# Marina Village Middle School School Accountability Report Card Reported Using Data from the 2018-19 School Year

**Published During 2019-20** 

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <a href="https://www.cde.ca.gov/fg/aa/lc/">https://www.cde.ca.gov/fg/aa/lc/</a>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <a href="https://dq.cde.ca.gov/dataquest/">https://dq.cde.ca.gov/dataquest/</a> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Description and Mission Statement (School Year 2019-20)

"The Rescue Union School District, working cooperatively with parents and community, will educate all students to their highest potential, preparing them to understand and appreciate the past, adapt to the ever-changing present, and make responsible decisions for the future."

Marina Village School is located north of Highway 50 in El Dorado Hills. The school is 37 years old. It is a sixth/seventh/eighth grade school with an enrollment of 829 students. Marina Village is one of seven schools in the District. Marina Village has a trimester schedule which provides students with more enrichment choices than on a semester schedule. Progress reports are mailed home shortly after the middle of each trimester. Grades are mailed home at the end of each trimester.

Marina Village has established a reputation for academic excellence. There are grade requirements for participating in extracurricular activities. The staff has high expectations for quality work from students. Each student can expect to be treated fairly, to work and play in a safe environment, to be challenged, and to be properly instructed and evaluated by competent, caring teachers.

Students with special needs are provided special help through several support programs. The Resource Specialist Program provides help for students in the areas of mathematics, reading and language arts. This support is provided by direct instruction, collaboration with the classroom teacher, and team teaching. Class size is small to allow for individual attention. Additional support is provided by a school counselor, a district nurse (1 day per week), a district psychologist (4 days per week), and a county speech/language specialist (2 days per week). Services include academic counseling, crisis intervention, and referrals to outside agencies. Tutorial instruction is available before school, during lunch periods, and after school through the Homework Club program for those students in need of extra help. A mandatory assignment to Homework Club is provided for students who are academically failing. Marina Village teachers work closely with the support staff.

# A. Conditions of Learning

# **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

#### **Teacher Credentials**

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. \*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected:

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy	
Reading/Language Arts	McGraw Hill: ConnectED StudySync	Yes		
Mathematics	6-8 Houghton Mifflin Harcourt: Big Ideas Math - 2014	Yes		
Science	Prentice Hall: Science Explorer Grades 6-8	Yes		
History-Social Science	Grades 6-8: TCI	Yes		
Health	Botvin's LifeSkills Grades 6-8	Yes		

#### School Facility Conditions and Planned Improvements (Most Recent Year)

School buildings and grounds at Marina Village provide a clean, positive environment that is conducive to teaching, instruction, and learning. Staff and student restrooms are clean and well maintained. Floors, wall, roof, and plumbing are maintained on a regular schedule.

The Rescue School District custodial and maintenance personnel work hard to keep the campus clean, safe, and in good working order. A district deferred maintenance program is in place to repair or replace major areas of the campus, such as roofs, blacktop, carpet, and heating/air conditioning units. All efforts are made to ensure building safety, cleanliness, and adequacy. The school has built an outdoor science classroom that is maintained by students through elective classes and community service opportunities. Improvements to the landscaping and parking lot have been completed.

The Student leadership program and Marina Ohana Committee program have each installed storage units for supplies. The District has completed a full remodel of the school gym, adding a new wood floor, two new scoreboards, new record boards, and painting the gym interior. The District has also completed the remodel of the main office in order to provide a private health office space, an additional security exit, and a larger conference room. Construction has been completed of a new two-story building that facilitates two new science classrooms, a new Project Lead the Way classroom, and approximately 9 general education classrooms.

# **School Facility Good Repair Status (Most Recent Year)**

Using the most recently collected FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: 1/14/20

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Fair	Carpets need replaced
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Fair	Leaking fixtures
Safety: Fire Safety, Hazardous Materials	Good	
<b>Structural:</b> Structural Damage, Roofs	Fair	Old portables rotting and leak
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Fair	Replace damaged doors and hardware

# **B. Pupil Outcomes**

### **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

# CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	78	78	74	74	50	50
Mathematics (grades 3-8 and 11)	71	70	66	65	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

# CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2018-19)

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

#### **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

# Opportunities for Parental Involvement (School Year 2019-20)

Parent support of the school is very strong. Parent involvement includes, but is not limited to, Parent Teacher Club (PTC), School Site Council, Athletics Boosters, Music Boosters, Honor Society, chaperoning dances and field trips, volunteering with the office and in classrooms, and assisting with promotion activities. Weekly updates from the principal are sent to parents by email with announcements and reminders about school programs, activities, and events. Additional communication with parents regarding the school and individual students is maintained through an online grade reporting program (Jupitergrades), telephone calls, progress reports, letters, social media, conferences, press releases, special flyers, e-mail, and school website (www.marinamustangs.com).

#### School Safety Plan (School Year 2019-20)

Parents and students consistently provide feedback indicating that Marina Village promotes a positive learning environment and that students are challenged in all academic areas. Positive behavior and achievement are recognized in numerous ways. Staff members nominate students for "Student Recognition" at the end of every trimester. These students are acknowledged for their special achievement at school assemblies. Teachers provide tickets for outstanding behavior (Ohana Tickets and Mustang Pride Tickets) that may be redeemed for prizes and are entered into monthly drawings. Academic achievement is recognized through Honor Roll and Principal's Honor Roll awards each trimester; and the school's chapter of Honor Society. 8th-grade students are eligible for the Mustang Pride Award for academic excellence over 3 years and are awarded at 8th-grade promotion.

High expectations for student citizenship are an important part of the Marina Village climate. All students participate in a merit system that encourages appropriate behavior and results in merit deductions and disciplinary action as a consequence of poor behavioral choices. Students who complete each trimester with a full complement of merits are rewarded with an educational assembly. Students who do not qualify for the assembly may participate in alternative activities to help them to learn about personal responsibility and positive choices. The school counselor also provides presentations to all students in behavioral areas that are a concern and school-wide assemblies provide additional instruction in behavior areas such as bullying, cyber safety, substance abuse, and student interactions.

Each year the school's safety plan and discipline policy are reviewed. The policy revisions have positively influenced student behavior. This year's committee will review the existing policy and may recommend additional revisions. Marina Village has implemented several programs to improve the climate and help students feel more connected to the school and their community.

The WEB program (Where Everybody Belongs) is made up of 8th graders who plan activities with 6th graders to help them with their transition to middle school. Marina has implemented a PBIS (Positive Behavior Intervention and Supports) program to teach student behavior expectations, to recognize positive choices, and to provide support services for students. A variety of clubs meet after school, offering opportunities for positive social interaction. Marina students are involved in anti-drug, anti-tobacco, environmental, and community service activities. Marina Village students function in a safe, positive environment. Marina Village recognizes that positive behavior and appropriate activities will stimulate a healthy, productive school climate.

A Site Safety Committee meets as part of the School Site Council to update the School Safety Plan and identify areas of need. Eagle Scout projects and community outdoor workdays are scheduled to improve facilities.

Percent Difference - School Site and State	N/A	N/A	-7.4	0.2

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

#### Types of Services Funded (Fiscal Year 2018-19)

All Rescue schools receive equal allocations, per student, of LCFF Base Funding. This funding helps support students by providing instructional materials, supplies and other needs. Funding for support services, such as maintenance of buildings and grounds, utilities, and student transportation, is budgeted for at the district level and provided to each school site based on the varying needs of the individual school.

In addition to the Base Funding described above, schools in the Rescue Union School District receive Supplemental funding roughly proportional to the number of unduplicated pupils (English Learners, Socioeconomically Disadvantaged, and Foster/Homeless Youth) they serve. Furthermore, school sites receive allocations from other state and federal categorical programs, including Title I and Title II. The purpose of these categorical programs range from improving the quality of the total instructional program for all students to addressing the unique needs of special groups of students.

#### **Professional Development (Most Recent Three Years)**

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			

Early Release Professional Development/Teacher Collaboration days are scheduled each Wednesday throughout the school year. During these meetings, teachers work to analyze assessment data and target key standards. In addition, they plan, develop and improve effective instructional strategies. Staff development related to instructional practices, curriculum, technology, Common Core State Standards, and other educationally related matters are provided for all teachers.

Teachers receive professional development and will work collaboratively on a regular, ongoing basis to target key standards, analyze formative assessment data and develop appropriate instructional practices.

At the middle schools, minimum days are provided for departmental collaboration, parent conferences, report card preparation, and middle school/high school departmental articulation.
