Teachers in this Agreement are defined as the Rescue Union Federation of Teachers, Local 3581, CFT/AFT, AFL-CIO.
2. As defined, this shall include: All full or part-time positions requiring a teaching credential, but not limited to, classroom teachers, RSP teachers, Title I teachers, librarians, nurses, special education teachers, and all employees in the above positions currently on District-approved leaves.

2. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the District; the adoption of policies, rules, regulations and practices in furtherance thereof; and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement.

ARTICLE 3: EMPLOYEE RIGHTS

1. The District and Federation recognize the right of employees to form, join and participate in lawful activities of employee organizations and the equal alternative right of employees to refuse to form, join and participate in employee organization activities.
2. The Board shall make available to the Federation any and all public information as allowable by law, statistics, and records concerning the school district that the Federation may deem to be relevant to negotiations, or necessary for the proper enforcement of this Agreement. The word "public," as used in this section, shall refer to any documents, reports, statistics, studies and other such information.
3. The Federation or its designated representative shall have the right to meet with the Board or its representative, at the request of either party, to consult on matters of educational objectives, determination on context of courses and curriculum, selection of textbooks, as well as matters relating to the implementation of this Agreement.

4. The Federation may appear on the Board agenda in accordance with normally established Board procedure and speak on any issues of said agenda before a vote is taken on such issues. A copy of the complete Board packet will be provided to the Federation by the Secretary of the Board at the same time it is made available to the members of the Board. The Federation will receive a copy of the minutes after the meeting of the Board.
5. Copies of all Agreements and addenda between the parties shall be distributed by the Federation to each employee covered by this Agreement. The Board or its representative agrees to meet with the Federation within ten (10) days after the signing of this Agreement for the purpose of arranging to authorize the printing of the Agreement and any addenda thereto. The Board agrees to pay the cost of the printing.

The Federation shall share equally the cost of release time with the District based on the actual costs including the cost of statutory benefits.
2. The District will not post the President's release position yearly. The position will be posted if the release teacher leaves the position or if there is a new Federation President.
3. It is agreed that the Federation President's release time does not constitute a shared contract and that the full position rights will remain with the Federation President, so long as he or she is serving in that capacity. In the event that the Federation President resigns or someone else is elected to that position, the President will have full return rights to his or her current position and the release teacher shall be displaced and have rights to vacant positions in accordance with Article 18 of this Agreement.

4. Committee on Political Education (COPE): The district will deduct from the unit member's payroll warrants and pay to the Federation Treasurer an amount specified in writing by unit members who voluntarily authorize contributions to COPE. These transactions shall occur monthly and shall be accompanied by a list of the unit members for who such deductions have been made and the amount deducted for each unit member.
6. Contributions shall continue until such time that the Federation notifies the District a unit member withdraws authorization.

ARTICLE 6: GRIEVANCE PROCEDURE - BINDING ARBITRATION WITH INTEREST BASED OPTION

1. Purpose

The purpose of this grievance procedure is to process a claim of grievance and to secure, at the administrative level closest to the grievant, solutions to problems that may from time to time arise under this Agreement. This grievance procedure shall not be construed as in any way hindering, discouraging, or denying settlement of grievances or problems within the normal administrative channels of the District.

2. Definitions

- a. A "grievance" is a claim by one or more named unit members or the Federation of an alleged violation, misinterpretation or misapplication of a provision of this agreement that directly affects the grieving unit member or group of grieving unit members or the Federation.
- b. A "working day" is any day in which the central administrative offices of the School District are open for business.

- c. A "grievant" is a named person or persons, or the Federation, asserting a grievance.
- d. A "party of interest" is the person or persons making the claim of grievance and any person who might be required to take action or against whom action might be taken to resolve the grievance.
- e. A "unit member" is a certificated member in the bargaining unit.

3. General Provisions

No grievance shall be recognized unless it shall have been presented at the appropriate level within twenty (20) working days after the grievant knew or should have known of the act or condition and its aggrieving nature.

If the district or any of its designees do not respond in a timely manner at any level, the grievant or the Federation may move to the next level. A decision rendered at any level shall be considered final unless an appeal by the grievant or the Federation is registered within the time limits specified.

Time allowances set forth at each level may be extended by mutual written consent of the grievant and the District. Should the processing of any grievance require that a unit member be released from his/her regular assignment, he/she shall be released without loss of pay or benefits within the limitations expressed within this article.

No reprisals of any kind shall be taken by or against any participant in the grievance procedure by reason of such participation.

All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

All parties to the grievance shall make available to other parties involved all pertinent information not privileged under the law in its possession or control that is relevant to the issues raised by the grievance.

A grievant may be represented by the Federation at any level of the grievance procedure. No party shall be required to discuss any grievance if his/her representative is not present.

A grievant may pursue the grievance process independent of the Federation up to, but not including, arbitration. However, the Federation will be kept informed as to the progress of the grievance by the grievant and the District.

4. Grievance Form

All formal grievances shall be filed on a district grievance form which shall be designed and agreed upon by the District and the Federation.

5. Grievances Filed by the Federation

The Federation may also file grievances concerning matters pertinent only to Federation rights and

privileges granted by this Agreement. Such grievances shall be filed at the level of the superintendent, or his/her designee.

6. Informal Track

The purpose of this level shall be to quickly resolve the specific allegation(s), issue(s), or problems(s) as framed by the grievant at the site or lowest possible level. The grievant and principal or unit administrator should meet to attempt to resolve the grievance prior to the filing of a grievance. The Federation may be included as grievance representative. These parties are encouraged to work out a solution that is consistent with this agreement. However, nothing shall preclude the filing of a formal written grievance prior to, or during, this informal process.

- a. The intent of the meeting is to focus on a solution. The parties shall attempt to define the issue, discuss interests, explore options, and if possible, agree to an outcome. Upon request, the solution, if any, will be reduced to writing.
- b. Solutions that require implementation beyond the school site or unit level shall first be reviewed for implementation by the appropriate district-level administrator. If the grievance can only be remedied by the office of the superintendent, then a grievance may begin with an informal district level grievance. If the informal district level grievance is not resolved, a formal district level grievance may be presented directly to the office of the superintendent. Solutions that do not require review and are accepted will be implemented by the principal or unit administrator.

If the problem is not resolved informally, the matter will be referred to the Federation Executive Board by the grievance officers who may choose to file a formal grievance. If filed, the grievant must submit the grievance to the principal or unit administrator on grievance forms within twenty (20) working days of the event giving rise to the grievance.

7. Formal Track

Site Level

If a formal grievance has been filed within twenty (20) days of the occurrence of the event giving rise to the grievance, the grievant may:

- a. discuss the grievance personally, or
- b. request that a designated grievance representative accompany the grievant to the meeting to discuss the grievance. The intent of the meeting is to focus on a solution to the specific allegation(s), issue(s) or problem(s). The parties shall attempt to define the issue, discuss interests, explore options, and, if possible, agree to an outcome. This meeting shall be held within five (5) working days after filing the written formal grievance.

The written grievance shall include:

- a. a listing of the specific article or section of the Agreement alleged to have been violated;

- b. a description of the specific grounds of the grievance including names, dates, and places, necessary for an understanding of the grievance;
- c. a listing of specific actions requested of the principal or unit administrator which will remedy the grievance.

Within five (5) working days following the meeting to discuss the formal grievance, the principal or unit administrator shall render the decision and the reasons therefore, in writing, to the grievant and to the Federation. Information copies of the decision at this level shall be sent to the superintendent or to the superintendent's designee.

Solutions that require implementation beyond the school site or unit level shall first be reviewed for implementation by the appropriate district-level administrator. If the grievance can only be remedied by the office of the superintendent, then a grievance may begin with an informal district level grievance. If the informal district level grievance is not resolved, a formal district level grievance may be presented directly to the office of the superintendent. Solutions that do not require review and are accepted will be implemented by the principal or unit administrator.

If resolution is reached, all parties will sign off all grievance documents.

District Level

If the grievant and/or the Federation is not satisfied with disposition of the grievance at the site level, the Federation may file a request for a district level meeting within ten (10) working days of the receipt of the site level decision. Grievant not complying with the above time constraints for filing at district level will be deemed to have waived their rights to a district level meeting. The party filing for a district level meeting will forward the written grievance and the site level decision to the office of the Superintendent. The written grievance should include:

- a. A listing of the specific article or section of the Agreement alleged to have been violated;
- b. A description of the specific grounds of the grievance, including names, dates, and places, necessary for an understanding of the grievance;
- c. A listing of specific actions requested of the school district that will remedy the grievance.

A letter of appeal shall be considered a formal request for a meeting and a written decision by the Superintendent or his/her designee. The meeting shall be held within five (5) working days from the receipt of the grievance by the superintendent's office.

The Superintendent's office shall respond to the grievance within five (5) days of the meeting.

If resolution is reached, all parties will sign off all grievance documents.

Mediation Level

If the grievant and/or Federation is not satisfied with the disposition of the grievance at the district level, the Federation may appeal to a mediator within ten (10) days. The parties understand that mutual agreements secured at this level are precedent setting unless the parties stipulate otherwise.

By mutual agreement the parties may go directly from the district level to arbitration. Immediately upon receipt of the mediation request, the District shall contact the California State Mediation and Conciliation Service and request the assignment of a mediator. Parties agree to accept the first mediator available in order to avoid delays in the resolution process, unless extended by mutual agreement of the parties.

No party shall purposely withhold information at this level but shall disclose all information relevant to the grievance for consideration by the other party.

Mediation Procedures

The mediation procedure shall be entirely informal in nature; however, copies of exhibits upon which either party bases its case shall be shared with the other party. The relevant facts should be elicited in a narrative fashion to the extent possible, rather than through examination and cross-examination of witnesses. The rules of evidence will not apply and no record of the proceedings will be made. All persons involved in the events giving rise to the grievance should be encouraged to participate fully in the proceedings, both by stating their views and by asking questions of other participants at the mediation meeting.

The primary effort of the mediator shall be to assist the parties in settling the stated grievance in a mutually satisfactory fashion. In attempting to achieve a settlement, the mediator is free to use all of the techniques customarily associated with the mediation process, including private conferences with only one party. No offers or concessions made by the parties or the mediator during mediation can be used against a party during arbitration.

Neither attorneys nor court reporters or any other type of note taker shall be allowed to be present at the proceedings.

If the parties agree to be bound by the mediator's recommendation, the subsequent agreement shall be reduced to writing and signed by the parties.

Arbitration Level

If the grievant is not satisfied with the disposition of the grievance at the mediation level, the Federation may request, in writing, within ten (10) days a hearing before an arbitrator.

If the Federation should decline to request arbitration a grievant may request a hearing before the Board of Trustees within the ten (10) day time period. Such written request shall be filed in the office of the superintendent as per guidelines above.

Selection of Arbitrator

When arbitration has been requested, the parties shall contact the California State Mediation and Conciliation Services for a list of seven (7) arbitrators. The Federation and the representative from the office of the superintendent shall alternately strike names from such list until only one (1) name remains.

Cost of Arbitration

Each party shall bear the full cost of its representation in arbitration. The arbitrator's fees and charges shall be divided equally between the Federation and the District. A certified court reporter may be employed to record verbatim the entire arbitration hearing if requested by either the grievant or the District. In any case in which a court reporter is involved, the parties shall share equally the cost of such reporter, including per diem, mileage, and other out-of-pocket expenses. If the arbitrator requests a court reporter, the parties shall likewise share equally the cost of such reporter. The cost of transcripts shall be borne by the party ordering such transcripts.

Function of Arbitration

The function of arbitration shall be:

- a) to hold a hearing concerning the grievance, and
- b) to render an award within thirty (30) days after the close of the hearing.

Hearings

Once the arbitrator has been selected, hearings shall commence and be held at the convenience of the arbitrator.

Limitations

Neither the District nor the grievant shall be permitted to assert any grounds or evidence before the arbitrator that was not previously disclosed to the other party. The arbitrator shall consider only those issues that have been properly carried through prior steps as required by the provisions of this grievance procedure. The arbitrator shall not render any award that conflicts with or alters this Agreement. It is understood, however, that the arbitrator shall interpret the Agreement in accordance with acceptable rules of contract construction.

8. Decision

The arbitrator is empowered to include in any award such financial reimbursements or other remedies as judged to be proper and within the laws of the State of California. This decision of the arbitrator will be binding upon both parties

- * Guide, monitor, assess the progress of a teacher's practice toward professional goals and professionally accepted benchmarks.

PURPOSE OF EVALUATION

The purpose of the goal-setting conference is to provide an opportunity for a conversation about good teaching as reflected in the California Standards of the Teaching Profession and to establish an evaluation focus. In addressing the six standards, you may select one to three standards as specific areas of focus. However, in the evaluation process, you are responsible for satisfactory performance in all six standards.
