2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

“The Jackson Elementary School staff, working in partnership with parents and our community will strive to provide excellence in academics and the thinking and interpersonal skills necessary for all students to reach their maximum potential. We are committed to providing a safe learning environment where all students are valued and respected.”

Jackson School is located in the beautiful oak-studded foothills, twenty-five miles northeast of Sacramento. The campus serves a student body of 461 students in grades kindergarten through fifth. The educational program is supported by a staff of 21 classroom teachers, one music teacher, and one PE teacher.

- Jackson School was recognized as a 2002 California Distinguished School.
- California Distinguished School Honorable Mention 2006

The core educational program provided to the Jackson students is based on the California State Standards, and the California Curriculum Framework Standards. Beyond the core curriculum, Jackson's educational program provides a wide range of reinforcement and enrichment programs. Outstanding examples include: iXL math, FRAX Math, coding, robotics, and 3-D Printing electives, one to one Chromebooks in 3rd-5th grade, Junior/Senior Choir, Jackson Actors Guild, classroom music/art instruction weekly, Instrumental Band, and much more.

Our Learning Center includes paraprofessionals and Independence facilitators who support the individual needs of our students. Jackson School has a physical education specialist providing a solid foundation for physical and social development based on our state standards for Physical Education. In addition, Jackson School has an award winning school garden. Jackson has a variety of enrichment programs after school including a garden club, drum club, robotics club, cross country team, volleyball team, and basketball team.

Students with special needs are provided additional support through our Speech and Language Services, Health Services, and the Resource Specialist Program. In addition to the support programs listed above, Jackson School has an active Student Success Team. The team, composed of parent(s), teacher(s), specialist(s), and the principal, collaboratively reviews and suggests program modifications to help students succeed and learn.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

School buildings and grounds at Jackson School provide a clean, positive environment that is conducive to teaching, instruction, and learning. Staff and student restrooms are clean and well maintained. Floors, wall, roof, and plumbing are maintained on a regular schedule. In summer 2023, in partnership with our PTC, CSD, and EDCOE we updated the playground equipment with an all-inclusive playground. Our PTC also funded a mural on the multi-purpose as well as PBIS phrases throughout the campus. Our school garden is an area that allows for outdoor, inclusive learning environment. Jackson Elementary is scheduled to have solar panels installed in the parking lot in summer 2024.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	74	71	60	62	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Our school staff enjoys a high level of community support and involvement in all aspects of our educational programs. Parents participate in collaborative planning of our school-based program through School Site Council meetings. Additionally, our PTO works with school staff to identify school-wide needs that can be supported through parent volunteers and community fund raising events. Outstanding examples of these some of the PTO sponsored events and fundraisers are: the PTO Fall Festival, Doughnuts with Grownups, Santa Run, and the Giving Gala. Proceeds from these events have provided our students with the first All Abilities Playground in El Dorado County, a new school field, outdoor school garden, water bottle filling stations, school-wide educational resources, school marquee, art murals, state of the art sound equipment for our theater program, and many outstanding special events including our annual Science Fair and Family Science Night.

Parents have an opportunity to participate on a variety of levels. Parents assist in classrooms during the Language Arts block and during math lessons. Parents help in the school garden with classes and help with upkeep of the garden over the summer months. The library coordinator utilizes parent help in our library. The PTO board also offers a wide variety of opportunities to help support classrooms and school events.

2023-24 School Safety Plan

Jackson School currently has a new Multiple Abilities Playground that opened in September of 2023 and a new field that was installed and opened for student use in May 2023. The Ruppel Center, amphitheater, lunch facility, stage, and computer lab were completed in December 1999. Jackson School is on a traditional schedule. Policies and procedures are in place regarding campus safety, fire drill exercises, earthquake preparedness and playground supervision. The PBIS team evaluates and implements rules and procedures for staff and students. The Safe School Plan sets goals each year for campus improvements and campus safety goals. The custodial staff maintains our campus to ensure cleanliness and maintenance.

Fiscal Year 2022-23 Types of Services Funded

All Rescue schools receive equal allocations, per student, of LCFF Base Funding. This funding helps support students by providing instructional materials, supplies and other needs. Funding for support services, such as maintenance of buildings and grounds, utilities, and student transportation, is budgeted for at the district level and provided to each school site based on the varying needs of the individual school.

In addition to the Base Funding described above, schools in the Rescue Union School District receive Supplemental funding roughly proportional to the number of unduplicated pupils (English Learners, Socioeconomically Disadvantaged, and Foster/Homeless Youth) they serve. Furthermore, school sites receive allocations from other state and federal categorical programs, including Title I and Title II. The purpose of these categorical programs range from improving the quality of the total instructional program for all students to addressing the unique needs of special groups of students.

Professional Development

Professional Development is focused on math at Jackson School this year as the staff worked with a math consultant over five days of training. The school district also offered a wide variety of topics at our Staff Day before school began and again at our District Day in October. Previous year's topics include: Benchmark Advance, Growth Mindset, Math Instructional Strategies, Science of reading, Step Up to Writing, and PBIS. Teachers also have grade level meetings to analyze assessment data and target key standards. In addition, teachers meet to plan, develop and improve effective instructional strategies. Staff development related to instructional practices, curriculum, technology, State Standards, and other educationally related matters are provided for all teachers.

There are five minimum days for parent conferences and three days for report card preparation.

This table displays the number of school days dedicated to staff development and continuous improvement.
