16. Year Book and Graduating Class Photographs: It is the District's practice to provide yearbook and graduating class photographs to newspapers and other publications upon request. The District regards such information as a public record and "directory information" within the meaning of the Family Educational and Privacy Rights Act, "FERPA", 20 USC 1232g, and Education Code Section 49073. The District presumes that unless otherwise notified, it may infer from a student's participation in yearbook and graduating class photographic activities that it has permission to release student's photograph. 17. District/COE Rules: The rules used by the District/COE pertaining to student discipline are available to all parents upon request. [EC 35291] The rules may require that the parent of a pupil who has been suspended may be required to attend a portion of a school day in the child's classroom. [EC 48900.1]

in any of its policies, procedures, or practices, in compliance with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973 and the Age Discrimination Act of 1975 [EC 200]. Assessment services and technical assistance are also offered. 20. Compulsory Education: Each person between the ages of 6 and 18 years, not exempted under the provisions of Education Code, Instruction and Services, part 27, Chapter 2, Compulsory Education Law (commencing with Section 48200) or Chapter 3 (commencing with Section 48400) is subject to compulsory full-time education and each person subject to compulsory full-time education and each person subject to compulsory continuation education not exempted under the provisions of Chapter 3 shall attend the public full-time day school or continuation school or classes and for the full time designated as the length of the schoolday by the governing board of the school district in which the residency of either the parent or legal guardian is located and each parent, guardian, or other person having control or charge of the pupil shall send the pupil to the public full-time day school or continuation school or classes and for the full time designated as the length of the schoolday by the governing board of the school district in which the residence of either the parent or legal guardian is located. Unless otherwise provided for in EC 48200, a pupil shall not be enrolled for less than the minimum schoolday established by law.
21. Residency Requirements-School Attendance Options:
 - (a) Notwithstanding EC 48200, a pupil complies with the residency requirements for school attendance in a school district, if he or she is any of the following:
 - (1) A pupil placed within the boundaries of that school district in a regularly established licensed children's institution or a licensed foster home as defined in EC 56155.5 or a family home pursuant to a commitment or placement under Chapter 2 (Section 200) of Part 1 of Division 2 of the Welfare and Institutions Code.
 - (2) A pupil who is a foster child who remains in his or her school of origin pursuant to subdivisions (f) and (g) of EC 48853.5
 - (3) A pupil for whom interdistrict attendance has been approved pursuant to Chapter 5 (Section 46600) of Part 26.
 - (4) A pupil whose residence is located within the boundaries of that school district and whose parent or legal guardian is relieved of responsibility, control, and authority through emancipation.
 - (5) A pupil who lives in the home of a caregiving adult that is located within the boundaries of that school district. Execution of an affidavit under penalty of perjury pursuant to Part 1.5 (Section 6550) of Division 11 of the Family Code by the caregiving adult is a sufficient basis for a determination that the pupil lives in the caregiver's home, unless the school district determines from actual facts that the pupil is not living in the caregiver's home.
 - (6) A pupil residing in a state hospital located within the boundaries of that school district.
 - (7) A pupil whose parent or legal guardian resides outside of the boundaries of that school district but is employed and lives with the pupil at the place of his or her employment within the boundaries of the school district for a minimum of three days during the school week.
 - (8) Once a pupil is deemed to have complied with the residency requirements for school attendance pursuant to this subdivision and is enrolled in a school in a school district the boundaries of which include the location where at least one parent or the legal guardian of a pupil is physically employed, the pupil does not have to reapply in the next school year to attend a school within that school district and the governing board of the school district shall allow the pupil to attend school through grade 12 in that school district if the parent or legal guardian so chooses and if at least one parent or the legal guardian of the pupil continues to be physically employed by an employer situated within the attendance boundaries of the school district, subject to paragraphs (2) to (7), inclusive.
 - (b) A school district may deem a pupil to have complied with the residency requirements for school attendance in the school district if at least one parent or the legal guardian of the pupil is physically employed within the boundaries of that school district for a minimum of 10 hours during the school week.

22. Statutory Attendance Options:

California law requires school districts to provide an education to any pupil who resides within the district's attendance area. Although pupils have the right to a free, public education, the law does not guarantee that a pupil can attend the school of his or her choice, or even the neighborhood school. Existing statutory attendance options include interdistrict transfer, intradistrict transfer and open enrollment.

Interdistrict Transfer - The governing boards of two or more school districts may enter into an interdistrict transfer/reciprocal agreement, for a term not to exceed five school years, for the interdistrict attendance of pupils who are residents of the school districts. CA Education Code Sections 46600-46610 permits parents/guardians to request an interdistrict transfer. Parents/guardians wishing to register/admit/enroll their pupil at a school other than the designated school that is in their attendance area outside of their school district may obtain an application for interdistrict attendance transfer from the District/COE. Interdistrict transfer agreements must be approved by both the pupil's original school district of residence and the school district to which the pupil seeks to transfer. Both school districts must approve the agreement before it becomes valid. The agreement may include terms or conditions. It is within the authority of either the school district of residence or the receiving school district to revoke an interdistrict transfer/reciprocal agreement at any time for any reason the school district governing board or school district superintendent deems appropriate. If a request for an interdistrict transfer agreement is denied, the pupil's parents/guardians may file an appeal to the county office of education in the pupil's school district of residence within 30 days of receipt of the official notice of denial of the transfer.

Interdistrict Transfer Because of Parent Employment/Allen Bill - CA Education Code Section 48204(b) permits a school district to deem a pupil to have complied with the residency requirements for school attendance in the school district if at least one parent or the legal guardian of the pupil is physically employed within the boundaries of that school district for a minimum of 10 hours during the school week. School districts within which at least one parent or the legal guardian of a pupil is employed are not required to admit the pupil to its schools. Once admitted to residency, the pupil's transfer may be revoked only if the parent ceases to be employed within the boundaries of the school district. As a resident, the pupil does not have

to re-apply for the transfer to be valid.

Intradistrict Transfer - Each school district shall adopt rules and regulations establishing a policy of open enrollment within the district for residents of the district. This requirement does not apply to a school district that has only one school or a school district with schools that do not serve any of the same grade levels. CA Education Code Section 35160.5(b) permits parents to indicate a preference for the school which their child will attend, irrespective of the child's place of residence within the school district, and requires the school district to honor this parental preference if the school has sufficient capacity without displacing other currently enrolled pupils. An intradistrict transfer applies when parents/guardians wish to register/admit/enroll their pupil(s) at a school other than the designated school that is in their attendance area within their school district.

To the extent required and financed by federal law and at the request of the pupil's parent or guardian, each school district shall provide transportation assistance to the pupil. [EC 35160.5 (b)(4)]

Open Enrollment - CA Education Code Sections 48350 through 48361, "The Open Enrollment Act", provides an option to pupils attending low-achieving schools within their "district of residence" to enroll in schools with higher Academic Performance Indices. The Superintendent of Public Instruction creates an annual list of schools subject to the provisions of the Open Enrollment Act. Parents of pupils attending any of these schools may apply for admission to a higher achieving school by January 1. The receiving school district ("district of enrollment") may adopt specific standards for the acceptance and rejection of applications under this provision. These may include consideration of capacity issues as well as the potential adverse financial impact.

Every Student Succeeds Act - Districts may provide alternative supports and public school choice. [P.L. 114-95 (2015)]

Parents/guardians who are interested in finding out more about attendance options should contact the School District for more information on the District's policies, procedures, and timelines for applying for transfers. [EC 48980(h) 48204(a)(2), 48660]

Availability of Individualized Instruction/Presence of Pupil with Temporary Disability in Hospital - Individualized instruction is available to students with temporary disabilities whose disability makes attendance in the regular day classes or alternative education program in which the student is enrolled impossible or inadvisable. Parents of students hospitalized or with a temporary disability shall notify the school district where the student receives care if an individualized instruction program is desired. [EC 48206.3, 48207-48208]

23. **Programmatic/Special Programmatic Options:** Programmatic options offered within district attendance areas, if any; will vary by district. Special programmatic options available on both an interdistrict and intradistrict basis, if any, will vary by district. [EC 48980(h)] (**District Attachment - 4**)
24. **Notice of Alternative Schools:** California state law authorizes all school districts to provide for alternative schools. [EC 58501] (**Attachment - 5**)
25. **Excuse from Sexual Health Education, HIV Education and Related Assessments:** Parents or guardians of a pupil have the right to excuse their child from all or part of comprehensive sexual health education, HIV prevention education, and assessments related to that education through a passive consent ("opt out") process. In order to excuse your child, the request must be made in writing to the school district. [EC 51938] You are hereby notified that:
 - (1) Educational materials used in comprehensive sexual health education and HIV prevention education are available for inspection.
 - (2) Comprehensive sexual health education or HIV prevention education will be taught by school district personnel and/or by outside consultants.
 - (3) You have a right to request a copy of EC Part 28, Chapter 5.6 – California Healthy Youth Act.
26. **Uniform Complaint Procedures "UCP":** Alleged violations, by the school or school district, of federal or state law will be handled through the UCP established by the District/COE. Civil remedies including but not limited to injunctions, restraining orders or other remedies or orders may be available. The District/COE is primarily responsible for compliance with federal and state laws and regulations. Appeal and review procedures may be pursued through local, state or federal agencies, offices, and/or courts as well. Complaints shall be made in writing to the Superintendent of the District/COE. The District/COE shall be responsible for providing written procedures regarding the process upon request. [5 CCR 4610, 4622] District complaint procedures and appeal process attached. (**District Attachment – 6**)

Please note in particular that the process provides that:

 - 1) the complaint review will be concluded within sixty calendar days from the date of receipt of the complaint unless the complainant agrees in writing to extend the time line;
 - 2) a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) must be filed not later than six months from the date the alleged discrimination occurred, or six months from the date the complainant first obtained knowledge of the facts of the alleged discrimination;
 - 3) a complaint regarding impermissible pupil fees may be filed with the principal or designee of the school under the UCP;
 - 4) a complaint that a school district, county superintendent of schools, or charter school has not complied with requirements of the local control and accountability plan (LCAP) may be filed under the UCP;
 - 5) a complaint alleging discrimination against transgender and gender-nonconforming students may be filed with the principal or designee of the school under the UCP;
 - 6) a complaint of noncompliance with requirements related to accommodations for lactating students; educational rights of foster youth, homeless students, and former juvenile court school students; assignment of students to courses without educational content for more than one week per semester or to courses they have previously completed; and physical education instructional minutes in elementary schools;
 - 7) the complainant has a right to appeal the District/COE Decision to the California Department of Education by filing a written appeal within 15 days of receiving the District/COE Decision; and
 - 8) the appeal to California Department of Education must include a copy of the locally filed complaint and a copy of the District/COE decision.
27. **Sexual Harassment Policy:** Alleged pupil sexual harassment in violation of District/COE policy or federal or state law will be handled pursuant to the attached policies and procedures established by the District/County Superintendent of Schools Office. The District/COE shall be responsible for providing written procedures regarding the process. [EC 48980(g), 212.5, 231.5] (**District Attachment - 7**)
28. **School Accountability Report Card:** On or before February 1 of each year, parents are entitled to an updated hard copy of the School Accountability Report Card upon request. [EC 35256]
29. **Curriculum:** The curriculum, including titles, descriptions, and instructional aims of every course offered by a public school shall be compiled at least once annually in a prospectus. The prospectus is available for review upon request and for copying at a reasonable charge. [EC 49091.14; 49063(k)]

PPRA Model Notice and Consent/Opt-Out for Specific Activities

The Protection of Pupil Rights Amendment (PPRA), 20 U.S.C. § 1232h, requires school districts to notify you and obtain consent or allow you to opt your child out of participating in certain school activities. These activities include a student survey, analysis, or evaluation that concerns one or more of the following eight areas ("protected information surveys"):

1. Political affiliations or beliefs of the student or student's parent;
2. Mental or psychological problems of the student or student's family;
3. Sex behavior or attitudes;
4. Illegal, anti-social, self-incriminating, or demeaning behavior;
5. Critical appraisals of others with whom respondents have close family relationships;
6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
7. Religious practices, affiliations, or beliefs of the student or student's parents; or
8. Income, other than as required by law to determine program eligibility.

This requirement also applies to the collection, disclosure or use of student information for marketing purposes ("marketing surveys"), and certain physical exams and screenings. Policies regarding these rights may be obtained from the school district.

Parents who believe their rights have been violated under this section may file a complaint with the Family Compliance Office, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, DC 20202-5901.

Notification of Rights under FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

- (1) The right to inspect and review the student's education records within 45 days (within 5 days under E.C. 49069) of the day the School receives a request for access.

Parents or eligible students should submit to the School principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

- (2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate.

Parents or eligible students may ask the School to amend a record that they believe is inaccurate. They should write the School principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it is inaccurate. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

- (3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

Another exception permits disclosure of appropriately designated "directory information" without written consent, unless parents have advised the School to the contrary in accordance with school district procedures. The primary purpose of directory information is to allow the School to include this type of information from a student's education records in certain school publications (e.g., yearbooks, honor roll lists, sports activity sheets). Directory information, which is information that is not generally considered harmful or an invasion of privacy if released, can also be disclosed to outside

organizations without a parent's prior written consent. In addition, schools are required to provide military recruiters, upon request, with secondary students' names, addresses and telephone listings unless parents have advised the school that they do not want their student's information disclosed without their prior consent.

The School has designated the following information as directory information: student's name, participation in officially recognized activities and sports, address, telephone listing, weight and height of members of athletic teams, e-mail address, photograph, degrees, honors, and awards received, date and place of birth, major field of study, dates of attendance, grade level, and the most recent educational agency or institution attended. If parents do not want the School to disclose directory information from their child's education records without prior written consent, they must notify the School in writing. [10 U.S.C. § 503, 20 U.S.C. § 7908, 34 C.F.R. § 99.37]

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.

(34 CFR 99.3)

Student records are any items of information (in handwriting, print, tape, film, computer, or other medium) gathered within or outside the district that are directly related to an identifiable student and maintained by the district, required to be maintained by an employee in the performance of his/her duties, or maintained by a party acting for the district. Any information maintained for the purpose of second-party review is considered a student record. Student records include the student's health record. (Education Code 49061, 49062; 5 CCR 430; 34 CFR 99.3)

Student records do not include: (Education Code 49061, 49062; 5 CCR 430; 34 CFR 99.3)

1. Directory information

(cf. 3515 - Campus Security)

(Education Code 49074, 49076; 34 CFR 99.31)

Process for Providing Access to Records

Parents/guardians shall be notified of the location of student records if not centrally located. (Education Code 49069; 5 CCR 433)

The custodian of records shall be responsible for the security of student records and shall ensure that access is limited to authorized persons. (5 CCR 433)

The custodian of records shall develop reasonable methods, including physical, technological, and administrative controls, to ensure that school officials and employees obtain access to only those student records in which they have legitimate educational interests. (34 CFR 99.31)

To inspect, review, or obtain copies of student records, authorized persons shall submit a request to the custodian of records. Prior to granting the request, the custodian of records shall authenticate the individual's identity. For any individual granted access based on a legitimate educational interest, the request shall specify the interest involved.

When prior written consent from a parent/guardian is required by law, the parent/guardian shall provide a written, signed, and dated consent before the district discloses the student record. Such consent may be given through electronic means in those cases where it can be authenticated. Upon request by the parent/guardian, the district shall provide him/her a copy of the records disclosed. (34 CFR 99.30)

Within five business days following the date of request, a parent/guardian or other authorized person shall be granted access to inspect, review, and obtain copies of student records during regular school hours. (Education Code 49069)

Qualified certificated personnel shall be available to interpret records when requested. (Education Code 49069)

The custodian of records or the Superintendent or designee shall prevent the alteration, damage, or loss of records during inspection. (5 CCR 435)

Access Log

A log shall be maintained for each student's record which lists all persons, agencies, or organizations requesting or receiving information from the records and the legitimate educational interest of the requester. (Education Code 49064)

In every instance of inspection by persons who do not have assigned educational responsibility, the custodian of records shall make an entry in the log indicating the record inspected, the name of the person granted access, the reason access was granted, and the time and circumstances of inspection. (5 CCR 435)

The log may include record of access by: (Education Code 49064)

1. Parents/guardians or adult students
2. Students who are 16 years of age or older or who have completed the 10th grade

Duplication of Student Records

To provide copies of any student record, the district shall charge a reasonable fee not to exceed the actual cost of providing the copies. No charge shall be made for providing up to two transcripts or up to two verifications of various records for any former student. No charge shall be made to locate or retrieve any student record. (Education Code 49065)

(cf. 3260 - Fees and Charges)

Changes to Student Records

Only a parent/guardian having legal custody of a student or an adult student may challenge the content of a record or offer a written response to a record. (Education Code 49061)

(cf. 5125.3 - Challenging Student Records)

No additions except routine updating shall be made to a student's record after high school graduation or permanent departure without prior consent of the parent/guardian or adult student. (5 CCR 437)

A student's legal name or gender as entered on the mandatory student record required pursuant to 5 CCR 432 shall only be changed pursuant to a court order. However, at the written request of a student or, if appropriate, his/her parents/guardians, the district shall use the student's preferred name and pronouns consistent with his/her gender identity on all other district-related documents.

(cf. 5145.3 - Nondiscrimination/Harassment)

Retention and Destruction of Student Records

ALTERNATIVE SCHOOLS

“Notice of Alternative Schools: California state law authorizes all school districts to provide for alternative schools. Section 58500 of the Education Code defines alternative school as a school or separate class group within a school which is operated in a manner designed to:

(a) Maximize the opportunity for students to develop the positive values of self-reliance, initiative, kindness, spontaneity, resourcefulness, courage, creativity, responsibility, and joy.

(b) Recognize that the best learning takes place when the student learns because of his desire to learn.

(c) Maintain a learning situation maximizing student self-motivation and encouraging the student in his own time to follow his own interests. These interests may be conceived by him totally and independently or may result in whole or in part from a presentation by his teachers of choices of learning projects.

(d) Maximize the opportunity for teachers, parents, and students to cooperatively develop the learning process and its subject matter. This opportunity shall be a continuous permanent process.

(e) Maximize the opportunity for the students, teachers, and parents to continuously react to the changing world, including but not limited to the community in which the school is located.

In the event any parent, pupil, or teacher is interested in further information concerning alternative schools, the county superintendent of schools, the administrative office of this district, and the principal's office in each attendance unit have copies of the law available for your information. This law particularly authorizes interested persons to request the governing board of the district to establish alternative school programs in each district.”

As appropriate for any complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the Superintendent or designee shall keep confidential the identity of the complainant and/or the subject of the complaint if he/she is different from the complainant, as long as the integrity of the complaint process is maintained.

The Superintendent or designee shall ensure that all students and parents/guardians, including

students and parents/guardians with limited English proficiency, have access to the relevant information provided in the district's policy, regulation, forms, and notices concerning the UCP.

If 15 percent or more of students enrolled in a particular district school speak a single primary language other than English, the district's policy, regulation, forms, and notices concerning the UCP shall be translated into that language, in accordance with Education Code 234.1 and 48985. In all other instances, the district shall ensure meaningful access to all relevant UCP information for parents/guardians with limited English proficiency.

The notice shall:

1. Identify the person(s), position(s), or unit(s) responsible for receiving complaints
2. Advise the complainant of any civil law remedies that may be available to him/her under state or federal antidiscrimination laws, if applicable
3. Advise the complainant of the appeal process, including, if applicable, the complainant's right to take a complaint directly to the California Department of Education (CDE) or to pursue remedies before civil courts or other public agencies, such as the U.S. Department of Education's Office for Civil Rights (OCR) in cases involving unlawful discrimination (such as discriminatory harassment, intimidation, or bullying).
4. Include statements that:
 - a. The district has the primary responsibility to ensure compliance with applicable state and federal laws and regulations governing educational programs.
 - b. The complaint review shall be completed within 60 calendar days from the date of receipt of the complaint unless the complainant agrees in writing to an extension of the timeline.
 - c. A complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) must be filed not later than six months from the date it occurred, or six months from the date the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension.
 - d. Complaints should be filed in writing and signed by the complainant. If a complainant is unable to put his/her complaint in writing, for example, due to conditions such as a disability or illiteracy, district staff shall assist him/her in the filing of the complaint.
 - e. If a complaint is not filed in writing but the district receives notice of any allegation that is subject to the UCP, the district shall take affirmative steps to investigate and address the allegations, in a manner appropriate to the particular circumstances.

If the allegation involves retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) and the investigation reveals that discrimination has occurred, the district will take steps to prevent recurrence of discrimination and correct its discriminatory effects on the complainant, and on others, if appropriate.

f. A student enrolled in a public school shall not be required to pay a fee for his/her participation in an educational activity that constitutes an integral fundamental part of the district's educational program, including curricular and extracurricular activities.

g. The Board is required to adopt and annually update the LCAP in a manner that includes meaningful engagement of parents/guardians, students, and other stakeholders in the development and/or review of the LCAP.

h. A foster youth shall receive information about educational rights related to his/her educational placement, enrollment in and checkout from school, as well as the responsibilities of the district liaison for foster youth to ensure and facilitate these requirements and to assist the student in ensuring proper transfer of his/her credits, records, and grades when he/she transfers between schools or between the district and another district.

i. A foster youth or homeless student who transfers into a district high school or between district high schools shall be notified of the district's responsibility to:

(1) Accept any coursework or part of the coursework that the student has satisfactorily completed in another public school, juvenile court school, or a nonpublic, nonsectarian school or agency, and to issue full or partial credit for the coursework completed

(2) Not require the student to retake any course or a portion of a course which he/she has satisfactorily completed in another public school, juvenile court school, or a nonpublic, nonsectarian school or agency

(3) If the student has completed his/her second year of high school before the transfer, provide the student information about district-adopted coursework and Board-imposed graduation requirements from which he/she may be exempted pursuant to Education Code 51225.1

j. The complainant has a right to appeal the district's decision to the CDE by filing a written appeal within 15 calendar days of receiving the district's decision. In any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the respondent also shall have the right to file an appeal with the CDE in the same manner as the complainant, if he/she is dissatisfied with the district's decision.

k. The appeal to the CDE must include a copy of the complaint filed with the district and a copy of the district's decision.

l. Copies of the district's UCP are available free of charge.

District Responsibilities

All UCP-related complaints shall be investigated and resolved within 60 calendar days of the district's receipt of the complaint unless the complainant agrees in writing to an extension of the timeline. (5 CCR 4631)

For complaints alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the district shall inform the respondent when the complainant agrees to an extension

of the timeline for investigating and resolving the complaint.

The compliance officer shall maintain a record of each complaint and subsequent related actions, including steps taken during the investigation and all information required for compliance with 5 CCR 4631 and 4633.

All parties involved in the allegations shall be notified when a complaint is filed and when a decision or ruling is made. However, the compliance officer shall keep all complaints or allegations of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) confidential except when disclosure is necessary to carry out the investigation, take subsequent corrective action, conduct ongoing monitoring, or maintain the integrity of the process. (5 CCR 4630, 4964)

Filing of Complaints

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

All complaints shall be filed in writing and signed by the complainant. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, district staff shall assist him/her in the filing of the complaint. (5 CCR 4600)

Complaints shall also be filed in accordance with the following rules, as applicable:

1. A written complaint alleging district violation of applicable state or federal law or regulations governing adult education programs, consolidated categorical aid programs, migrant education, career technical and technical education and training programs, child care and development programs, child nutrition programs, and special education programs may be filed by any individual, public agency, or organization. (5 CCR 4630)
2. Any complaint alleging noncompliance with law regarding the prohibition against requiring students to pay student fees, deposits, and charges or any requirement related to the LCAP may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance. A complaint about a violation of the prohibition against the charging of unlawful student fees may be filed with the principal of the school or with the Superintendent or designee. However, any such complaint shall be filed no later than one year from the date the alleged violation occurred. (Education Code 49013, 52075; 5 CCR 4630)
3. A complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) may be filed only by a person who alleges that he/she personally suffered the unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to it. The complaint shall be initiated no later than six months from the date when the alleged unlawful discrimination occurred, or six months from the date when the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension. (5 CCR 4630)

4. When a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation.

5. When the complainant or alleged victim of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) requests confidentiality, the compliance officer shall inform him/her that the request may limit the district's ability to investigate the conduct or take other necessary action. When honoring a request for confidentiality, the district shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request.

Mediation

Within three business days after the compliance officer receives the complaint, he/she may informally discuss with all the parties the possibility of using mediation. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall ensure that all parties agree to make the mediator a party to relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If mediation is successful and the complaint is withdrawn, then the district shall take only the actions agreed to through the mediation. If mediation is unsuccessful, the district shall then continue with subsequent steps specified in this administrative regulation.

Investigation of Complaint

Within 10 business days after the compliance officer receives the complaint, the compliance officer shall begin an investigation into the complaint.

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or his/her representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or his/her representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional

evidence or information received from the parties during the course of the investigation. He/she shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform both parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall interview the alleged victim(s), any alleged offenders, and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. Similarly, a respondent's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in a finding, based on evidence collected, that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

In accordance with law, the district shall provide the investigator with access to records and other information related to the allegation in the complaint and shall not in any way obstruct the investigation. Failure or refusal of the district to cooperate in the investigation may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

The compliance officer shall apply a "preponderance of the evidence" standard in determining the veracity of the factual allegations in a complaint. This standard is met if the allegation is more likely to be true than not.

Report of Findings

Unless extended by written agreement with the complainant, a final decision shall be sent to the complainant within 60 calendar days of the district's receipt of the complaint. Within 30 calendar days of receiving the complaint, the compliance officer shall prepare and send to the complainant a written report, as described in the section "Final Written Decision" below. If the complainant is dissatisfied with the compliance officer's decision, he/she may, within five business days, file his/her complaint in writing with the Board.

The Board may consider the matter at its next regular Board meeting or at a special Board meeting convened in order to meet the 60-day time limit within which the complaint must be answered. The Board may decide not to hear the complaint, in which case the compliance officer's decision shall be final.

If the Board hears the complaint, the compliance officer shall send the Board's decision to the complainant within 60 calendar days of the district's initial receipt of the complaint or within the time period that has been specified in a written agreement with the complainant. (5 CCR 4631)

Final Written Decision

The district's decision on how it will resolve the complaint shall be in writing and shall be sent to the complainant and respondent. (5 CCR 4631)

In consultation with district legal counsel, information about the relevant part of a decision may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the decision or are affected by the complaint, as long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), notice of the district's decision to the alleged victim shall include information about any sanction to be imposed upon the respondent that relates directly to the alleged victim.

If the complaint involves a limited-English-proficient student or parent/guardian and the student involved attends a school at which 15 percent or more of the students speak a single primary language other than English, then the decision shall also be translated into that language. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

For all complaints, the decision shall include: (5 CCR 4631)

1. The findings of fact based on the evidence gathered. In reaching a factual determination, the following factors may be taken into account:
 - a. Statements made by any witnesses
 - b. The relative credibility of the individuals involved
 - c. How the complaining individual reacted to the incident
 - d. Any documentary or other evidence relating to the alleged conduct
 - e. Past instances of similar conduct by any alleged offenders
 - f. Past false allegations made by the complainant
2. The conclusion(s) of law
3. Disposition of the complaint
4. Rationale for such disposition

For complaints of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the disposition of the complaint shall include a determination for each allegation as to whether retaliation or unlawful discrimination has occurred.

The determination of whether a hostile environment exists may involve consideration of the following:

- a. How the misconduct affected one or more students' education
 - b. The type, frequency, and duration of the misconduct
 - c. The relationship between the alleged victim(s) and offender(s)
 - d. The number of persons engaged in the conduct and at whom the conduct was directed
 - e. The size of the school, location of the incidents, and context in which they occurred
 - f. Other incidents at the school involving different individuals
5. Corrective action(s), including any actions that have been taken or will be taken to address the allegations in the complaint and including, with respect to a student fees complaint, a remedy that comports with Education Code 49013 and 5 CCR 4600

For complaints of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the decision may, as required by law, include:

- a. The corrective actions imposed on the respondent
 - b. Individual remedies offered or provided to the complainant or another person who was the subject of the complaint, but this information should not be shared with respondent.
 - c. Systemic measures the school has taken to eliminate a hostile environment and prevent recurrence
6. Notice of the complainant's and respondent's right to appeal the district's decision to the CDE within 15 calendar days, and procedures to be followed for initiating such an appeal

The decision may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

For complaints alleging unlawful discrimination based on state law (such as discriminatory harassment, intimidation, and bullying), the decision shall also include a notice to the complainant that:

1. He/she may pursue available civil law remedies outside of the district's complaint procedures, including seeking assistance from mediation centers or public/private interest attorneys, 60 calendar days after the filing of an appeal with the CDE. (Education Code 262.3)
2. The 60 days moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law. (Education Code 262.3)
3. Complaints alleging discrimination based on race, color, national origin, sex, gender, disability, or age may also be filed with the U.S. Department of Education, Office for Civil Rights at www.ed.gov/ocr within 180 days of the alleged discrimination.

Corrective Actions

When a complaint is found to have merit, the compliance officer shall adopt any appropriate corrective action permitted by law. Appropriate corrective actions that focus on the larger school or district environment may include, but are not limited to, actions to reinforce district policies; training for faculty, staff, and students; updates to school policies; or school climate surveys.

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate remedies that may be offered to the victim but not communicated to the respondent may include, but are not limited to, the following:

1. Counseling
2. Academic support
3. Health services
4. Assignment of an escort to allow the victim to move safely about campus
5. Information regarding available resources and how to report similar incidents or retaliation
6. Separation of the victim from any other individuals involved, provided the separation does not penalize the victim
7. Restorative justice
8. Follow-up inquiries to ensure that the conduct has stopped and there has been no retaliation
9. Determination of whether any past actions of the victim that resulted in discipline were related to the treatment the victim received and described in the complaint

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate corrective actions that focus on a student offender may include, but are not limited to, the following:

1. Transfer from a class or school as permitted by law
2. Parent/guardian conference
3. Education regarding the impact of the conduct on others
4. Positive behavior support
5. Referral to a student success team
6. Denial of participation in extracurricular or co-curricular activities or other privileges as permitted by law
7. Disciplinary action, such as suspension or expulsion, as permitted by law

When an employee is found to have committed retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

The district may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), that the district does not tolerate it, and how to report and respond to it.

If a complaint alleging noncompliance with the laws regarding student fees, deposits, and other charges, physical education instructional minutes for students in elementary schools, or any requirement related to the LCAP is found to have merit, the district shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education. (Education Code 49013, 51223, 52075)

For complaints alleging noncompliance with the laws regarding student fees, the district shall attempt in good faith, by engaging in reasonable efforts, to identify and fully reimburse all affected students and parents/guardians who paid the unlawful student fees within one year prior to the filing of the complaint. (Education Code 49013; 5 CCR 4600)

Appeals to the California Department of Education

Any complainant who is dissatisfied with the district's final written decision may file an appeal in writing with the CDE within 15 calendar days of receiving the district's decision. (Education Code 222, 48853, 48853.5, 49013, 49069.5, 51223, 51225.1, 51225.2, 51228.3, 52075; 5 CCR 4632)

When a respondent in any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), is dissatisfied with the district's final written decision, he/she, in the same manner as the complainant, may file an appeal with CDE.

The complainant or respondent shall specify the basis for the appeal of the decision and whether the facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally filed complaint and a copy of the district's decision. (5 CCR 4632)

Upon notification by the CDE that the complainant or respondent has appealed the district's decision, the Superintendent or designee shall forward the following documents to the CDE: (5 CCR 4633)

1. A copy of the original complaint
2. A copy of the written decision
3. A summary of the nature and extent of the investigation conducted by the district, if not covered by the decision
4. A copy of the investigation file including, but not limited to, all notes, interviews, and

documents submitted by the parties and gathered by the investigator

(cf. 5137 - Positive School Climate)

(cf. 5145.3 - Nondiscrimination/Harassment)

School-Level Complaint Process/Grievance Procedure

Complaints of sexual harassment, or any behavior prohibited by the district's Nondiscrimination/Harassment policy - BP 5145.3, shall be handled in accordance with the following procedure:

1. **Notice and Receipt of Complaint:** Any student who believes he/she has been subjected to sexual harassment or who has witnessed sexual harassment may file a complaint with any school employee. Within 24 hours of receiving a complaint, the school employee shall report it to the district Coordinator for Nondiscrimination/Principal. In addition, any school employee who observes any incident of sexual harassment involving a student shall, within 24 hours, report this observation to the Coordinator/Principal, whether or not the victim files a complaint.

In any case of sexual harassment involving the Coordinator/Principal to whom the complaint would ordinarily be made, the employee who receives the student's report or who observes the incident shall instead report to the Superintendent or designee.

2. **Initiation of Investigation:** The Coordinator/Principal shall initiate an impartial investigation of an allegation of sexual harassment within five school days of receiving notice of the harassing behavior, regardless of whether a formal complaint has been filed. The district shall be considered to have "notice" of the need for an investigation upon receipt of information from a student who believes he/she has been subjected to harassment, the student's parent/guardian, an employee who received a complaint from a student, or any employee or student who witnessed the behavior.

If the Coordinator/Principal receives an anonymous complaint or media report about alleged sexual harassment, he/she shall determine whether it is reasonable to pursue an investigation considering the specificity and reliability of the information, the seriousness of the alleged incident, and whether any individuals can be identified who were subjected to the alleged harassment.

SEXUAL HARASSMENT (continued)

3. **Initial Interview with Student:** When a student or parent/guardian has complained or provided information about sexual harassment, the Coordinator/Principal shall describe the district's grievance procedure and discuss what actions are being sought by the student in response to the complaint. The student who is complaining shall have an opportunity to describe the incident, identify witnesses who may have relevant information, provide other evidence of the harassment, and put his/her complaint in writing. If the student requests confidentiality, he/she shall be informed that such a request may limit the district's ability to investigate.
4. **Investigation Process:** The Coordinator/Principal shall keep the complaint and allegation confidential, except as necessary to carry out the investigation or take other subsequent necessary action. (5 CCR 4964)

The Coordinator/Principal shall interview individuals who are relevant to the investigation, including, but not limited to, the student who is complaining, the person accused of harassment, anyone who witnessed the reported harassment, and anyone mentioned as having relevant information. The Coordinator/Principal may take other steps such as reviewing any records, notes, or statements related to the harassment or visiting the location where the harassment is alleged to have taken place.

When necessary to carry out his/her investigation or to protect student safety, the Coordinator/Principal also may discuss the complaint with the Superintendent or designee, the parent/guardian of the student who complained, the parent/guardian of the alleged harasser if the alleged harasser is a student, a teacher or staff member whose knowledge of the students involved may help in determining who is telling the truth, law enforcement and/or child protective services, and district legal counsel or the district's risk manager.

(cf. 5141.4 - Child Abuse Prevention and Reporting)

5. **Interim Measures:** The Coordinator/Principal shall determine whether interim measures are necessary during and pending the results of the investigation, such as placing students in separate classes or transferring a student to a class taught by a different teacher.
6. **Optional Mediation:** In cases of student-on-student harassment, when the student who complained and the alleged harasser so agree, the Coordinator/Principal may arrange for them to resolve the complaint informally with the help of a counselor, teacher, administrator, or trained mediator. The student who complained shall never be asked to work out the problem directly with the accused person unless such help is provided and both parties agree, and he/she shall be advised of the right to end the informal process at any time.

(cf. 5138 - Conflict Resolution)

7. **Factors in Reaching a Determination:** In reaching a decision about the complaint, the Coordinator/Principal may take into account:
- a. Statements made by the persons identified above
 - b. The details and consistency of each person's account
 - c. Evidence of how the complaining student reacted to the incident
 - d. Evidence of any past instances of harassment by the alleged harasser
 - e. Evidence of any past harassment complaints that were found to be untrue

To judge the severity of the harassment, the Coordinator/Principal may take into consideration:

- a. How the misconduct affected one or more students' education
 - b. The type, frequency, and duration of the misconduct
 - c. The identity, age, and sex of the harasser and the student who complained, and the relationship between them
 - d. The number of persons engaged in the harassing conduct and at whom the harassment was directed
 - e. The size of the school, location of the incidents, and context in which they occurred
 - f. Other incidents at the school involving different students
8. **Written Report on Findings and Follow-Up:** No more than 30 days after receiving the complaint, the Coordinator/Principal shall conclude the investigation and prepare a written a report of his/her findings. This timeline may be extended for good cause. If an extension is needed, the Coordinator/Principal shall notify the student who complained and explain the reasons for the extension.

The report shall include the decision and the reasons for the decision and shall summarize the steps taken during the investigation. If it is determined that harassment occurred, the report shall also include any corrective actions that have or will be taken to address the harassment and prevent any retaliation or further harassment. This report shall be presented to the student who complained, the person accused, the parents/guardians of the student who complained and the student who was accused, and the Superintendent or designee.

In addition, the Coordinator/Principal shall ensure that the harassed student and his/her parent/guardian are informed of the procedures for reporting any subsequent problems. The Coordinator/Principal shall make follow-up inquiries to see if there have been any new incidents or retaliation and shall keep a record of this information.

Enforcement of District Policy

The Superintendent or designee shall take appropriate actions to reinforce the district's sexual harassment policy. As needed, these actions may include any of the following:

1. Removing vulgar or offending graffiti

(cf. 5131.5 - Vandalism and Graffiti)

(cf. 5125 - Student Records)

5. Taking appropriate disciplinary action

In addition, disciplinary measures may be taken against any person who is found to have made a complaint of sexual harassment which he/she knew was not true.
