6-7 pm in the Pleasant Grove multi-purpose room

10/28 Informational meeting for parents regarding a possible G.O. Bond for RUSD
6-7 pm in the Marina Village multi-purpose room

We hope to see you!

Dear Rescue Families,

What a beautiful fall season we are having. I hope you are enjoying the crisp mornings and sunny days as much as I am. This weather also makes it perfect for our fall festivals and Oktoberfest celebrations coming up! Thank you to the parent clubs for putting on such amazing events for our students and families. They are always a lot of fun!

Also, we had sent out a parent survey to our elementary school parents regarding a possible change in our music education schedule for 4th and 5th grade students. Some parents thought we were going to change mid-year. That is not the case! We are simply seeking parent input for future years! We will continue our music program in elementary school as it is for the remainder of this school year!

Thank you too, for your patience and understanding with the power outages. Hundreds of schools across the state were similarly affected. We are very sorry.

RUSD Board of Trustees seeks YOUR input!

We are considering placing a General Obligation Bond on the March 2020 ballot. We have sought input from our teachers and staff, community and business owners, and we desire to gather input and ideas from our families as well.

You are invited to attend one of two informational meetings for this purpose. The first meeting will be held at Pleasant Grove Middle School, on Wednesday, October 23, at 6 pm in the multi-purpose room. We hope all parents from Green Valley, Rescue, and Pleasant Grove will attend. The other meeting will be held at Marina Village Middle School, on Monday, October 28, at 6 pm, in the multi-purpose room for families from Jackson, Lakeview, Lake Forest, and Marina Village. Please come hear about the Bond measure and share your thoughts!
