Summer Registration Process – Key Points

- To register while school offices are closed, **Registration Packets** are available at the District Office at 2390 Bass Lake Road located in Rescue. The District Office will be open Monday through Friday, 8:00 a.m. - 4:00 p.m. When you pick up your Registration Packet, You will be asked to complete an **Intent To Enroll Form** and submit the completed registration packet to the school office by 3:30 pm on July 26.
- The completion of the Intent to Enroll Form **does not** assure that a class space will be reserved for your child. However, space may be limited and students will be placed on a first come-first served basis by date during summer registration. The Intent to Enroll Form will provide a date stamp that is used in the process of prioritizing all completed Registration Packets received by 3:30 pm on July 26 at the school office.
- The school offices will begin accepting completed registration packets when they reopen on July 26. Registration Packets received after July 26 will be registered on a first come-first-served basis, regardless of the date-stamp on the Intent to Enroll Form.

If you have questions, please call the District Office at (530) 677-4461.
