</p> <p>1 students</p>
<p>Homeless</p>  <p>No Performance Color</p> <p>Less than 11 Students - Data Not Displayed for Privacy</p> <p>0 students</p>	<p>Socioeconomically Disadvantaged</p>  <p>Green</p> <p>4.3% chronically absent</p> <p>Declined 2.3%</p> <p>46 students</p>	<p>Students with Disabilities</p>  <p>Blue</p> <p>0% chronically absent</p> <p>Maintained 0%</p> <p>58 students</p>

2018 Fall Dashboard Chronic Absenteeism by Race/Ethnicity

African American	American Indian	Asian	Filipino
 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 9 students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 0 students	 Blue 0% chronically absent Maintained 0% 63 students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 7 students
Hispanic	Two or More Races	Pacific Islander	White
 Yellow 5.9% chronically absent Maintained 0.4% 51 students	 Blue 2.4% chronically absent Maintained 0.1% 41 students	 No Performance Color Less than 11 Students - Data Not Displayed for Privacy 0 students	 Yellow 2.8% chronically absent Increased 0.6% 397 students

Conclusions based on this data:

1. Lakeview Elementary has maintained our status of .4% of all students being chronically absent.
2. Our White students indicated a .6% increase in chronic absenteeism. Attendance letters, SST meetings, phone calls, student meetings, etc. are being used to improve in this area.
3. Absenteeism in our Hispanic students is also being monitored closely and addressed.

School and Student Performance Data

Conditions & Climate Suspension Rate

The performance levels are color-coded and range from lowest-to-highest performance in the following order:

This section provides number of student groups in each color.

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

2018 Fall Dashboard Suspension Rate for All Students/Student Group		
<p>All Students</p>  Blue 0.4% suspended at least once Maintained 0% 570 students	<p>English Learners</p>  No Performance Color 0% suspended at least once Maintained 0% 34 students	<p>Foster Youth</p>  No Performance Color Less than 11 Students - Data Not 1 students
<p>Homeless</p>  No Performance Color 0 Students	<p>Socioeconomically Disadvantaged</p>  Blue 0% suspended at least once Maintained 0% 48 students	<p>Students with Disabilities</p>  Yellow 1.7% suspended at least once Maintained 0.1% 58 students

2018 Fall Dashboard Suspension Rate by Race/Ethnicity

African American	American Indian	Asian	Filipino
 No Performance Color Less than 11 Students - Data 9 students	 No Performance Color 0 Students	 Orange 1.6% suspended at least once Increased 1.6% 63 students	 No Performance Color Less than 11 Students - Data 7 students
Hispanic	Two or More Races	Pacific Islander	White
 Blue 0% suspended at least once Maintained 0% 51 students	 Blue 0% suspended at least once Declined -2.2% 41 students	 No Performance Color 0 Students	 Blue 0.3% suspended at least once Maintained 0% 399 students

This section provides a view of the percentage of students who were suspended.

2018 Fall Dashboard Suspension Rate by Year

2016	2017	2018
0.4% suspended at least once	0.3% suspended at least once	0.4% suspended at least once

Conclusions based on this data:

1. Our low suspension rates have been maintained. Students are only suspended when the incident requires that level of action.
2. One student in the Asian subgroup was suspended; one student in the Students with Disabilities subgroup was suspended.
3. Lakeview continues to proactively analyze character, social emotional learning and student behavior strategies to improve practice.

Goals, Strategies, & Proposed Expenditures

Goal 1

Subject

Educational Services

Goal Statement

Lakeview Elementary will provide quality educational services to maximize academic achievement for all individual students and student groups.

LCAP Goal

The District will provide quality educational services to maximize academic achievement for all individual students and student groups.

Basis for this Goal

Rescue Union School District provided surveys for all stakeholders, and teacher input was also solicited via professional discussions at staff meetings and collaboration. Parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, were meaningfully engaged in the formation of this goal. Additionally, SBAC assessment data, Lexile measurements, and DIBELS metrics were used to form this goal.

Expected Annual Measurable Outcomes

Metric/Indicator	Baseline	Expected Outcome
Smarter Balanced Assessment Results	School-wide SBAC data revealed 79.1% of students in grades 3-4 met or exceeded standards in ELA. This represents a less than 1% decrease from scores in 2016-2017. 78.1% of students in grades 3-5 met or exceeded standards in math. We maintained our 78% math average from 2016-2017.	During the 2018-2019 school year, 81% of students in grades 3-5 will meet or exceed ELA standards, and 80% will meet or exceed math standards, as will be indicated by SBAC data.
District Benchmark Assessment Results	DIBELS data revealed 85% of Lakeview kindergartners met end of year benchmark for Phoneme Segmentation. 71% met benchmark for Nonsense Word Fluency. 86% of first grade students met benchmark for Nonsense Word Fluency (Correct Letter Sounds), 81% met benchmark for Nonsense Word Fluency (Whole Words Read). 77% of first grade students met the reading fluency benchmark, and 78% met the reading accuracy benchmark, using the DIBELS Oral Reading Fluency assessment (DORF). 79% of second grade students met the fluency benchmark, and 86% met the accuracy benchmark on the	Grade level and cohort groups were considered in goal setting. End of year assessments will indicate: 85% of kindergartners will meet the end of year benchmark for Phoneme Segmentation. 73% will meet the benchmark for Nonsense Word Fluency. 80% of first grade students will meet benchmark for Phoneme Segmentation. 75% will meet benchmark for Nonsense Word Fluency. 79% will meet the reading fluency benchmark, and 79% will meet the reading accuracy benchmark.

Metric/Indicator	Baseline	Expected Outcome
	<p>DORF. 88% of second grade students met the 80% or higher benchmark on the RUSD End of Year GO Math Assessment.</p> <p>86% of third grade students met fluency and accuracy benchmarks on the DORF, and 71% of third grade students met the 80% or higher benchmark on the End of Year GO Math assessment benchmark.</p> <p>68% of fourth grade students met fluency benchmark, and 94% met accuracy benchmark on the DORF. 51% of fourth grade students met the 80% or higher End of Year GO Math assessment benchmark.</p> <p>93% of fifth grade students met fluency benchmark, and 95% met accuracy benchmark on the DORF. 59% of fifth grade students met the 80% or higher End of Year GO Math assessment benchmark.</p>	<p>79% of second grade students will meet fluency benchmark, and 86% will meet accuracy benchmark.</p> <p>81% of third grade students will meet fluency benchmark, and 89% will meet accuracy benchmark.</p> <p>86% of fourth grade students will be fluency and accuracy benchmarks on the DORF.</p> <p>75% of fifth grade students will be fluency benchmark, and 95% will be accuracy benchmark on the DORF.</p>
Lexile Scores (Student Reading Inventory)	<p>First Grade: 61% of all 1st grade students' Lexile is within the grade level band (190-450).</p> <p>Second Grade: 70% of all 2nd grade students' Lexile is within the grade level band (450-620).</p> <p>Third Grade: 79% of all 3rd grade students' Lexile is within the grade level band (620-790).</p> <p>Fourth Grade: 71% of all 4th grade students' Lexile is within the grade level band (790-875).</p> <p>Fifth Grade: 69% of all 5th grade students' Lexile is within the grade level band (875-980).</p>	<p>By the end of the 2018-2019 school year, cohorts will work to increase their Lexile scores:</p> <p>First Grade: 64% of 1st grade students will achieve Lexile within the grade level band.</p> <p>Second Grade: 65% of 2nd grade students will achieve Lexile within the grade level band.</p> <p>Third Grade: 75% of 3rd grader students will achieve Lexile within the grade level band.</p> <p>Fourth Grade: 81% of 4th grade students will achieve Lexile within the grade level band.</p> <p>Fifth Grade: 73% of 5th grade students will achieve Lexile within the grade level band.</p>

Planned Strategies/Activities

Strategy/Activity 1

Alignment of Instructional with Content Standards:

Lakeview Elementary will utilize district adopted, standards-aligned language arts and math curriculum. California Standards instruction will be supplemented with a variety of resources, as needed. Students will continue to participate in literature-based and informational text instructional activities emphasizing literal and inferential comprehension through guided reading techniques. Students will participate in Step Up to Writing Common Core activities designed to address all stages of the writing process and improve students' writing skills. RUSD will provide supplemental online instructional resources for all students (Typing Agent, Reflect Math, Reading Counts). Teachers will begin to implement the Next Generation Science Standards (NGSS) into their instruction using STEM Scopes, Mystery Science, Amplify, or other NGSS aligned bridge programs. Lakeview 4th and 5th grade students will receive specialized science instruction from a science teacher; students will receive two rigorous, collaborative science lessons/labs weekly. These science instructional minutes will be provided during the 4/5 teacher prep minutes negotiated in the RUFT Contract. Physical Education minutes (200 every two weeks) will be provided by classroom teachers. Two para-educators will assist teachers (3rd-5th grade focus) in supporting students in math. In order to provide quality, leveled instruction, blended classrooms will receive some para-educator support. Supplemental online instructional programs (ST Math, Newsela, Star Fall, Brain Pop, Flocabulary, Spelling City, IXL ELA/Math - 5th) will be utilized strategically to enhance learning. Screen time will be limited, allowing teacher-delivered lessons, student interaction and collaboration to remain the priority. RUSD Technology TOSAs will be utilized to train teachers and administration on current strategies and resources. Our STEM focus has come from analysis of SBAC scores, District Benchmark Assessments, LCAP Survey Results and teacher/parent feedback.

Students to be Served by this Strategy/Activity

All Students

Timeline

8/9/2018 - 5/24/2019

Proposed Expenditures for this Strategy/Activity

Amount	1,000.00
Source	Parent Teacher Association/Parent Faculty Club (PTA/PFC/PTSO, PTO, etc.)
Budget Reference	4000-4999: Books And Supplies
Description	Teaching Resources and Supplies for Science Labs
Amount	17,043.00
Source	Donations
Budget Reference	2000-2999: Classified Personnel Salaries
Description	Instructional Aide Salaries (2 Para-educators) 3-5 Math, 2/3 Blended Classroom Support
Amount	10,000.00
Source	Parent Teacher Association/Parent Faculty Club (PTA/PFC/PTSO, PTO, etc.)
Budget Reference	5000-5999: Services And Other Operating Expenditures
Description	Online Learning Contracts for Supplemental Instruction & Student Skill Reinforcement (ST Math, Star Fall, Newsela, Razz Kids, Flocabulary, Spelling City, Brain Pop, IXL Learning 5th Grade)

Strategy/Activity 2

Improvement of Instructional Strategies and Materials:

Lakeview Elementary will utilize instructional support staff and materials to enhance our standards-based curriculum and assist certificated staff in delivery of quality, differentiated instruction. Data analysis of ongoing student assessments will drive our instruction. Students will receive opportunities for academic intervention, as well as challenge learning, based on individual needs. Three intervention para-educators will work closely with teachers and the principal to improve phonics and reading skills of students in 1st - 5th grades. Supplemental programs, such as SIPPS, Read Live and REWARDS will be used to deliver intervention instruction. Frequent formative assessment, along with District and State assessment data will be analyzed and used to appropriately level students and target necessary curricular areas. Mathletes tutoring will be offered weekly to those 4th and 5th grade students in need of math homework and skill support; this program is offered by Oak Ridge High School students under the supervision of a Lakeview teacher. The needs of gifted students, students in need of intervention, students with disabilities and English Learners will be monitored closely, engaging, flexible, skill-based instruction will be offered. The RUSD EL Coordinator will work with Lakeview teachers and administration to ensure EL support. ELPAC results will be used to monitor EL students' acquisition of language. Lakeview's Nana Program will offer additional volunteer support for literacy groups and creative writing. Student Success Team meetings will be held to document and address concerns effecting student learning.

Strategy/Activity 3

Extended Learning Time; Increased Educational Opportunity and Support Services:

Lakeview Elementary will provide extended learning time and increased educational opportunities for students. Field trips relating to the CA State Standards will take place at each grade level. Our librarian will offer weekly library visits to all classes and support teachers with literacy resources. "I Love Reading Week" will be celebrated by students and promoted by our librarian and staff. Field trips such as iFly, Coloma Outdoor Discovery Overnight, High Hill Ranch in Apple Hill, Harris Center for the Arts, Nimbus Fish Hatchery, Folsom Zoo, IMAX Theater, Maidu Museum and Power House Science Center - Challenger, etc. Lakeview students will have the opportunity to attend El Dorado County educational opportunities and events, such as the Spelling Bee, Oral Interpretation and Nature Bowl. All 5th grade students will experience the El Dorado County District Attorney sponsored program, Project LEAD, where students will learn important legal lessons and act out a mock trial at the County Court House. Athletic opportunities in cross country (3rd-5th), volleyball (5th) and basketball (5th) will be available. IMPACT Leadership will be encouraged for all 4th and 5th grade students to learn leadership skills while provided important service to others. A District provided music teacher will instruct 4th and 5th grade students in instrumental music; 3rd grade students will learn recorders. TK - 3rd grade students will receive music instructions during a 5 week session. TK - 5th grade students will receive dance instruction for six weeks, as well as pottery instruction for approximately five sessions. Parent docents will deliver art lessons using the Arts Attack program. A garden coordinator will oversee Lakeview's amazing garden and orchard, monitor student work, deliver garden/science lessons and enhance our garden by writing grants. A STEM teacher will offer enrichment to TK - 5th grade classes through standards based science and engineering lessons throughout the year. A week long STEM week, including grade level lessons and activities, as well as school-wide daily science experiments at Morning Gathering in the amphitheater will also be led by our contracted STEM teacher. Students will participate in a school-wide Health Week (in lieu of Red Ribbon Week) in which healthy activities and lifestyle will be promoted through staff, culminating in an end-of-week Fun Run. PTO will offer after school enrichment sessions for all students (ex. golf, cooking, fitness, yoga, art, musical performance, sewing, video production, etc.). Staff will continue to promote and foster our sister school relationship with Wenyi Street Primary School in Hangzou, China.

Description

Teacher Stipends for Overnight Field Trip (4th Grade)

Strategy/Activity 4**Staff Development & Professional Collaboration:**

Lakeview Elementary will ensure that staff members responsible for providing and overseeing instruction, including certificated teachers, classified support staff, and administrators are afforded opportunities to receive training and collaboration time to learn and discuss current best practices. Partnerships with the El Dorado County Office of Education will provide increased opportunities for professional development. "Early Release" Wednesdays will enable professional collaboration among grade levels. Staff will work to analyze student performance data, develop instructional strategies, discuss optimal methods and share supports for learning. Teachers new to Lakeview will receive certification in Guided Language Assessment and Design, while all certified GLAD teachers will receive coaching from a GLAD trainer, along with two release days for planning and collaboration.

Strategy/Activity 5

Involvement of Staff, Parents & Community:

Lakeview Elementary will work to achieve a positive school climate for students, families, staff and community members. Parents and staff will have ample opportunities to provide input and feedback, regarding school plans. School Site Council, PTO and the English Language Advisory Committee (ELAC) will serve as forums to offer input and influence decision-making. The RUSD's Local Control Accountability Plan, parent survey and advisory committee with further seek to inform and/or encourage feedback from parents. Stakeholders will be informed through our school and District websites, teacher newsletters and/or websites, school newsletters, email blasts, social media, PTO emails, our school marquee and student promotions. PTO will provide community building opportunities through activities such as Fall Festival, Muffins with Moms, Movie Nights, Donuts with Dads, the Sweetheart Dance, Morning Coffee Chats, the Lakeview Gala and much more. Lakeview will continue to work with retired members of our community through our Nana Program, along with organizations such as, the El Dorado Hills Rotary, Hands for Hope, the El Dorado Hills Fire Department, the EDC DA's Office and Oak Ridge High School.

Goals, Strategies, & Proposed Expenditures

Goal 2

Subject

Safe, clean, student-centered learning environments.

Goal Statement

Our school will provide safe, clean, student-centered learning environments that are responsive to the social-emotional needs of all children and families.

LCAP Goal

The District will provide safe, clean, student-centered learning environments that are responsive to the social-emotional needs of all children and families.

Basis for this Goal

Rescue Union School District provided surveys for all stakeholders, and teacher input was also solicited via professional discussions at staff meetings and collaboration. Parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, were meaningfully engaged in the formation of this goal. Additionally, SBAC assessment data, Lexile measurements, and DIBELS metrics were used to form this goal.

Expected Annual Measurable Outcomes

Metric/Indicator	Baseline	Expected Outcome
California Healthy Kids Survey	The California Healthy Kids 2017 Survey indicates results from 5th grade students. Most noteworthy were the following results: 64% of students felt that staff members give them a chance to solve problems most or all of the time. 68% felt that students at school were well behaved all or most of the time. 89% of students felt safe at school all or most of the time.	In 2018-2019 our goals are the following: 75% of students will feel that staff members give them a chance to solve problems all or most of the time. 75% of the students will feel that students are well behaved all or most of the time. 92% of students will indicate they feel safe at school.
LCAP Survey	LCAP Parent Survey Results indicate continued priority in maintaining a safe learning environment for students, as well as increased STEAM opportunities.	LCAP Parent Survey Results will reflect improvement in our safe school environment and STEAM activities.
Discipline Data/Aeries Reports	Lakeview's suspension rate for the 2017-2018 school year was 1%.	Lakeview's suspension rate will continue at a very low percentage in 2018-2019. Focus will be placed on behavioral supports and positive community building.
Attendance Data	Lakeview's average attendance rate for the 2017-2018 school year was 97.1%.	Lakeview's current attendance rate of 97.78% will increase to 98% by the end of 2018-2019. Chronic

Metric/Indicator**Baseline****Expected Outcome**

absenteeism will continue to be addressed.

Planned Strategies/Activities**Strategy/Activity 1**

School Safety (Climate and Community Building, Staff Development and Professional Collaboration):

Lakeview Elementary will continue to hold student and staff safety as our first priority. All staff and students will participate in emergency preparedness drills and will be proficient at following safety protocol for evacuation, duck and cover and lock-down drills. Our principal will continue to work with RUSD Technology and Maintenance/Operations Departments, as well as law enforcement agencies to ensure current safety recommendations are in place. Students will be provided lessons on digital citizenship and online safety. All staff will be trained in Child Abuse Mandated Reporter requirements. Visitor and volunteer policies and procedures will be strictly enforced to ensure student safety. Visitor and volunteer signage will be enhanced, as necessary, on site. Our safety committee and staff will work to update and maintain our Crisis Response and Emergency Procedures as well as our Comprehensive School Safety Plan.

Description	In response to law enforcement recommendations, two additional gates will be installed on playground and blacktop area to allow students of all ages to promptly exit the area in the event of an emergency.

Strategy/Activity 2

School Climate and Community Building:

Lakeview Elementary staff will diligently work to ensure the safe well-being of all students. Social-emotional needs of students will be considered a priority for optimal learning and will be addressed through the use of SEL strategies and tools in the classrooms and throughout the school community. Character building skills will be taught, modeled and practiced by all. Teachers will use Mind + Heart curriculum to focus on the teaching of core values and tools for SEL and mindfulness. Behavioral needs of students will be supported through proactive discipline methods and enforcement of expectations. School counselors will work to support the mental health needs of students three days each week through class presentations, individual counseling and group counseling. A staff team will be trained in Positive Behavioral Interventions and Supports (PBIS) and will lead the process of fine tuning our site-based expectations and procedures. Students will be encouraged to SOAR (Solve Problems, Own Good Decisions, Achieve Leadership and Radiate Respect). Student leadership teams will assist in promoting a positive learning environment.

Staff will be trained in Trauma Informed Practices to become better equipped in successfully reaching students in need of intervention, de-escalation and/or motivation.

Goals, Strategies, & Proposed Expenditures

Goal 3

Subject

Technical Infrastructure and Support Systems

Goal Statement

Our school will provide technical infrastructure and systems of support that allow quality education and effective learning environments to flourish.

LCAP Goal

The District will provide technical infrastructure and systems of support that allow quality education and effective learning environments to flourish.

Basis for this Goal

Rescue Union School District provided surveys for all stakeholders, and teacher input was also solicited via professional discussions at staff meetings and collaboration. Parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, were meaningfully engaged in the formation of this goal.

Expected Annual Measurable Outcomes

Metric/Indicator	Baseline	Expected Outcome
California School Staff Survey	Professional development was provided to classified staff. Support will be offered based on need and data presented from this survey.	Throughout 2018-2019, training opportunities will be offered to classified staff in Social Emotional Learning and specific job related training, as identified through need, departments and CSS survey.
Facility Inspection Tool	The facilities were reported to be in good repair as measured by the FIP.	Facilities will continue to be in good repair, as measured by the 2018-2019 FIP.
Williams Act/Uniform Complaints	No Williams Act/Uniform Complaints were received during the 2017-2018 school year.	No Williams Act/Uniform Complaints are expected in the 2018-2019 school year. Any complaints will be addressed immediately.

Planned Strategies/Activities

Strategy/Activity 1

Staff Collaboration & Professional Development:

Lakeview Elementary and RUSD will provide classified staff with collaboration and professional development opportunities to improve our already high level of school support. Understanding how important every staff member is to improving student success, classified staff members will be involved in collaboration and training for Social Emotional Learning, Trauma Informed Practices, Positive Behavioral Interventions and Supports, Mindfulness and Growth Mindset. Classified staff will participate in the California School Staff Survey (CSSS) to aide in determining areas of additional needs.

Strategy/Activity 2

Facilities & Technology Infrastructure:

Lakeview Elementary will provide facilities, technology, furniture and supplies to maximize the effectiveness of school operations. Our site, along with RUSD will use the Facilities Inspection Tool (FIT) to determine areas of needed facility improvement. Improvements deemed necessary will be communicated to RUSD Maintenance personnel. Lakeview's PTO will continue its outstanding work and support to offer beautification, supplies and resources to support our school community and facility.

Annual Review and Update

SPSA Year Reviewed: 2017-18

Goal 1

All students, regardless of gender, ethnicity, language or economics will demonstrate an increase in learning outcomes. Innovative, engaging, and student-centered instruction, aligned to the California Standards, will be employed in all classroom and throughout the learning environment.

Annual Measurable Outcomes

Metric/Indicator	Expected Outcomes	Actual Outcomes
<p>Smarter Balanced Assessment, Lexile, DIBELS and District assessments were used to evaluate this goal.</p>	<p>Expected outcomes are formally established in Fall 2018 for the 2018-2019 school year. The actual outcome section reflects the metric data from the 2017-2018 school year.</p>	<p>Metric Results for 2017-2018:</p> <p>School-wide SBAC data revealed 79.1% of students in grades 3-4 met or exceeded standards in ELA. This represents a less than 1% decrease from scores in 2016-2017. 78.1% of students in grades 3-5 met or exceeded standards in math. We maintained our 78% math average from 2016-2017.</p> <p>DIBELS data revealed 85% of Lakeview kindergartners met end of year benchmark for Phoneme Segmentation. 71% met benchmark for Nonsense Word Fluency.</p> <p>86% of first grade students met benchmark for Nonsense Word Fluency (Correct Letter Sounds), 81% met benchmark for Nonsense Word Fluency (Whole Words Read). 77% of first grade students met the reading fluency benchmark, and 78% met the reading accuracy benchmark, using the DIBELS Oral Reading Fluency assessment (DORF).</p> <p>79% of second grade students met the fluency benchmark, and 86% met the accuracy benchmark on the DORF. 88% of second grade students met the 80% or higher benchmark on the RUSD End of Year GO Math Assessment.</p> <p>86% of third grade students met fluency and accuracy benchmarks on the DORF, and 71% of third grade students met the 80% or higher benchmark on the End of Year GO Math assessment benchmark.</p> <p>68% of fourth grade students met fluency benchmark, and 94% met accuracy benchmark on the DORF.</p>

Metric/Indicator	Expected Outcomes	Actual Outcomes
		<p>51% of fourth grade students met the 80% or higher End of Year GO Math assessment benchmark.</p> <p>93% of fifth grade students met fluency benchmark, and 95% met accuracy benchmark on the DORF. 59% of fifth grade students met the 80% or higher End of Year GO Math assessment benchmark.</p>

Strategies/Activities for Goal 1

Planned Actions/Services	Actual Actions/Services	Proposed Expenditures	Estimated Actual Expenditures
<p>Alignment of instruction and content standards:</p> <p>1.1 Teaching staff will align ELA and math instruction with CA Standards.</p> <p>1.2 Teaching staff will implement ELA CA Standards through use of Benchmark, the RUSD adopted curriculum.</p> <p>1.3 Teaching staff will implement Math CA Standards through the use of GO MATH, the RUSD adopted curriculum.</p> <p>1.4 Teaching Staff will use math assessments, (SBAC, District-wide adopted assessments, Interim assessments blocks) as formative assessment to align instruction to student needs.</p> <p>1.5 Teaching staff will use DIBELS assessments, BPST and Lexile to determine student needs</p>	<p>Alignment of instruction and content standards:</p> <p>1.1 Teaching staff will align ELA and math instruction with CA Standards.</p> <p>1.2 Teaching staff will implement ELA CA Standards through use of Benchmark, the RUSD adopted curriculum.</p> <p>1.3 Teaching staff will implement Math CA Standards through the use of GO MATH, the RUSD adopted curriculum.</p> <p>1.4 Teaching Staff will use math assessments, (SBAC, District-wide adopted assessments, Interim assessments blocks) as formative assessment to align instruction to student needs.</p> <p>1.5 Teaching staff will use DIBELS assessments, BPST and Lexile to determine student needs in reading. <p>in reading. Reading Counts Program implementation will continue to grow at Lakeview.</p> <p>1.6 Teachers will use SRI (College and Career) and Reading Counts to obtain performance/Lexile levels in reading.</p> <p>1.7 After receiving feedback from multiple sources, holding grade level meetings and conducting a staff survey, a decision was made to alter our 4th/5th grade math program. Previously, 4th/5th grade teachers assessed at the beginning of each year and recommended students for one accelerated math class yearly. Although Lakeview students in this accelerated class demonstrated success, staff felt strongly that challenge could best be offered to students within their own classrooms. Students will now be assessed and leveled frequently (each math unit/chapter), allowing instruction to be accurately targeted to student levels for each concept. Students will also receive extended math instructional time (minimum of 75 minutes daily), allowing math to extend into the school day when necessary. Additionally, students will have the benefit of instructional aide support to enhance small group and individualized instruction. Math</p>	<p>Counts Program implementation will continue to grow at Lakeview.</p> <p>1.6 Teachers will use SRI (College and Career) and Reading Counts to obtain performance/Lexile levels in reading.</p> <p>1.7 Students are assessed and leveled frequently (each math unit/chapter), allowing instruction to be accurately targeted to student levels for each concept. Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

Standards based instruction, enhanced with supplemental resources have been effectively implemented at Lakeview. All staff work to support students and educate the "whole child," Students have been successfully supported, challenged and enriched with additional learning opportunities,

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

Multiple learning strategies and programs have resulted in student success at Lakeview,

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

STEM Day involved multiple volunteers, however STEM Week will feature an instructor throughout the week. Funding will cover her stipend/contract.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

STEM Day sponsored by Intel was transformed to STEM Week. This allowed our contracted teacher to reach every grade level and to provide school-wide learning activities.

Annual Review and Update

SPSA Year Reviewed: 2017-18

Goal 2

Provide an innovative environment that integrates technology into the teaching and learning process, to ensure that our students are engaged and well-prepared for success in high school, career and college.

Annual Measurable Outcomes

Metric/Indicator	Expected Outcomes	Actual Outcomes
<p>Smarter Balanced Summative Assessment results and Digital Literacy Compliance Reports were used to evaluate this goal.</p>	<p>Expected outcomes are formally established in the Fall 2018 for the 2018-2019 school year. The actual outcome section reflects the metric data from the 2017-2018 school year.</p>	<p>Metric Results for 2017-2018:</p> <p>School-wide SBAC data revealed 79.1% of students in grades 3-4 met or exceeded standards in ELA. This represents a less than 1% decrease from scores in 2016-2017. 78.1% of students in grades 3-5 met or exceeded standards in math. We maintained our 78% math average from 2016-2017.</p> <p>DIBELS data revealed 85% of Lakeview kindergartners met end of year benchmark for Phoneme Segmentation. 71% met benchmark for Nonsense Word Fluency.</p> <p>86% of first grade students met benchmark for Nonsense Word Fluency (Correct Letter Sounds), 81% met benchmark for Nonsense Word Fluency (Whole Words Read). 77% of first grade students met the reading fluency benchmark, and 78% met the reading accuracy benchmark, using the DIBELS Oral Reading Fluency assessment (DORF).</p> <p>79% of second grade students met the fluency benchmark, and 86% met the accuracy benchmark on the DORF. 88% of second grade students met the 80% or higher benchmark on the RUSD End of Year GO Math Assessment.</p> <p>86% of third grade students met fluency and accuracy benchmarks on the DORF, and 71% of third grade students met the 80% or higher benchmark on the End of Year GO Math assessment benchmark.</p> <p>68% of fourth grade students met fluency benchmark, and 94% met accuracy benchmark on the DORF.</p>

Metric/Indicator	Expected Outcomes	Actual Outcomes
		<p>51% of fourth grade students met the 80% or higher End of Year GO Math assessment benchmark.</p> <p>93% of fifth grade students met fluency benchmark, and 95% met accuracy benchmark on the DORF. 59% of fifth grade students met the 80% or higher End of Year GO Math assessment benchmark.</p>

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

Up to date technology in classrooms allows teachers necessary tools to deliver instruction in an engaging, organized manner. Our District and site have worked hard throughout the years to implement student devices to enhance learning even further.

Effective, thorough and frequent communication to our parent community is crucial in maintaining an optimal learning environment for our students. Multiple means of communication have proven effective.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

Our strategies of implementing technology in learning AND improving communication to parents have been strongly successful.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

None

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We have worked to continue the great work in effective communication to families at Lakeview. Our progress in offering students integration of technology in their learning continues to improve. See SPSA Goals 1 & 2.

Annual Review and Update

SPSA Year Reviewed: 2017-18

Goal 3

Support teaching and learning processes to provide a consistent, high quality, challenging, and engaging learning environment for all students.

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

Early Release Collaboration Days have provided ongoing professional growth, planning and data analysis opportunities. Students directly benefit from the training and planning time provided to their teachers. The process of certifying and coaching all Lakeview teachers in GLAD has been extremely well received by teachers and our parent community. Grade level groups have worked together to build GLAD units and implement strategies. Ongoing data analysis serves as a measure of student success as it pertains to professional development of staff.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

GLAD certification has allowed our teachers to effectively implement research-based instructional strategies and improve language acquisition for all students, especially English Learners. After receiving standards through the use of GLAD instructional strategies, students have consistently been observed as demonstrating depth of knowledge of the subject matter. GLAD, along with weekly collaboration time/professional development, have provided a solid foundation of learning opportunities and professional collaboration.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

None

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Changes have only resulted in the number of teachers remaining to receive GLAD certification. After this spring, all full time teachers at Lakeview will be certified in GLAD. Early Release days were moved to Wednesdays this year.

Annual Review and Update

SPSA Year Reviewed: 2017-18

Goal 4

Enhance learning for all subgroups of students including English Language Learners, foster youth, socio-economically disadvantaged, and at-risk students through access to quality instruction, academic intervention and social support programs.

Annual Measurable Outcomes

Metric/Indicator	Expected Outcomes	Actual Outcomes
The California Healthy Kids Survey is used to measure how safe and connected students feel at school.	Expected outcomes are formally established in Fall 2018 for the 2018-2019 school year. The actual outcome section reflects the metric data from the 2017-2018 school year.	The California Healthy Kids 2017 Survey indicates results from 5th grade students. Most noteworthy were the following results: 64% of students felt that staff members give them a chance to solve problems most or all of the time. 68% felt that students at school were well behaved all or most of the time. 89% of students felt safe at school all or most of the time.
The RUSD LCAP Survey	Expected outcomes are formally established in Fall 2018 for the 2018-2019 school year. The actual outcome section reflects the metric data from the 2017-2018 school year.	LCAP Parent Survey Results indicate continued priority in maintaining a safe learning environment for students, as well as increased STEAM opportunities.
Aeries Discipline Data	Expected outcomes are formally established in Fall 2018 for the 2018-2019 school year. The actual outcome section reflects the metric data from the 2017-2018 school year.	Lakeview's suspension rate for the 2017-2018 school year was 1%.
Aeries Attendance Data	Expected outcomes are formally established in Fall 2018 for the 2018-2019 school year. The actual outcome section reflects the metric data from the 2017-2018 school year.	Lakeview's average attendance rate for the 2017-2018 school year was 97.1%.

<p>including yearly survey of staff and students.</p> <p>5.4 IMPACT will create and film an expectations movie to be viewed by the students on the first day of school. Rule consistency and clarity will be improved by this project. Positive school culture will be improved.</p> <p>5.5 4th and 5th grade students will have opportunities to learn leadership skills and serve on school service teams, such as Teachers' Aides, Librarian Aides, Assembly Set-Up, Friendship Group for the EDCOE Autism Program, Environmental Awareness Group, Disability Awareness Group, Student Website Team, etc. through IMPACT.</p> <p>5.5 Recess game rules will be posted on signs on the blacktop to increase student understanding of rules and decrease recess conflict. (See Goal 6)</p> <p>5.6 Perfect attendance will be honored at the end of year awards assembly.</p>	<p>5.4 IMPACT worked to create and film an expectations movie to be viewed by the students on the first day of school, however we put this project on hold for PBIS methods to be implemented (confusion was avoided). Positive school culture continues to improve.</p> <p>5.5 4th and 5th grade students continue to have opportunities to learn leadership skills and serve on school service teams, such as Teachers' Aides, Librarian Aides, Assembly Set-Up, Friendship Group for the EDCOE Autism Program, etc. through IMPACT.</p> <p>5.5 Recess game rules are occasionally posted on signs on the blacktop to increase student understanding of rules and decrease recess conflict. (See Goal 6)</p> <p>5.6 In order to avoid promoting school attendance when illness exists, we will encourage positive attendance but avoid specific awards.</p>		

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

Improvement of school culture through character building, increased educational opportunities and student programs were all effectively implemented. Students' academic and social-emotional needs were met through ongoing intervention, enrichment and professional development of staff. Our EL student population increased over the last two years. Staff have implemented GLAD strategies and balanced instruction to allow for EL support. The District EL

Coordinator works with staff to find methods of improvement for EL learning. IMPACT Leadership serves as an important part of our school community, offering service while building leadership.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

The strategies and programs described in this goal have been strongly effective for our students. We have observed measurable growth in student success, both in academics and social-emotional learning.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

None

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

The Safe and Civil Schools approach was altered and became Positive Behavioral Interventions and Supports implementation. This change can be viewed in Goal 2 of the SPSA.

Annual Review and Update

SPSA Year Reviewed: 2017-18

Goal 5

Attract, support, and retain employees who are committed, diverse, knowledgeable, and dedicated to providing quality education for our students.

Annual Measurable Outcomes

Metric/Indicator	Expected Outcomes	Actual Outcomes
Teacher Vacancies	100% of teacher positions will be filled by fully credentialed teachers	100% of teacher positions were filled by fully credentialed teachers
Teacher Misassignments	All teachers will be appropriately assigned based on their credentials.	All teachers were appropriately assigned based on their credentials.
CSEA Survey Results	Professional development needs for non-instructional classified staff will be addressed.	Professional development needs for non-instructional classified staff were addressed in the following areas: Secretaries received training in Aeries and costumer service procedures. Custodians were trained in specific cleaning procedures and customer services. Paraeducators were provided collaboration and training time with teachers and the Resource Center staff throughout the school year.

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

Teachers set professional goals early in the fall . Each teacher attended a Goals and Objectives meeting with the principal to discuss their plans. A school wide goal for improving parent communication was also incorporated. Formal and informal classroom observations were conducted by the principal. Teachers due for evaluation were formally observed and evaluated. Best practices were discussed. Two teachers served as TIP Mentors.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

Setting Goals and Objectives at the beginning of the year is always productive and positive. Professional conversations and plans result, and supportive guidance is evident. Typically, the evaluation process further enhances the professional environment and promotes collaborative discussions of best practices. Professional development and collaboration are beneficial to maintaining a strong learning environment.

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

None

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Professional development and collaboration topics/goals were altered this year and can be found in Goals 1 & 2 of the SPSA.

Annual Review and Update

SPSA Year Reviewed: 2017-18

Goal 6

Create and maintain a safe, clean campus that is conducive to the learning process.

Annual Measurable Outcomes

Metric/Indicator	Expected Outcomes	Actual Outcomes
Facility Inspection Tool	Facilities will be in “good repair” or higher as measured by the Facility Inspection Tool.	The facilities were reported to be in good repair as measured by the Facility Inspection Tool.
Williams Act/Uniform Complaints	100% of Williams Act/Uniform Complaints will be promptly addressed and necessary deficits will be corrected.	No Williams Act/Uniform Complaints were received. 100% of necessary deficits identified through the Williams Act/Uniform Complaint process were corrected

Analysis

Describe the overall implementation of the strategies/activities to achieve the articulated goal.

The School Safety Plan was developed and monitored by the Safety Committee (sub-group of SSC). Improvements toward a safer school environment were made. Yard supervisors are now employed through CSEA, providing consistent schedules and staffing. IMPACT Leadership and Safety Patrol Officers continue to contribute to our positive, safe school community.

Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.

Input, regarding safety was taken throughout the year from parents, staff, PTO and SSC. Meetings were held regularly for all stakeholders. Plans were implemented

Explain any material differences between the Proposed Expenditures and Estimated Actual Expenditures.

None

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Activities and strategies in this goal will continue to improve through facility safety improvements, Positive Behavioral Interventions and Supports implementation, ongoing staff professional development, etc. Additional information can be found in Goal 2 of the SPSA.

Budget Summary and Consolidation

The Budget Summary is required for schools funded through the ConApp. The Consolidation of Funds is required for a school receiving funds allocated through the ConApp and consolidating those funds as part of a schoolwide program.

Budget Summary

Description	Amount
Total Funds Provided to the School Through the Consolidated Application	
Total Funds Budgeted for Strategies to Meet the Goals in the SPSA	

Allocations by Funding Source

Funding Source	Amount	Balance
----------------	--------	---------

Expenditures by Funding Source

Funding Source	Amount
District Funded	11,000.00
Donations	28,543.00
LCFF - Supplemental	19,380.00
Parent Teacher Association/Parent Faculty Club (PTA/PFC/PTSO)	6,800.00
Parent Teacher Association/Parent Faculty Club (PTA/PFC/PTSO, PTO, etc.)	63,150.00
Site Formula Funds	20,889.00

Expenditures by Budget Reference

Budget Reference	Amount
1000-1999: Certificated Personnel Salaries	21,500.00
2000-2999: Classified Personnel Salaries	45,812.00
4000-4999: Books And Supplies	11,100.00
5000-5999: Services And Other Operating Expenditures	71,350.00

Expenditures by Budget Reference and Funding Source

Budget Reference	Funding Source	Amount
1000-1999: Certificated Personnel Salaries	District Funded	11,000.00
2000-2999: Classified Personnel Salaries	Donations	17,043.00
4000-4999: Books And Supplies	Donations	4,500.00
5000-5999: Services And Other Operating Expenditures	Donations	7,000.00
2000-2999: Classified Personnel Salaries	LCFF - Supplemental	19,380.00
5000-5999: Services And Other Operating Expenditures	Parent Teacher Association/Parent Faculty Club (PTA/PFC/PTSO)	6,800.00
4000-4999: Books And Supplies	Parent Teacher Association/Parent Faculty Club (PTA/PFC/PTSO, PTO, etc.)	6,600.00
5000-5999: Services And Other Operating Expenditures	Parent Teacher Association/Parent Faculty Club (PTA/PFC/PTSO, PTO, etc.)	56,550.00
1000-1999: Certificated Personnel Salaries	Site Formula Funds	10,500.00
2000-2999: Classified Personnel Salaries	Site Formula Funds	9,389.00
5000-5999: Services And Other Operating Expenditures	Site Formula Funds	1,000.00

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 2 Classroom Teachers
- 1 Other School Staff
- 4 Parent or Community Members

Name of Members	Role
Kathy Miracle	Principal
Laurisa Stuart	Classroom Teacher
Jennifer Bazor	Classroom Teacher
Anna Doughty	Other School Staff
Katie Allred	Parent or Community Member
Michael Flaherty	Parent or Community Member
Rushi Shah	Parent or Community Member
Erin Koht	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 11/30/16.

Attested:

Principal, Kathy Miracle on

SSC Chairperson, Shelle Limoncelli on

Addendum

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

Stakeholder Involvement

Goals, Strategies, & Proposed Expenditures

Planned Strategies/Activities

Annual Review and Update

Budget Summary and Consolidation

Appendix A: Plan Requirements for Schools Funded Through the ConApp

Appendix B: Select State and Federal Programs

For additional questions or technical assistance related to completion of the SPSA template, please contact the Local Educational Agency, or the CDE's Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

Stakeholder Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. As such, the SPSA should be shared with, and schools should request input from, school site-level advisory groups, as applicable (e.g., English Learner Advisory Councils, student advisory groups, etc.).

Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

Goals, Strategies, & Proposed Expenditures

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve? A school may number the goals using the "Goal #" for ease of reference.

Basis for this Goal

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, and may include any data voluntarily developed by districts to measure pupil achievement.

Expected Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to be make in the coming year.

Planned Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. Strategies and activities that are implemented to achieve the identified goal may be grouped together. A school may number the strategy/activity using the "Strategy/Activity #" for ease of reference.

A school receiving funds allocated through the ConApp is required to describe in their strategies and activities how they will address specific state and federal requirements. A list of these requirements may be found in Appendix A: Plan Requirements for Schools Funded Through the ConApp. At a minimum a school receiving funds allocated through the ConApp must address these requirements; however, a school may describe additional strategies/activities as well.

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list and describe the proposed expenditures for the school year to implement these strategies/activities, including where those expenditures can be found in the school’s budget. The school should reference all fund sources for each proposed expenditure and should provide budget references as an object code or an object code description.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA.

Annual Review and Update

The planned goals, expected outcomes, planned strategies/activities, and proposed expenditures must be copied verbatim from the previous year’s approved SPSA. Minor typographical errors may be corrected.

Annual Measurable Outcomes

For each goal in the prior year, provide the metric/indicators, the expected outcomes, and the actual outcomes; review the actual outcomes as compared to the expected outcomes identified in the prior year for the goal.

Strategies/Activities

Identify the planned strategies/activities and the proposed expenditures to implement these strategies/activities toward achieving the described goal, then identify the actual strategies/activities implemented to meet the described goal and the estimated actual expenditures to implement the strategies/activities. As applicable, identify any changes to the student groups served.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the strategies/activities to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process.
- Describe the overall effectiveness of the strategies/activities to achieve the articulated goal as measured by the school.
- Explain any material differences between Proposed Expenditures and Estimated Actual Expenditures. Minor variances in expenditures or a dollar-for-dollar accounting is not required.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

Budget Summary and Consolidation

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp. The Consolidation of Funds is required for a school receiving funds allocated through the ConApp and consolidating those funds as part of a schoolwide program.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- **Total Funds Provided to the School Through the Consolidated Application:** This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- **Total Funds Budgeted for Strategies to Meet the Goals in the SPSA:** This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school may include additional information or more detail.

Consolidation of Funds

A school receiving funds allocated through the ConApp and consolidating those funds as part of a schoolwide program is required to include a list of state and local programs and other federal programs that the school will consolidate in the schoolwide program. A list of commonly consolidated state and federal programs is provided in Appendix B: Select State and Federal Programs. List the federal funding source(s) and the amount(s) being consolidated in the schoolwide program, then list the state and/or local funding source(s) and the amount(s). Adjust the table as needed.

Appendix A: Plan Requirements for Schools Funded Through the ConApp

Basic Plan Requirements

A school receiving funds allocated through the ConApp is required to develop a SPSA. The content of a SPSA must be aligned with school goals for improving student achievement. School goals must be based upon an analysis of verifiable state data and may include any data voluntarily developed by districts to measure student achievement.

The SSC is required to develop the SPSA, which must address each of the following, as applicable:

1. A description of curricula, instructional strategies and materials responsive to the individual needs and learning styles of each student (described in the Strategies/Activities).
2. A description of instructional and auxiliary services to meet the special needs of non-English-speaking or limited-English-speaking students, including instruction in a language these students understand; educationally disadvantaged students; gifted and talented students; and students with exceptional needs (described in the Strategies/Activities).
3. A description of a staff development program for teachers, other school personnel, paraprofessionals, and volunteers, including those participating in special programs (described in the Strategies/Activities).
4. An identification of the schools' means of evaluating progress toward accomplishing its goals (described in the Expected Annual Measurable Outcomes) and an ongoing evaluation of the educational program of the school (described in the Annual Review and Update).
5. A description of how funds provided to the school through the ConApp will be used to improve the academic performance of all pupils to the level of state performance goals (described in the Proposed Expenditures for Strategies/Activities).
6. The proposed expenditures of funds available to the school through the programs described in EC Section 52851. For purposes of this subdivision, proposed expenditures of funds available to the school must include, but not be limited to, salaries and staff benefits for persons providing services for those programs (described in the Proposed Expenditures for Strategies/Activities).
7. The proposed expenditure of funds available to the school through the federal Improving America's Schools Act of 1994 and its amendments. If the school operates a state-approved schoolwide program in a manner consistent with the expenditure of funds available to the school pursuant to EC Section 52851, employees of the schoolwide program may be deemed funded by a single cost objective.
8. A description of how state and federal law governing programs identified in EC Section 64000 will be implemented, as applicable (described in the Strategies/Activities).
9. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC.

Authority cited: EC sections 64001(f)-(g) and 52853(a)(1)-(7).

Schoolwide Program Requirements

A school receiving funds allocated through the ConApp and operating a schoolwide program (SWP) must describe how the school will carry out each of the following components:

1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will
 - a. provide opportunities for all students, including socioeconomically disadvantaged students, students from major racial and ethnic groups, students with disabilities, and English learners, to meet the challenging state academic standards.
 - b. use effective methods and instructional strategies based on scientifically based research that
 - i. strengthen the core academic program in the school;
 - ii. provide an enriched and accelerated curriculum;
 - iii. increase the amount and quality of learning time;
 - iv. include strategies for meeting the educational needs of historically underserved populations;
 - v. help provide an enriched and accelerated curriculum; and
 - vi. are consistent with, and are designed to implement, state and local improvement plans, if any.
 - c. address the needs of all students in the school, but particularly the needs of those at risk of not meeting the challenging state academic standards, through activities which may include the following:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
2. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
3. A description of how the school will ensure instruction by highly qualified teachers and provide ongoing professional development, including
 - a. strategies to attract highly qualified teachers;
 - b. providing high-quality and ongoing professional development that is aligned with the state's academic standards for teachers, principals, paraprofessionals and, if appropriate, pupil services personnel, parents, and other staff, to enable all students in the school to meet the state's academic standards;
 - c. the devotion of sufficient resources to effectively carry out professional development activities; and
 - d. the inclusion of teachers in professional development activities regarding the use of academic assessments to enable them to provide information on, and to improve, the achievement of individual students and the overall instructional program.
4. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Stakeholder Involvement and/or Strategies/Activities).
5. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - a. Ensure that those students' difficulties are identified on a timely basis; and
 - b. Provide sufficient information on which to base effective assistance to those students.
6. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
7. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).

RESCUE UNION SCHOOL DISTRICT

AGENDA ITEM: Public Hearing - Surplus Instructional Materials

BACKGROUND:

Board Policy 3270 allows staff to identify District property that is unusable, obsolete, or no longer needed by the District to be declared surplus so disposal and/or public sale can proceed. At least 60 days before disposing of these instructional materials, the Board shall notify the public of its intention to do so and permit members of the public to address the Board regarding the distribution of these materials.

STATUS:

The enclosed Report of Surplus District Instructional Materials lists instructional materials that are unusable or obsolete. The estimated values of materials are of insufficient value to defray the costs of arranging a sale. The property may be donated to a charitable organization or disposed of as required. Public notice was published as required.

FISCAL IMPACT:

N/A

BOARD GOAL:

Board Focus Goal I – STUDENT NEEDS:

- B. Curriculum and Instruction - Provide a meaningful, innovative learning environment using Common Core, and other student content standards and researched-based, progressive, effective instructional methodology, instructional materials, staff development and technology that will ensure student success in career and college.

RECOMMENDATION:

The Board of Trustees hold a public hearing to hear comments from the public regarding the distribution of surplus instructional materials and approve the attached declaration of surplus instructional material and proposed donation/disposal of those materials.
