Upcoming Events:

Please mark your calendar for your child's Back to School Night! You would not want to miss it!

First Day of School

August 14
(Wednesday)

It is an early release day!

Dear RUSD Families,

Welcome to the 2019-2020 school year! We are very excited for the year to begin. Our teachers and staff have been working hard all summer to prepare our campuses and classrooms for our students to return.

We want to invite you to attend Back To School Night for your children. This is a very important opportunity for you to meet your child's teacher, hear about your child's class, homework, projects, and other pertinent issues. The dates and times are noted below. We hope to see you there.

We are also happy to share that each site will be providing additional enrichment opportunities for high achieving students. Each site's offerings will look a little different, but we want to be sure we meet the needs of all our students, so this is one more way we can focus on that goal.

Also, be sure to take the time to read the parent information sent home at the start of the year. Besides valuable notices regarding the district, policies, and such, also included will be resources available to our students for mental health, counseling, and group sessions provided by our site counselors. We want to provide the best possible, well-rounded educational program for our students.

Here's to a fabulous year! If you have questions or comments, I would love to hear from you!
