All completed registration packets must be returned to individual school offices. To be considered for priority registration, packets must be submitted on July 25 by 3:30 p.m..
- The completion of the Intent to Enroll Form **does not** assure that a class space will be reserved for your child. The Intent to Enroll Form will provide a time/date-stamp that is used in the process of prioritizing all completed registration packets that are received on July 25 by 3:30 p.m. at the school office.
- The school offices will begin accepting completed registration packets when they reopen on July 25. Registration packets received after July 25 will be registered on a first come-first-served basis, regardless of the time/date-stamp on the Intent to Enroll Form.
