Parents Rights

If you have not been given permission for interdistrict attendance as you have requested within 30 calendar days after having made such a request, you are entitled to appeal to the County Board of Education. Your appeal rights are as follows:

1. You must appeal within 30 calendar days of the failure or refusal of the Governing Board of either school district to issue a permit or to enter into an agreement allowing the attendance.
2. Your appeal must be made to the El Dorado County Board of Education at 6767 Green Valley Road, Placerville, CA 95667. Telephone Number: (530)622-7130
3. If your current district of residence is outside of El Dorado County, you must appeal to the County Board of Education having jurisdiction over the district of residence where you reside.
4. Failure to appeal within the required time is good cause for denial of an appeal.
5. An appeal can only be accepted if it is verified that you have fully exhausted all appeals within the districts.
6. The County Superintendent of Schools, through someone he/she designates, shall investigate to determine whether local remedies in the matter have been exhausted and to provide any additional information deemed useful to the County Board in reaching a decision.
7. You shall have the opportunity to have a hearing according to rules and regulations adopted by the County Board of Education and to submit written statements and documentation.
8. You shall be provided notice as to the time and date of any hearing scheduled.
9. If you introduce new evidence at the County Board level, the County Board may remand the matter for further consideration by the district or districts. In all of the cases, the appeal shall be granted or denied on its merits.
10. The County Board of Education is required, within 30 calendar days after the appeal is filed, to determine whether the pupil should be permitted to attend in the district in which he/she desires to attend and the applicable period of time.
11. The County Board rules may provide for the granting of additional time if good cause is shown.
12. If the County Board cannot make a decision in the required time as practical matter, the time period may be extended for up to an additional five (5) school days.
13. If the interdistrict attendance involves school districts located in different counties, the County Board of Education having jurisdiction over the district denying the permit, or refusing or failing to enter into an agreement to allow the issuance of a permit, shall have jurisdiction for the purposes of an appeal.
14. If both County districts deny a permit, or refuse or fail to enter into an agreement to allow for the issuance of a permit, the County Board having jurisdiction over the district of residence shall have jurisdiction for purposes of an appeal, and upon granting a pupil's appeal, shall seek concurrence in the decision by the County Board of the other county which shall provide adequate opportunity for the district under its jurisdiction to be heard on the matter before making a decision. If the two County Boards do not then concur, the pupil's appeal shall be denied.
15. Students who are under consideration for expulsion, or who have been expelled pursuant to Sections 48915(a) and 48918 may not appeal interdistrict attendance denials or recisions while expulsion proceedings are pending or during the term of the expulsion.
