Dear Rescue Families,

We are very excited to welcome you all to the 2018-2019 school year! We look forward to Thursday, August 9 as the first day of school. This year will be another great one, with many opportunities for our students to grow, and develop new interests, talents, and skills.

Our teachers and staffs are ready to greet your children and focus on meeting needs and challenging each student entrusted to them. Hands on learning opportunities, STEM, coding, project-based learning, and a myriad of other things are in store for our students.

Once again, we are proud to announce that our state test scores rank at the top of the greater Sacramento area! We increased our percentage of students meeting and exceeding standards yet again, in both English Language Arts and Math. Our English Language Learners also showed growth, which is awesome. Your child's school will be sharing the data with you in the near future.

Please be sure to join us at your child's *Back to School Night*. These are very important events, where you hear about the upcoming year, learn how to connect to your child's classroom curriculum, teachers, homework structure, parent club opportunities, and many other things! The dates are listed below:
