## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

Lake Forest Elementary School, with the strong support and involvement of our parents and community, is committed to providing all students with the skills they need to become successful learners. Our staff is dedicated to providing a standards-based program, which emphasizes achievement, both academic and social, at the highest levels of excellence to meet the unique needs of our students. At Lake Forest, we as a staff and community truly believe that our "future is limitless" as we nurture and challenge our students to fulfill their potential now and in the coming years.

We will provide our students with a broad range of educational experiences and skills needed to become adaptable, flexible thinkers, who are proud of themselves and their accomplishments, who take responsibility for their actions, and who are ready to contribute to our school and community. By offering multiple opportunities in several curricular areas, students are exposed to many exciting experiences that can inspire them to look beyond the basic materials and discover their personal strengths.

Lake Forest Elementary was founded in 1990 as a starter school with six classrooms and 130 students. The campus overlooks views of the surrounding hills and attractive neighborhoods, which have grown with the enrollment of the school over the past two decades. At one point in the late 90's our enrollment grew to 35 classes and nearly 840 students. In 2003-2004, Lake Forest Elementary School changed to a traditional calendar after being on a multi-track year round calendar for nine years. Currently, Lake Forest Elementary is a Transitional K-5 school serving approximately 455 students with 22 classrooms with a Learning Center to support students with Special Education needs run by a resource teacher. The district located two SDC classrooms on the Lake Forest campus in 2019.

Student successes at Lake Forest have resulted in state and national recognition. In 2012, our school's Academic Performance Index (API) score was 937. This achievement was the highest score in Rescue Union School District history, ranked in the top 10 for all elementary schools in the Sacramento region and was the highest recorded in El Dorado Hills. In 2004 and 2014, our school was chosen for the California Distinguished School Award as one of the top achieving elementary schools in the state. This trend continued in 2013 and 2014, with academic scores consistently ranking among the highest achieving schools in El Dorado County. Initial scores from the SBAC testing from the spring of 2015 indicated continued success. The overall percentage of students scoring at grade level standard or higher was 73% in ELA and 69% in math. Both of these percentages were among the highest in the region found in elementary schools. Our results from SBAC testing conducted in the spring of 2016 showed continued success and improvement. Lake Forest students achieved an 83% ELA met or exceeded score and a 74% in math. Both scores were among the very highest in the region. In May 2018, ELA and Math SBAC scores were 69% and

## 2021-22 School Overview

64% respectively, but overall Lake Forest remained in the high achieving schools in the region. In 2019, Lake Forest students continued to achieve at a high level on SBAC assessments. Overall, children in grades 3-5 scored proficient at a rate of 77% in ELA (an improvement of 7%) and 69% in math (growth of 5% over 2018).

Lake Forest Elementary School prides itself on its positive school climate and its commitment to ensuring success for all students. All teachers are credentialed and have high expectations for every student. The curriculum is challenging and encompasses varied teaching and learning approaches. Our staff collaborates regularly to discuss student success, planning, intervention strategies for struggling learners and to improve overall practice.

Currently, Lake Forest teachers and support staff are working together to address students' social and emotional needs through reviews of on-going research, and collaborative discussions to better identify students who need sensitive interventions to encourage academic success and to better develop an encouraging, caring atmosphere in the classroom for the benefit of all students. A school counselor works directly with staff and families to create groups and administer age-appropriate lessons. In addition to services provided by our counselor, we also support Social and Emotion Learning through our I SWIM program, which promotes positive traits and offers opportunities for students to participate in school and community service.

Rescue Union School District strictly adheres to the state curricular frameworks and content standards. California Standards are taught in math and language arts in all grades. The core curriculum is enhanced through special learning activities such as our Science Prep Class, an hour and a half weekly program dedicated solely to Science instruction for 4th and 5th grade students; outdoor education; life lab garden science; drama, art and health, dramatic and musical productions by guest artists and student performers; and participation in events such as Nature Bowl, Festival of Oral Interpretation, and Spelling Bees. Field trips include Coloma, Sutter's Fort, Apple Hill, Discovery Museum, Sacramento Zoo, Challenger Space Camp, The Roseville Maidu Center, and various theater productions. Additionally, learning opportunities are brought to the campus through the support of the fundraising efforts of our Parent Teacher Council. Activities include beginning dance, classroom music instruction, visual and performing arts assemblies, living history presentations such as Pioneer Day and America Days, guest speakers in areas of health and fitness, visiting authors, and other curriculum-based presentations within the classroom setting.

A high value is placed on the family, and parental involvement is welcomed and encouraged. Many parents volunteer in classrooms on a regular basis and others support the school in a variety of ways. The Lake Forest School Site Council (SSC) and Parent Teacher Council (PTC) are two organizations that encourage family input and involvement. The SSC is comprised of school staff and parents who work to develop a School Plan for Student Achievement to enhance the educational program. The PTC organizes parent and community volunteers, plans family-oriented socials, and facilitates school fundraisers to support and enhance the instructional programs. The Lake Forest PTC has been instrumental in purchasing new technology, learning programs, supporting the arts, and providing intervention for struggling students.

The curriculum focus is based on California Standards. Standards are taught at every grade level, and ongoing staff development in Language Arts, Writing, etc. supports dynamic, data-driven classroom instruction. Current district adopted curriculum includes Benchmark Advance for Language Arts instruction, Houghton Mifflin GoMath program, and Step up to Writing. Next Generation Science Standards are taught using Stem Scopes and Mystery Science. All instruction is aligned to current standards, and more district adopted programs will be added in 2021. Students participate in science-related field trips and various outreach programs through the American River Conservancy, The Sacramento Zoo, the Discovery Museum, and other sources.

All students, from second to fifth grade have one-to-one access to Chromebooks in their classrooms. Kindergarten and first-grade students use Ipads in small groups when needed. Chromebook use is integrated into Math, Reading, Writing, Social Studies, and Science lessons on a daily basis and students also receive instruction at every grade level to meet CA state technology standards.

The School Plan for Student Achievement will continue to support and enhance student achievement as directed by the Rescue Union School District Local Control and Accountability Plan. Lake Forest Elementary School is a great place for students to learn, and our goal is to become even better. Welcome!

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## School Facility Conditions and Planned Improvements

School buildings and grounds at Lake Forest School provide a clean, positive environment that is conducive to teaching, instruction, and learning. Staff and student restrooms are clean and well maintained. Floors, wall, roof, and plumbing are maintained on a regular schedule.

In recent years, we have made improvements to the site through the efforts of the school, district and connections to the community. We have resurfaced the blacktop on the playground and the parking lot and also repainted lines accordingly. Wood signs have been refinished by staff and students. Our garden, through a partnership with staff and volunteers, has become a wonderful learning environment and a source of great pride on campus. Landscaping improvements at various locations have also been completed in recent months by district personnel, church organizations, community outreach, Parent Teacher Council and Scout troops. These include repairs to our garden boxes and irrigation, bark replacements in multiple areas of the school, and long term garden plans are made possible through our Beautification Committee (connected with our PTC). Local partnerships with Project Green and Intel in addition to coordinating educational efforts with the Boy Scouts of America have greatly increased our success in school beautification. This coordination of resources has many in the Lake Forest excited about our future plans for improving both our scenery and our health and environment education programs. All of these projects are much appreciated and have kept Lake Forest's learning environment beautiful.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

### B. Pupil Outcomes

#### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

A high value is placed on families at Lake Forest School and parent involvement is strongly advocated. Many parents volunteer in classrooms on a very regular basis, and parent input is welcome and sought out in all areas. The Lake Forest School Site Council (SSC) and Parent Teacher Council (PTC) are two organizations that encourage community input and involvement. The PTC organizes parent and community volunteers, plans family oriented social functions, and organizes fundraisers. The PTC Scrip Program purchases enrichment supplies and equipment for the Technology Center as well as technology in classrooms, and funds science education materials. The SSC helps develop a School Plan for Student Achievement and works with the school staff, PTC, and community to set yearly goals and objectives in reading/language arts, math/science and health, wellness, citizenship, visual and performing arts, and fitness. Technology improvements, art docent programs and visual and performing arts activities/assemblies are offered annually to our students and supported through the fundraising efforts of the PTC and our School Plan for Student Achievement.

## C. Engagement

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

### Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

<b>Expulsions</b>	0.00	0.00	0.05	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

A positive school climate is the goal of each staff member at Lake Forest School. It is our belief that the best things will happen for children as we endeavor to help them make good judgments and choices. We look for the good in all children and try to help them discover their own self-worth. A positive discipline program is in place, and students are regularly recognized for their contributions to the positive school climate. The learning environment component reviews discipline procedures on an annual basis. The suspension and expulsion rates over the past five years have been very low when compared to district and state averages.

The school climate has been discussed by both staff and parents through our "I SWIM" Team, which examines school issues such as safety, procedures, yard supervision and self esteem improvement methods. We will continue our I SWIM Leadership program as part of our School Safety Plan. The image of a "Lake Forest Laker" is being taught to students in order to define a behavior standard, improve school spirit, and develop positive peer pressure. I SWIM is an acronym for Inclusive, Safe, Work Hard, Integrity and Mindfulness. In addition, the school has added social programs which support students who have playground issues, and the adults who help them on campus. Our student leadership team assists in mediating minor playground problems and modeling caring and productive attitudes. They also perform skits and lessons on character traits throughout the year and illustrate to all the say to "SWIM". These expectations provide a good example for all students to follow and give the Leadership team a sense of responsibility and contribution their school.

Our School Safety Plan is updated yearly and includes goals and objectives for improving the physical environment and the school climate. This includes promoting our I SWIM Program, anti-bullying lessons and assemblies, encouraging student participation in community service activities, creating a safe, nurturing environment, and celebrating our increasing cultural diversity. Students contribute to the community through service learning projects, which extend classroom learning time and increase students' personal involvement in academics and active citizenry. In addition, the school special education staff (teacher and psychologist) have conducted lessons in social development in order to increase "emotional intelligence" on the playground. In 2017, Lake Forest added a school counselor to assist at risk students in dealing with playground and other social issues. The counselor runs groups and provides classroom social lessons three days a week.

Student recognition is an important part of honoring our students. Our district-wide Character Counts program promotes positive character traits such as respect, caring, responsibility, trustworthiness, fairness, and good citizenship. Teachers emphasize each character trait on a monthly basis, discuss concepts and share lessons that explore the positive aspects that relate to student life. Lake Forest, though work with PBIS (Positive Behavior Interventions and Supports) originally developed the "I SWIM" idea. As an extension of this program, we have developed a leadership group for 4th and 5th graders named the I SWIM team, which models good behavior and participates in school and community service through many groups (Garden/Beautification, Safety, School Leadership, Library Support and Community Outreach). Academic achievement is recognized through our school Honor Roll program. Fourth and fifth grade students receive certificates of recognition for earning a grade point average of 3.5 (B+) or above. In 2017, Lake Forest added a reading incentive program through the school library. Students track their words read throughout the year and receive certificates and other recognition for their dedication to reading. In the first year of this program, three students had already surpassed 4,000,000 words read!

We have a fully equipped library, full-sized gymnasium with indoor and outdoor stages, and an office with a staff lounge and workroom. In addition, we have a learning center, reading room, a technology center, Chrome book carts in all classes 2nd-5th (i Pads in TK-1st), a meeting room, and science room. We currently have 2 custodians and district utility technicians working diligently to keep the school in excellent condition.

For the safety of our students, fire, lock down, and "duck and cover" drills are conducted with students and staff, and an emergency preparedness plan is in effect. Campus supervision is provided according to policies established by the District Board of Trustees. All efforts to ensure building safety, cleanliness, and adequacy have been successful. Students in fifth grade serve as Safety Patrol Officers. They assist in keeping the campus safe before and after school.

State			\$8,444	\$82,431
Percent Difference - School Site and State	N/A	N/A	-9.9	-3.9

## 2020-21 Types of Services Funded

All Rescue schools receive equal allocations, per student, of LCFF Base Funding. This funding helps support students by providing instructional materials, supplies and other needs. Funding for support services, such as maintenance of buildings and grounds, utilities, and student transportation, is budgeted for at the district level and provided to each school site based on the varying needs of the individual school.

In addition to the Base Funding described above, schools in the Rescue Union School District receive Supplemental funding roughly proportional to the number of unduplicated pupils (English Learners, Socioeconomically Disadvantaged, and Foster/Homeless Youth) they serve. Furthermore, school sites receive allocations from other state and federal categorical programs, including Title I and Title II. The purpose of these categorical programs range from improving the quality of the total instructional program for all students to addressing the unique needs of special groups of students.

## 2019-20 Teacher and Administrative Salaries

This table displays the 2019-20 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Percent of Budget for Administrative Salaries	7%	6%

## Professional Development

Fourteen Early Release Professional Development/Teacher Collaboration days are scheduled on various Mondays (typically two per month) throughout the school year. During these meetings, teachers work to analyze assessment data and target key standards. In addition, they plan, develop and improve effective instructional strategies. Staff development related to instructional practices, curriculum, technology, Common Core State Standards, and other educationally related matters are provided for all teachers.

Teachers receive professional development and will work collaboratively on a regular, ongoing basis to target key standards, analyze formative assessment data and develop effective instructional practices.

Five minimum days for parent conferences are also on the calendar in November and three days for report card preparation are scheduled at the end of each trimester.

This table displays the number of school days dedicated to staff development and continuous improvement.

## 2020-21 Local Accountability Report Card (LARC) Addendum

### Local Accountability Report Card (LARC) Addendum

#### 2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
