Dear Rescue Union School District Families,

Happy New Year! We trust you will have a healthy, productive, and happy 2019.

As we look forward to 2019, I would like to remind you of ways you can be involved with our district, as well as your child's school. We invite you to be part of the Parent Advisory Committee, which serves to help determine the direction of our district in regard to the Local Control Accountability Plan (LCAP) which determines how we spend our money. This is a great way for parents to have their voice heard. The parents on this committee develop the parent and student survey which solicits input as to what opportunities and programs our families feel are important for our students to access. The next meeting is Tuesday, January 29 at 6:00 pm in the Board room. We also want every parent and student to complete the survey that will come out in February. This is another way to have your voice heard and help move our district forward. We also want to remind you to get involved with your child's parent club. All our parent clubs are extremely active and they do amazing things to benefit our students! Contact your school for times and dates of these important opportunities!

Sincerely, Cheryl Olson
