## School Accountability Report Card

### Reported Using Data from the 2015-16 School Year

#### Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### **School Description and Mission Statement (School Year 2016-17)**

At Green Valley School, our students come first. We remain dedicated to the idea that within each child lies a true passion for learning and an ability to develop the academic and social competencies needed for a highly successful future. It is our mission to provide a safe, positive academic environment in which all students will flourish.

Green Valley School is located in the beautiful foothills on the western slope of the Sierra Nevada Mountains in Rescue, CA. We opened our doors in 1978 and continue to provide a safe, clean and well-maintained facility for our 455 students in TK through 5th grade. We employ 19 classroom teachers, one Special Education teacher and one part time PE Teacher. Our support staff includes our principal, assistant principal, part time counselor, two secretaries, one librarian, one Health Aide, two custodians, eight paraeducators and nine yard supervisors. We receive district staffing support for the following positions: Music Teacher, two EL paraeducators, District Nurse and District Psychologist. We are proud to offer a 24:1 teacher to student ratio in our classrooms. A speech and language specialist and part-time occupational therapist are provided by the El Dorado County Office of Education. Green Valley School also houses a Charter Extended Day program and a State Pre-School from the El Dorado County Office of Education.

We offer a balanced, rigorous instructional program which includes academic challenge, as well as intervention. Our district-adopted curricular materials include Benchmark (ELA), Go Math, Step-Up to Writing, Scott Foresman Science, Scott Foresman Social Studies, Handwriting Without Tears (K-2), D'Nealian Handwriting (3-5). ELA instruction is supplemented with SIPPS, Read Live, Reading Counts, Standards Plus, core literature and Seeing Stars. Math instruction is supplemented with ST Math, Reflex Math and Timed Math. Academic differentiation is provided through a variety of methods. Strategic and intensive intervention and leveled grouping is provided during our results-driven Response to Intervention (RtI) program, which runs 24 weeks out of the school year. Before and after school intervention is provided through our robust tutoring program. Teachers and instructional aides work together to provide outstanding academic support to our students.

At Rescue Union School District and Green Valley School, WE CARE! We promote and require a safe, respectful environment. School-wide Gator Gatherings are held each Monday morning to welcome our students, make announcements and foster a sense of community. We offer successful social/emotional programs through character building and anti-bullying instruction. Monthly character traits, GLAD personal standards and Gator Manners are modeled and taught to all children. Teachers facilitate age appropriate anti-bullying lessons each year. Our principal delivers anti-bullying lessons to 4th and 5th grade classes. Our counselor leads friendship/social-emotional student groups and delivers classroom lessons on topics such as, career readiness, respect, self-esteem, and assertiveness. Students who are referred for individual counseling meet with our counselor weekly. Yard Supervisors work to maintain a safe, friendly, fair and firm recreational environment.

Technology is an important part of Green Valley School. I Pads have been provided for every teacher. Each classroom houses a document camera, projector and eight student computers/laptops. Our 4th and 5th grade classrooms are fortunate to each have classroom sets of Chrome books for student use. Additionally, Promethean Boards are installed in nine of our classrooms. A part-time technology teacher works with our students on Fridays, to offer technology instruction based on the RUSD Technology Scope and Sequence.

Thirty six percent of Green Valley School's population are socio-economically disadvantaged; therefore we are identified as a Title I school. As a Title I school, we receive additional funding from the Federal Government. Seventeen percent of Green Valley's student population are English Language Learners. Our highly trained teachers work to support EL students with integrated and designated instructional support. We have two bilingual paraprofessionals who support our EL students each day.

Our students are offered many enrichment opportunities which are supported by fundraisers, school donations and our PTO. We offer competitive sports teams for cross country (3-5), volleyball (4-5) and basketball (4-5). Choir is available before school for students (2-5). Music (TK-3) and dance (TK-5) programs are offered in the spring, and parent docents are trained to offer the Arts Attack program to every class at Green Valley School. Students can participate in Student Council and our student leadership group, IMPACT (4-5).

We promote reading for all students through our Reading Counts program. Students are encouraged to read books and take comprehension quizzes on a consistent basis. Top readers' names are posted in our library and in our newsletter. Students who meet Reading Counts goals are recognized at our Reading Counts assemblies each trimester. A school-wide goal for words read is set each year. Green Valley students are rewarded with a school-wide Reading Counts Carnival celebration at the end of the year, once the goal is met.

The library at Green Valley is a wonderful place to visit. Our librarian reads to each class and supervises check-out on a weekly basis. She is available in the library before and after school. Kindergarten EL students are invited to the library for an additional visit each week to hear a special story in Spanish and English. EL parents are encouraged to attend; book check-out support is offered, as well as child literacy advice. On Wednesdays, our librarian offers a Book Club program to 5th grade students.

Green Valley students are fortunate to attend outstanding field trips. Our first grade students travel to Apple Hill and the Harris Center in Folsom. Second grade students travel to the Folsom Zoo. Third grade students participate in the Fields of Learning Program and travel to Smokey Ridge Farm. They also travel to Maidu Center in Roseville and Farm Day at the El Dorado County Fairgrounds. Fourth grade students attend the wonderful overnight program with Coloma Outdoor Education. Fifth grade students travel to the State Capitol.

Green Valley School is a wonderful place to learn and grow!

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

#### Teacher Credentials

**School Facility Conditions and Planned Improvements (Most Recent Year)**

School buildings and grounds at Green Valley provide a clean, positive environment that is conducive to teaching, instruction and learning. Staff and student restrooms are clean and well maintained. Floors, walls, roofs, and plumbing are maintained on a regular schedule. All efforts to ensure building safety, cleanliness, and adequacy have been successful.

At Green Valley Elementary School we are continually committed to the improvement of the school’s facilities. We strive to make the facility as great as it can be. Over the last few years we have improved our facility in many different and important ways. All of the playground shade structures are now repaired and in full working condition. Our parent teacher organization has completed a seating area around our outdoor stage area. We have an ADA handicapped accessible outdoor lunch table. Also, our garden area has been improved to include outdoor benches, including an ADA approved bench, and tables for students to use when writing in the garden area. We were fortunate to have our staff parking lot and visitor parking lot repaved and repainted. We are proud of our school facilities at Green Valley, and it is our desire to continue to improve the campus for our students. This year, we have added an ADA handicapped accessible ramp to the back side (Foxmoore Drive) of our school site. We look forward to our upper field being resurfaced and replanted this summer.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

#### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Students with Disabilities	12	11	91.7	72.7

Note: Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The “Proficient or Advanced” is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject areas of physical education.

**California Physical Fitness Test Results (School Year 2015-16)**

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	8.3	29.2	55.6

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

**Opportunities for Parental Involvement (School Year 2016-17)**

Green Valley Elementary School has an active parent community. Parents are actively involved and interested in every aspect of their children’s education, from classroom assistance to participation in parent organizations. Parents are an integral part of School Site Council, English Language Advisory Committee and Safety Committee. The members of these organizations are committed to making informed decisions that affect student learning. The school participates in the Intel volunteer program. Our Intel parents volunteer numerous hours at the school site, working in classrooms, attending field trips and assisting in the computer lab. Their volunteerism not only provides them an opportunity to work with children; it also generates a monetary donation from Intel to Green Valley. Green Valley Elementary School’s Parent Teacher Organization sponsors a variety of activities throughout the school year and they are well attended. PTO is an integral part of our school, sponsoring a variety of activities throughout the year. Membership is open to all who are interested in Green Valley School. Additional PTO information may be obtained by calling the school at (530) 677-3686.

## State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### Suspensions and Expulsions

Rate	School			District			State		
	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16

<b>Expulsions</b>	0.0	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1

### School Safety Plan (School Year 2016-17)

A positive learning environment is fundamental to an effective school. All students are encouraged to show respect, make good decisions, and solve problems. Gator Manners are modeled and promoted by all staff. Staff members work to teach our students how to "fill buckets," by treating others with kindness. Measures to deal with discipline, tardiness and truancy are an important part of our program. There are many encouraging and motivating activities taking place in the school. Good News phone calls are made to parents by the administrators and teachers. School-wide positive incentives include awards assemblies and honor roll. Character Coupons are given to students who demonstrate good character. Recess activities are provided (ex. Drawing Club, Game Day, Music Mania, Mileage Club and School Community Service) to allow our students more choices for free time and peer interaction. IMPACT, our student leadership organization, offers leadership skill building and opportunities to provide service.

Green Valley School's award assemblies program is used throughout the school to recognize children for a variety of achievements, including academic achievement and school involvement.

We currently have two full-time custodians. Policies are in place regarding campus safety so that during recess and lunch periods adequate supervision is provided to protect the students. Fire drills are conducted monthly as part of our disaster preparedness plan; lockdown and duck and cover drills are also held at least twice each year. All efforts to ensure building safety, cleanliness, and adequacy have been successful. Green Valley School Site Council has implemented a Site Safety Plan whose two major goals this year are to provide a positive school climate modeled by staff and students and provide a physically safe environment.

### Types of Services Funded (Fiscal Year 2015-16)

All Rescue schools receive equal allocations per student of general fund support for instructional materials, supplies and other uses. Funding for the support services such as maintenance of buildings and grounds, utilities, and student transportation is budgeted on a districtwide, centralized basis and provided to each school site based on the unique needs of the individual school.

In addition, to its support from the local general fund, schools in the Rescue Union School District receive yearly allocations from some state and federal categorical programs. The purpose of these categorical programs range from improving the quality of the total instructional program for all students to addressing the unique needs of special groups of students - such as English Learners, socioeconomically disadvantaged and foster youth.

**Professional Development (Most Recent Three Years)**

Minimum days and District Days are used for professional development and teacher collaboration. During these meetings, teachers work to analyze assessment data and target key standards. In addition, they plan, develop and improve effective instructional strategies. Staff development related to instructional practices, curriculum, technology, CA State Standards, and other educationally related matters are provided for all teachers. Green Valley teachers have been trained and certified in Guided Language Acquisition Development (GLAD) strategies. Teachers work in grade level teams to build GLAD instructional units, EL strategies and analyze assessment data each trimester. At the elementary sites, five minimum days are scheduled for parent conferences and three days for report card preparation.
