

Rescue Union School District

Online Services Opt Out Form

This Online Services **Opt Out** Form should only be completed after carefully reviewing all pertinent information and after discussing your questions and concerns with your school principal.

NOTE: Google G Suite (Formerly Google Apps for Education) is one of the important online tools utilized by teachers and students to help students succeed. Use of Google G Suite and other online services is at the discretion of the classroom teacher and will only be used when appropriate for the student's grade level and learning objective. Rescue USD's Google G Suite domain is different from a personal Google account and is **NOT open to the public**. It is a safe and secure "self-contained" cloud-based system that is unique to each school district. We have control over which Google apps are available to students and we limit sending and receiving email communication to users within our district.

- I confirm that I have thoroughly read and understand the importance of online services available for my child and choose to allow my child to access Google G Suite and deny access to additional online services.**

- I confirm that I have thoroughly read and understand the importance of online services available for my child and choose to opt my child out of ALL online services, including Google G Suite.**

Student Name: (Print) _____ Grade: _____

Parent/Guardian Signature: _____ Date: _____

Please complete ONE form for EACH student you would like to OPT OUT of online services and return this signed form to your children(s) school.

If at any time during the school year, you would like to rescind your decision and change your permission, you must let the school know in writing.
