Kindergarten Walk Slip

Dear Kindergarten Parent(s),

In order to safely transport Kindergarten students on Rescue Union School District buses, we require a parent/guardian or other authorized adult to meet the bus. If no authorized adult meets your student at the bus stop, the student will remain on the bus and be returned to their respective school.

If you feel your child has reached the maturity level to walk alone from their bus stop we will need your written consent. This record will be kept at our Transportation office. Please complete this form and return it to the bus driver or Transportation office. Until we receive written consent of your choice, we will continue our policy in this matter: "If no authorized adult meets your student's bus stop, the student will remain on the bus and be returned to their respective school"

- Student **MAY** walk unaccompanied

We the parents/guardians authorize Rescue Union School District Transportation Department to allow our kindergartener to walk unaccompanied from their bus stop. We understand this relieves the driver/district of any responsibility for our child, once they are not in the driver's line of sight.
