

# RUSD Internet Safety Education

## Verification of Completion

*To:* RUSD Teachers and Principals

*Subject:* Internet Safety Verification

The Children's Internet Protection Act (CIPA) and ERate require that all students K-8 receive Internet Safety lessons to learn about appropriate online behavior each year. Teachers/schools are responsible to teach these lessons to the students using the materials included.

It is important that we keep accurate records that these lessons have been taught. Therefore, we are asking that you complete this form verifying that these lessons have been taught.

Please return this verification form to **Your Principal** no later than **January 14, 2023**.

School:                      Green Valley          Jackson          Lake Forest          Lakeview          Rescue  
                                 Marina Village          Pleasant Grove

List the Classroom Teacher's Name and Date(s) of Instruction:
