Dear Rescue Union School District Families,

September is such a beautiful month. I love fall. The weather gets cooler, the trees begin changing colors, and school is in full swing!

Thank you to those of you who were able to join us for Back To School Night events. They were very well attended and it was a great opportunity to hear about the upcoming year and how you can be involved in your child's educational journey with us this year.

We will be starting our Superintendent Coffee Chats again in the near future. We will alternate our locations between the two Starbucks in our district! The first one will be held at the Starbucks in El Dorado Hills on Green Valley. The next one will be at the Starbucks also on Green Valley, but in Cameron Park. Our desire is for you to just pop in and say hello. More information will follow with dates and times. Be watching! We'd love to see you.

Have a wonderful September. Please feel free to contact me if you have suggestions as to how we can communicate most effectively with you!

As parents, we sometimes struggle with helping our children understand the difference between rude, mean, or bullying behaviors. Mr. Cambridge, principal of Marina, shared an article with our administrative team on the topic. Michele Miller then gave the article to her site counselor, Jennifer Craig, who promptly revised it into a kid-friendly, one-page article for teachers and parents to use with children to help them understand and navigate the differences. Please see the one-page article attached for your use. We will be using it as well, at school!

LOVED.”
