REPORTS AND COMMUNICATION:

Superintendent's Report - The Superintendent provided a district related report and spoke about district bright spots. Superintendent Shoemake spoke about Human Resources Coordinator Karen Schudy who passed away in late February, and presented a detailed "In Memoriam" recap with mentions of the ways and manner in which she served both RUSD and EDCOE in her career. Karen was a beloved colleague and friend who worked in RUSD for about the past 8 years. The report then went on to district school matters and the Superintendent stated that Marina Village Middle School was recently awarded the CA Distinguished School Award Winner. Also highlighted were examples of school staff who support students in everything from essay contents to AVID program to events both onsite and offsite such as "Invite A Girl to Engineering Day" for middle school students. RUSD has been celebrating National Reading Month as well, and several photos of elementary school classrooms, students and groups reading together were shared.

Celebrating Excellence - Lake Forest Elementary School Principal Renee Mallot presented a site report with slideshow information and photos. Principal Mallot shared the school's 2023-2024 theme: We Are All Essential. The report discussed staff numbers and important roles in support of each grade. The stated yearly goals are: positive experience for kids, building collaboration, and increasing SEL support for students. The school's I-SWIM (Inclusive, Safe, Works Hard, shows Integrity and is Mindful) practice includes the integration of SDC students as a daily part of campus life. Counselor Mrs. McKelvey was called out as a significant contributor to Lake Forest's culture and overall wellness. Art taught by Lana Bermudez is a big add this school year as well as Math Intervention with specialist Mrs. Bayless. Two literacy intervention specialists work with kids as needed. The STEAM museum is a new experience and Global Play Day was celebrated recently. Project Lead visits promote judicial system education in preparation for a mock trial. The school

brought in live animals from Wild Things Ambassadors such as an owl and a capybara. Another big event this month was International Women's Day, with many speakers and career women from authors to doctors, lawyers, realtors, artists and more. Student Leadership is focusing on community building, fundraising, and themed spirit days. I Love Reading Weeks challenges have been met and exceeded by all classes. The LF PTC has enjoyed putting on very successful glow dances, a harvest festival, etc.
