

EL DORADO HILLS FIRE DEPARTMENT
PRESENTS THE 54TH ANNUAL

Santa Run

December 11 - 16, 2017

Santa is Coming to Town! With El Dorado Hills growing so quickly, Santa's Sleigh will not be traveling through the neighborhoods, but will instead head straight to the designated Santa Stops to spend as much time as possible with the EDH residents. Please do not let your children run next to the fire engines. The Elves will be collecting letters to Santa, canned food and new, unwrapped toys for the local Toys for Tots Program. The Grand Finale on December 16th will take place at Town Center and will begin at 6PM with Santa arriving shortly after. Join us for fireworks, cookies and hot cocoa!

Safety Message: Remember to clean your chimney at the beginning of the colder months. This will prevent chimney fires AND make Santa extra jolly.

For Santa Stops:
